Good Afternoon

Tesco Sub-Committee Hearing – Tuesday 17 August 2021

We have been sent a couple of videos – although the issues seem to be mostly planning related, there is the mention of light nuisance and noise nuisance outside of the flats.

Subject: Application by Tesco Stores Ltd. Sandham House, Boundary Business Court. Church Road, Mitcham CR4 3TD

To Whom it Concerns

I have already submitted a complaint about this application however I think this couple of downloads might be of interest to the Licensing Sub Committee who will be making the decision as to whether or not to grant this licensing application. The videos were compiled to support two other applications being made by Tesco with regard to Sandham House: 21/P2571 & 21/P2570.

The reason I am sending this to you is because I think the proximity of one of the intended Tesco parking bays will adversely affect the health & wellbeing of those living in particular, on the ground floor of the new flats being built but also other occupants. The toxic fumes that they will inhale could seriously affect their physical health as also seriously impact on their quality of life generally. This consideration, & that of lights from traffic shining into their flats plus, the detrimental effect of illuminated signage doing the same all, in my opinion, further contribute to making Sandham House an unsuitable site from which to sell alcohol.

Yours faithfully
Frances Healy
