Members are reminded of the need to have regard to the items published with this agenda and, where necessary to declare at this meeting any Disclosable Pecuniary Interest (as defined in the The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012) in any matter to be considered at the meeting. If a pecuniary interest is declared they should withdraw from the meeting room during the whole of the consideration of that matter and must not participate in any vote on that matter. If members consider they should not participate because of a non pecuniary interest which may give rise to a perception of bias, they should declare this, withdraw and not participate in consideration of the item. 5 EXTERNAL AUDITOR - AUDIT PLAN (Agenda item 5)

The plan was presented to the Committee.

The Chair made a reference to a recent serious misstatement of accounts at Croydon PCT and asked what advice the auditors had for members to ensure such a situation did not arise at Merton.

David Wilkinson said that members must satisfy themselves that proper internal controls were in place and that they should be aware of pressure on managers to meet targets. Paul King pointed out that those pressures were more acute in the health service than in local authorities. Paul Dale said that at least one firm of external auditors had commented that there was a better culture in local authorities than in the health service and the role of the s151 officer was a particularly strong point of responsibility in local government finance..

GENERAL PURPOSES COMMITTEE
13 MARCH 2013

The Chair asked that officers be reminded that any problems needed to be reported to members immediately. Members would consider any delay in reporting problems as a very serious matter.

The auditors and Interim Assistant Director of Resources of responded to various points raised by members:

- The use of their own experts would only be to check assumptions in case of discrepancies;
- “Trivial” items in accounting terms could still be serious issues and should be dealt with appropriately – this use of the word was only in respect of whether or not the accounts had to be restated;
- Paul Dale said that there was now a more robust system for asset valuation in place;
- Paul Dale said that there was monthly financial monitoring through Cabinet and also regular reports to the Overview and Scrutiny Commission’s Financial Monitoring Task Group;

9 PENSIONS AUTOMATIC ENROLMENT - PREPARATION AND PROGRESS UPDATE (Agenda item 16)

Reason for urgency: The Chair had agreed to the late submission of this report as an urgent matter as a decision to defer auto enrolment for existing employees has been taken and HR officers would like to report to members prior to the original deadline of 1 April 2013. The Council’s staging date for new employees is 1 April 2013.

Marissa Bartlett explained that this was not an iTrent issue – the software was fully compliant. Councillors would not be auto-enrolled.

Paul Dale said that £300,000 had been allowed in the 2013-14 budget for costs although the exact uptake and cost was not known.

RESOLVED: That the General Purposes Committee:

- 1) notes the contents of the report in relation to the actions being taken to prepare for pensions automatic enrolment of new employees as at 1st April 2013 and;
- 2) agrees to support focused action to encourage voluntary enrolment into an appropriate pension scheme and especially in the advent of
