Subject: Ronnie Cutter's Off Licence 37-39 Upper Green East CR4 2PF

Dear Colleagues,

I am writing in order to support the recommendation from the Police that the license of the above named premises is revoked. The above business has failed

- To prevent crime and disorder
- To ensure public safety
- Prevent public nuisance
- To protect children from harm

The attached application provides details of the breached highlighted above.

I am very concerned that the proprietors of this establishment have repeatedly allowed a minor to sell and purchase alcohol. I am also concerned that they have conducted business outside of agreed hours of operation. I am informed by the Police that this has happened on a number of occasions.

Kind regards

Paul Bailey
