

**Report to:** South London Waste Partnership (SLWP)  
Joint Waste Committee

**Date:** Thursday 10 December 2015

**Report of:** SLWP Management Group

**Author(s):**

Annie Baker – Strategic Partnership Manager

**Chair of the Meeting:**

Councillor Stuart Collins, Chair SLWP Joint Waste Committee

<b>Report title:</b>  <b>SLWP Risk Report</b>
<b>Summary</b> This report presents the red risks around the Partnership's waste disposal service contracts.
<b>Recommendations to Committee</b>  a) To note the key developments on the Risk Register and the mitigation of these risks.
<b>Background Documents and Previous Decisions</b> Previous Risk reports and Risk Registers held by Chair of Management Group

## 1. Red Risks

2.1 There are no open red risks on the current risk register

## 2. Closed Risks

2.1 Legal risk number 7.5 (LEG 5) has been removed. This risk related to the continuation of the EWC service by Kingston on behalf of the SLWP and the potential for challenge by a potential third party provider and has been closed now that the HRRCs are managed through a new contract with Veolia.

## 3. New Risks

3.1 There are no new risks

#### **4. Impacts and Implications**

##### Legal

5.1 There are no direct legal implications resulting from the content of this report

##### Finance

5.2 There are no direct financial implications resulting from the content of this report.

##### Environmental Impact

5.3 There are no direct environmental implications resulting from the content of this report.
