Copies of Agenda – The agenda for this meeting can be seen on the Council's web-site and can be inspected at all Merton Libraries or at Merton Link in the Civic Centre. A printed hard copy of the agenda will be available for inspection at the meeting.

Note 1: Declarations of interest by Councillors

Councillors and co-opted members who have a personal or prejudicial interest in relation to any item on this agenda are asked to complete a declaration form and hand it to the Democratic Services Officer. Forms, together with a summary of guidance on making declarations of interest, will be available around the meeting table. If further clarification is needed members are advised to refer to "The Code of Conduct – Guide for Members May 2007" issued by Standards for England, which will be available at the meeting if needed.

Procedure for Speakers

Speakers: The Chair has indicated that they will adopt the following principles in running the meeting:

The Chair of the committee has sole discretion over who may speak or, for example, if a matter is for noting, not allow anyone other than members of the committee to speak.

Selected speakers will be allotted a maximum of 3 minutes to make their point and are encouraged to avoid restating the whole of previous speaker's comments. When their time is completed they are asked to immediately cease speaking.

If there are a large number of requests to speak on a particular matter, assuming the Chair allows any speakers, the Chair will generally limit the number of public speakers to 3 with preference going to Ward Councillors, then official representatives from Residents' associations in the street or streets affected and then other speakers not part of a resident's association. Ward Councillors will have a priority as speakers but will generally do so after the public speakers.

Speakers will be called once for the agenda item under consideration and if absent will lose their opportunity; once the Committee have discussed and reached a conclusion on an item no further debate will take place.

The order of the agenda is subject to change at the Chair's discretion.

Requests to speak should be made no later than 12 Noon on the day preceding the meeting (see agenda front page for contact details).
