

Notice is hereby given that a key decision will be taken by Cabinet on 9 March 2015, on the following matter

South London Waste Partnership, Household Reuse and Recycling Centre Preferred Bidder

Where a key decision contains exempt information and would be considered in private session, a 28 days notice period, prior to the date that the decision is required. If this notice period has not been given, then the decision can still be taken by the Cabinet, if the provision contained within Rule 17 (Exempt Urgency Procedure) of the Access to Information Procedure Rules Part 4B of the Constitution has been sought.

Councillor Peter Southgate in his capacity as Chair of the Overview and Scrutiny Commission has approved the use, of Section 17 - Exempt Urgency procedures for this decision.

The decision to be taken relates to the outcome of the South London Waste Partnership procurement exercise to secure a new contractor to manage the partnership's Household Reuse and Recycling Centres. The reason for urgency is because the decision over the preferred bidder needs to be taken to ensure that all four Boroughs have approved the tender by April 2015. The reasons for exemption pertain to Section 10.4, Category 3 information relating to the financial or business affairs of any particular person (including the authority holding that information), of the Access to Information Procedure Rules Part 4B of the Constitution.
