# Agenda Item 12

Please note that if you are attending this meeting, the Council will be putting social distancing measures in place:

- In line with current guidance, attendees will be placed at least two metres away from each other where possible.
- If this is not possible on the night, please note that you may be asked to wait outside the Council Chamber until your item is ready to be heard.
- Residents, agents and other attendees are politely requested to not mingle before, during or after the meeting; and to leave the Council Chamber promptly after the item/the meeting has finished.
- Those attending to speak are asked to report to the table outside the Council Chamber, where you will be given instructions on participating in the meeting.
- Anti-bacterial hand wipes will be available outside the Council Chamber.
- Keep washing your hands frequently for at least 20 seconds. This is still considered the best defence against picking up the virus.
- If you have registered to speak at the meeting, but would prefer not to attend and have a written statement read out to the Committee instead please contact [democratic.services@merton.gov.uk](mailto:democratic.services@merton.gov.uk)
