

Advice for people attending the meeting of the Children and Young People Overview and Scrutiny Panel on 15 September 2011

Members of the public are most welcome to attend the meeting but please be aware that numbers may need to be restricted by safety regulations. It will be helpful if you could contact the Democratic Services Team on 0208 545 3356 or email democratic.services@merton.gov.uk to register your interest in attending.

If you have views that you would like to be expressed, you may do this through a group or society, who should telephone the Democratic Services Team on 0208 545 3356 or email democratic.services@merton.gov.uk by 12 noon on Wednesday 14 September.

Alternatively, you could contact your ward councillor asking them to speak on your behalf. Councillors' contact details are on the Council's website:
