What is Overview and Scrutiny?

Overview and Scrutiny describes the way Merton's scrutiny councillors hold the Council's Executive (the Cabinet) to account to make sure that they take the right decisions for the Borough. Scrutiny panels also carry out reviews of Council services or issues to identify ways the Council can improve or develop new policy to meet the needs of local people. From May 2008, the Overview & Scrutiny Commission and Panels have been restructured and the Panels renamed to reflect the Local Area Agreement strategic themes.

Scrutiny's work falls into four broad areas:

- ⇒ **Call-in:** If three (non-executive) councillors feel that a decision made by the Cabinet is inappropriate they can 'call the decision in' after it has been made to prevent the decision taking immediate effect. They can then interview the Cabinet Member or Council Officers and make recommendations to the decision-maker suggesting improvements.
- ⇒ **Policy Reviews:** The panels carry out detailed, evidence-based assessments of Council services or issues that affect the lives of local people. At the end of the review the panels issue a report setting out their findings and recommendations for improvement and present it to Cabinet and other partner agencies. During the reviews, panels will gather information, evidence and opinions from Council officers, external bodies and organisations and members of the public to help them understand the key issues relating to the review topic.
- ⇒ **One-Off Reviews:** Panels often want to have a quick, one-off review of a topic and will ask Council officers to come and speak to them about a particular service or issue before making recommendations to the Cabinet.
- ⇒ **Scrutiny of Council Documents:** Panels also examine key Council documents, such as the budget, the Business Plan and the Best Value Performance Plan.

Scrutiny panels need the help of local people, partners and community groups to make sure that Merton delivers effective services. If you think there is something that scrutiny should look at, or have views on current reviews being carried out by scrutiny, let us know.
