5. Licensing Officer comments

5.1 This is an application for a new premises licence to sell alcohol for consumption off the premises 24 hours a day, 7 days a week and the provision of late night refreshment from 11pm until 5am the following morning.

5.2 Opening hours are 24 hours a day, 7 days a week.

5.3 The application described the premises as a petrol forecourt.

- 5.4 The operating schedule lists some policies and procedures that could be converted into conditions on the licence should the committee decide to grant.
- 5.5 We have received one representation from the Metropolitan Police objecting to the grant.
- 5.6 The Police have raised Section 176 of the Licensing Act for your consideration which relates to the Prohibition of alcohol sales at service areas, garages etc.
- 5.7 To assist you the statutory section 182 guidance, part 5.22 to 5.24 on page 37 states:
- 5.22 - Section 176 of the 2003 Act prohibits the sale or supply of alcohol at motorway service areas (MSAs) and from premises which are used primarily as a garage, or are part of premises used primarily as a garage. Premises are used primarily as a garage if they are used for one or more of the following:
- the retailing of petrol;
 - the retailing of derv (diesel);
 - the sale of motor vehicles; and
 - the maintenance of motor vehicles.
- 5.23 - It is for the licensing authority to decide, based on the licensing objectives, whether it is appropriate for that premises to be granted a licence, taking into account the documents and information listed in section 17(3) and (4) which must accompany the application.
- 5.24 - If a licence is granted in respect of a premises and the primary use of that premises subsequently changes (for example, the primary use becomes that of a garage rather than a shop) it would no longer be legal to sell alcohol on that premises. If a relevant representation is made, the licensing authority must decide whether or not the premises are used primarily as a garage. The licensing authority may ask the licence holder to provide further information to help establish what the primary use of the premises is.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Re:- Application for Premises Licence at Rowan Road Service Station, SW16 5JF.

Dear Sir/Madam,

On 21st May 2020, an application was received from Motor Fuel Limited for a new Premises Licence under Section 17 of the Licensing Act 2003.

The application can be summarised as follows:-

A "Petrol Forecourt Store" seeking authorisation to sell alcohol 24hrs a day, every day. The application also seeks authorisation for Late Night Refreshment from 2300hrs to 0500hrs, daily.

Police make objections to this application with regard to all four of the licensing objectives namely:

**The Prevention of Crime and Disorder
The Prevention of Public Nuisance
Public Safety
The Protection of Children from Harm**

It must be first noted that the applicant has made no attempt to participate in any consultation regarding this application, either prior to submission as per Government Guidelines Sec 182 Licensing Act 2003, or during the 28 consultation period.

I emailed the applicant's solicitor on 28th May 2020 with a list of concerns and questions, and I have spoken to the solicitor on the telephone, but I am yet to receive any response. I have visited the premises in a further attempt to discuss the application, I left my business card with the sole member of staff on duty, he had no knowledge of the proposals. I have not been contacted since my visit.

The Rowan Road Service Station is a self-service petrol/diesel forecourt with 8 fuel pumps and a very small forecourt shop. Situated on a main road through a large residential area between Streatham and Mitcham.

Section 176 of the Licensing Act 2003 prohibits the sale of alcohol from a premises primarily used as a garage. The Rowan Road Service Station has one of the smallest forecourt shops of any petrol station I have been in, yet has a reasonable number of fuel pumps. I find it hard to imagine that fuel sales at this venue can be of less value than sales of the basic selection of essentials and cigarettes currently sold in the shop. The plan submitted in the application does not suggest any intention to increase the size of the shop. The primary use of Rowan Road Service Station appears clearly to be that of a garage. I have asked the applicant for more information in this respect for the sub-committee to form an opinion.

The application does not state how the operator intends to manage the safe sale of alcohol. It is not known if the shop will be open to the public through the night, or if service will be via a night hatch. The application mentions that there will be "adequate levels of staff" but does not give any numbers. Given the size of the shop, it would be difficult to accommodate more than two members of staff at any time. Staff must have the confidence to refuse sales to drunks.

Due to the layout of the shop floor, all displays are close to the entrance, making it easy for an opportunist thief to take items from display without fear of being prevented by the cashier. I would like to know what measures the operator will have in place to prevent thefts of alcohol.

I would like to know the intended percentage of display that will be given over to alcohol and from where it will be sold. I would advise limiting the size of alcohol displays to prevent alcohol sales becoming the perceived primary focus of the premises and an attractive destination for thieves.

There are additional risks associated with the sale of alcohol after 11pm at night. To prevent thefts and violent crime, I would strongly advise against the shop being open to the public after 11pm.

I also have concerns about alcohol being available to purchase late at night and through the early hours of the morning. The premises is opposite Rowan Road Recreation Ground, and this could become a desirable area for late night social drinking as street drinkers gravitate towards their source of supply.

Anti-Social Behaviour from street drinkers is an ongoing problem in many residential areas of Mitcham. It is noted that super strength beer and cider is the drink of choice of many street drinkers. If the sub-committee are minded to grant a Premises Licence, I would advise attaching a condition to prohibit the sale or display of beer and cider over 5.5 %abv.

There is no mention on the application of how the operator will train staff in the safe and responsible sale of alcohol, nor is there any mention of refusal processes.

The application does mention for what the Late Night Refreshment authorisation is required.

I do not have confidence in the operator's ability to prevent thefts. Reporting of Thefts of fuel (Drive Outs) has been inconsistent, with periods of several thefts per week reported to Police and other periods of several months with no crime at all. I would like clarity of the operator's current reporting procedures, and also a commitment to record all thefts of alcohol if the licence is granted. It is also important to record all refusals and other incidents in a log book made available to Police.

Due to insufficient information on the application form, and the absence of engagement during the consultation period, I have been unable to properly assess the risk. Therefore, I can only advise the sub-committee to reject the application.

Yours Faithfully

Russ Stevens PC 3852SW 191701
