Licensing Sub-Committee Report

Subject of hearing: **HakkaMoon, 185 Streatham Road, Mitcham, CR4 2AG**

Date: **8 February 2022**

Time: **1:30 pm**

Venue: **Virtual Meeting**

1. Special Policy Area (premises licences and club certificates)

1.1 The premises are in the special policy area, but the policy does not apply as this special policy area relates to premises selling alcohol for consumption off the premises only. Accordingly the relevant section of Merton's Licensing Policy is not relevant to this application though the sub-committee is to have regard to the policy as a whole.

2. Type of hearing and powers of the sub-committee

2.1 The sub-committee is required to determine the application by taking such of the steps set out below as it considers necessary for the promotion of the licensing objectives.

2.2 In making their determination the sub-committee must have regard to the Licensing Act 2003, the licensing objectives, guidance issued by the Secretary of State and Merton's Licensing Policy.

2.3 New premises licence: s18

(i) To grant the licence subject to conditions

(ii) To exclude from the scope of the licence any of the licensable activities to which the application relates

(iii) To refuse to specify a person in the licence as the premises supervisor

(iv) To reject the application.

3. Hearing papers

3.1 The applications, notices and representations for determination by the sub-committee are contained in the hearing bundles together with any relevant existing licence. This includes any documents which must be sent to any of the parties to the hearing under Regulation 7(2) and Schedule 3 of The Licensing Act 2003 (Hearings) Regulations 2005. This bundle has been issued to all parties to the hearing.

4. Legal advice to the sub-committee

4.1 A legal officer appointed by the Assistant Director of Corporate Governance and Head of Legal Services will attend the hearing to advise the sub-committee on statutory provision and legal matters.

5. Licensing Officer comments

5.1 This is an application for a new premises licence, for a premises described in the application as a restaurant.

5.2 The applicant has applied for the supply of alcohol for consumption on the premises, Monday to Sunday from 11am to 11pm, with an additional hour to the standard times on the day when British Summertime commences.

- 5.3 The opening hours are stated in the application as Monday to Sunday 10am to 11pm. Again, the additional hour for when British Summertime commences is requested.
- 5.4 An additional document attached to the application gives some background information and proposes some seven conditions.
- 5.5 We received two representations regarding this application. One from a resident and the other from Trading Standards.
- 5.6 After consultation with the applicant, Trading Standards withdrew their representation as the applicant has agreed with them, conditions they would like to add to their application. This email agreement, with the agreed conditions stated and the subsequent withdrawal of the representation is included in this report.
- 5.7 For ease, we have put the applicants proposed conditions from the application and the agreed conditions with Trading Standards as an annex to this report. The Sub-Committee may choose to form some conditions on the licence from these should they decide to grant the licence.
- 5.8 It should be noted, that whilst the premises is within a cumulative impact special policy area, this area in Mitcham is only in relation to premises selling alcohol for consumptions off the premises – see 9.2 of the current policy. This application is for supply of alcohol for consumption on the premises only.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

National Insurance number and their name issued by a Government agency or a previous employer.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: Representation' under the Licensing Act 2003 - Alcohol license at HakkaMoon 185 Streatham road CR4 2AG.

Dear Merton licensing committee,

Representation' under the Licensing Act 2003 - Alcohol license at HakkaMoon 185 Streatham road CR4 2AG.

We object to an alcohol licence to be issued to the premises at HakkaMoon 185 Streatham road CR4 2AG. Being a community champion I have seen first-hand the issues with street drinking and problems associated with this. There is already a street drinking issue in and around Streatham Road, as the local Police and Councillors are aware. This will get further out of hand if alcohol availability is allowed.

Living right next to this establishment to serve alcohol on premises will cause disorderly behaviour as well as increased sound and noxious smells. Anti-social behaviour will be increased both at the premises and the conduct of individuals once they leave the premises and possibly hang around outside, being a magnet for unruly behaviour.

As a volunteer with Sustainable Merton, I notice a lot of broken or discarded glass bottles and litter in the outside vicinity which is attributed to sale and use of Alcohol and a constant battle to keep our street clean.

Not having another premises to be serving or selling alcohol will part-way help with the following

- (1) prevention of crime and disorder
- (2) public safety
- (3) prevention of public nuisance
- (4) protection of children from harm

Please therefore consider this representation. There is clear Scientific evidence to show that Alcohol consumption causes more problems, rather than solutions.
