Dear Ms Macdonald,

Today I had the meeting with the Merton Council Pollution Department and following their recommendation I would like to make an amendment to the application reference WK/201700721 made by Terrazzino Cafe Ltd.

Please if possible can I withdraw the provision of recorded music between 23.00 -24.00 Monday to Sunday, and 23.00-01.30 on NYE as it is no longer required.

Regarding advertisement in local magazine, do I need to send to the council a hard copy of Wimbledon Guardian or any proof of advertisement?

Regards,

Delfina Kociubinska
