Declarations of Pecuniary Interests

Members are reminded of the need to have regard to the items published with this agenda and, where necessary to declare at this meeting any Disclosable Pecuniary Interest (as defined in the The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012) in any matter to be considered at the meeting. If a pecuniary interest is declared they should withdraw from the meeting room during the whole of the consideration of that matter and must not participate in any vote on that matter. If members consider they should not participate because of a non pecuniary interest which may give rise to a perception of bias, they should declare this, withdraw and not participate in consideration of the item. For further advice please speak with the Council's Assistant Director of Corporate Governance.

Declarations of Pecuniary Interests – Members of the Design and Review Panel (DRP)

Members of the Planning Applications Committee (PAC), who are also members of the DRP, are advised that they should not participate in an item which has previously been to DRP where they have voted or associated themselves with a conclusion reached or recommendation made. Any member of the PAC who has also sat on DRP in relation to items on this PAC agenda must indicate whether or not they voted in such a matter. If the member has so voted they should withdraw from the meeting.

Human Rights Implications:

The applications in this Agenda have been considered in the light of the Human Rights Act 1998 and in particular, the First Protocol of Article 1 (Protection of Property); Article 6 (Rights to a Fair Trial) and Article 8 (Private and Family Life).

Consideration has been given to the impact of each application on the people living and working in the vicinity of that particular application site and to the impact of the proposals on the persons who have made written representations on the planning merits of the case. A full assessment of material planning considerations has been included in each Committee report.

Third party representations and details of the application proposals are summarised in each Committee report. It may be that the policies and proposals contained within the Development Plan and/or other material planning considerations will outweigh the views of third parties and/or those of the applicant.

Order of items: Applications on this agenda are ordered alphabetically. At the meeting the Chair may change this order to bring forward items with the greatest number of public speakers. The new order will be announced by the Chair at the start of the meeting.
