(d) section 167(5)(a) (review of premises licence following closure order),

**LICENSING COMMITTEE HEARINGS
A BRIEF GUIDE**

Merton Civic & Legal Services
October 2005

Introduction

The following pages of this booklet contain guidance on hearings of Licensing Applications by the Council's Licensing Sub-Committee. It is a guide only and not a statement of the law.

The law is to be found in

- 1 Licensing Act 2003
- 2 The Licensing Act 2003 (Hearings) Regulations 2005
- 3 Guidance issued under Section 182 of the Licensing Act 2003

Notice of Hearing

This booklet normally accompanies a "Notice of Hearing" as we are required by law to give you certain information with the Notice of Hearing.

Timing of Hearing

On arrival you may find that you may have to wait until the Committee can deal with the application you are interested in. This is because the Committee may have to deal with other applications on the same day. Committee is called to sit at the published time. There are different applications or items on the Committee agenda. The Committee may take the items in the order that is most efficient for managing that day's applications. You should therefore ensure that you are there in time for the beginning of the Committee Meeting as published.

The Committee Meeting is a public meeting. You are therefore entitled to remain in the Committee room when other applications are being dealt with. If you remain you will see other parties participating in the hearing. Unless it is a hearing that you are interested in, you may not participate although you may feel that you can contribute in that application as well. You can only participate in the hearing if you are a "party".

The Licensing Sub-Committee

Licensing Hearings take place before a Licensing sub-committee of the Council. There are three members of the sub-committee, a chairperson and two others. Also sitting with the Committee (but not part of the committee) will be the Committee Clerk and a Legal Officer who advises the committee on legal issues. Only these two and any trainees are allowed to adjourn with the committee.

Various persons may also be in the committee room in an official capacity. Where the police have submitted representations they will be in the room as a party. They are not part of the committee. Where the Council's Environmental Health Service have submitted representations they will be in the room but as a party not as part of the committee. Finally an officer from the Council's Children's Department may be present. They will not be part of the Committee either.

A Licensing Officer is usually present. The Licensing Officer would have received the application and processed it to ensure that fees have been paid and that it was properly advertised. The Licensing Office is also the office that receives representations and decides if they are in order. The Licensing Officer may be asked to speak at the committee. The Licensing Officer is not part of the Committee and will not retire with the Committee.

5.4 Attending A Licensing Hearing

Your Rights as a “Party”

You have the right:-

- To attend the Hearing
- To be assisted or represented by any person (whether or not the person is legally qualified)
- To address the sub-committee
- To question any party to the hearing (with the permission of the sub-committee)
- To give clarification of any issue on which advance notice of the need for clarification has been given
- To bring a witness or witnesses

Attending The Hearing (Parties)

You do not have to attend the Hearing. Where in response to the Notice of Hearing you have informed us that you do not intend to attend the hearing, then the hearing may proceed in your absence.

Where in response to the notice of hearing you say nothing about attending and you do not attend or are not represented the Committee may do one of the following:-

- hold the hearing in your absence
- adjourn the hearing to a specified date but only where the Committee consider it to be in the public interest.

5.5 Procedure To Be Followed At The Hearing

The hearing will take place in public. This means that anyone whether or not they are parties to the hearing are entitled to be at the meeting and to hear all the information. The Committee is allowed to exclude the public from all or part of a hearing. This will be where the Committee considers that the public interest in excluding the public outweighs the public interest in the hearing taking part in public. If you believe that this exception to public hearing applies to you, you may ask the Committee to consider exercising this power.

The committee will explain the procedure but a written version is included with the notice of hearing. Unless required by law to do it differently the committee is allowed to devise it's own procedures.

5.6 The Hearing As A Discussion

The Hearing is intended to be a discussion between the Committee and all the parties. In order to make it an orderly discussion some element of formality exists. Consequently there will be an order in which the hearing will follow. The Committee Chair will explain the order.

During the hearing the procedure is controlled by the Chair. Whilst the Chair will ensure that parties observe the procedure he or she may have to be firm in moving the hearing on to ensure that it proceeds at a pace that enables it to be dealt with within the time allocated. In particular the Chair may have to be strict in respect of ensuring that questions to witnesses keep to the issues. The committee may also put reasonable time limits on submissions.

When an application is received by us a number of persons are allowed to make “representations”. This includes residents, the police, the Environmental Health Service and the Area Child Protection Committee. Those who have made representations are called “parties”.

The Law allows the applicant (the person applying for the Licence) to have discussions with any of these parties before the hearing – this can lead to an agreed way of dealing with concerns relevant to the parties. (For instance, if Environmental Health is concerned about noise the applicant may offer to fit a noise limiter).

When you attend the hearing you may therefore find that some representations have been withdrawn. Where representations are withdrawn this will usually be because the person making the representations has been given satisfaction about how their concerns will be dealt with. For instance the LSCB (Local safeguarding children board) may have concerns about the welfare of children. The applicant may then agree to accept a condition to the license dealing with this concern and this may lead to a withdrawal of that representation.

The first thing that the Committee will do is to find out what representations have been withdrawn so that the Committee only concentrates on outstanding issues.

You must remember that as far as the law is concerned the applicant is entitled to do what they want with their business from a licensing point of view unless their business will offend against the four “licensing objectives” of:-

- Prevention of Public Nuisance
- Prevention of Crime and Disorder
- Protection of Children from Harm
- Promotion of Public Safety

Although these objectives are intended for the benefits of residents and businesses, various statutory bodies are given responsibility for those objectives and it is expected that they will make representations if those objectives are under threat. These statutory bodies are called “Responsible Authorities”

The Responsible Authorities are as follows:-

- The Chief Officer of Police
- The Local Fire Authority
- The Local Enforcement Agency for Health & Safety At Work Act 1974
- The Local Authority with Responsibility for Environmental Health
- The Local Planning Authority
- Another Licensing Authority
- A Body Representing Those Interested In The Protection Of Children And Recognised By The Council (Local safeguarding children board, LSCB)

The Guidance issued by central government advises that as a matter of practice the committee should seek to focus the hearing on the steps needed to promote the licensing objective which gave rise to the hearing. If your representations or application does not show how these four licensing objectives are affected, promoted or effected, then it is not likely to persuade the Committee.

The hearing will probably be in two distinct parts. The first part is where the application and representations are made. The first part ends when the Committee retires to consider the evidence.

The second part of the hearing is when the Committee returns. The main purpose of the second part is to allow the parties to be told what legal advice (if any) has been received during the deliberations in private. The Committee will then announce their decision.

This is then the end of the hearing. The decision will be communicated to the parties in writing.

The Committee will then move on to consider the next application (if any).

5.7 Appeal

There is a right of appeal to the Magistrates Court. You need to take legal advice on which Magistrates Court to go to. The appeal has to be lodged with the Magistrates Court within a period of 21 days beginning on the day you were notified by the Council of the decision appealed against.

5.8 Conclusion

This is necessarily a brief guide. It is not a Statement of Law – for this you will need to take legal advice.

NOTES

General

In these notes, a person who gives a temporary event notice is called a “premises user”.

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours or 7 days);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 15 below sets out the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

14 April 2015

Dear Sir

**Re - Application for a Temporary Event Notice - The RS Snooker & Social Club,
1-9 Abbotsbury Road, Morden. SM4 5LH**

On 14th April 2015 an application was received for a Temporary Event Notice (TEN) from Mr Robert Frost to be held at the above premises.

The notice requests the following :-

2.5.15 1000 to 3.5.15 0800

And includes Sale of Retail by Alcohol
Regulated Entertainment
Late Night Refreshment

The nature of the event is described as a "Party"

Police wish to make representations to this application on the grounds of Crime and Disorder.

This event does not specify its nature other than a "party" nor does it specify as requested on page 4 of the application the timings of the relevant entertainment to be provided. It is therefore conceivable that this could run for a period of 22 hours without any regulation under the Licensing Act 2003. This will clearly pose a risk to the Crime and Disorder licensing objective.

Conclusion

It is asked that the Licensing Sub-Committee give consideration to attaching the conditions on the premises licence to this Temporary Event Notice.

Yours faithfully,

Peter Sparham
