Determination

The Licensing Sub-Committee considered an application by DG E GD Limited for a new Premises Licence for 51 London Road, Tooting, SW17 9JR for the retail sale of alcohol (off sales only) from 08.00 to 23:00 Mondays to Sundays with Opening Hours from 08.00 to 23:00 Mondays to Sundays.

The Licensing Sub-Committee, in reaching its decision, had to promote the Licensing Objectives, make a decision that was appropriate and proportionate, that complied with the Licensing Act 2003 and its Regulations, had regard to the current Secretary of States' Home Office section 182 Guidance, had regard to the Council's Statement of Licensing Policy, and complied with parameters provided by relevant case law.

The Licensing Sub-Committee decided to **grant** the application, but with amendment of the **Licensable Activities and Hours** as follows:

Retail Sale of Alcohol (off sales only): 08.00 to 22:00 Mondays to Sundays

Opening Hours: 08.00 to 23:00 Mondays to Sundays.

Subject to the following **Conditions** imposed on the Licence:

Conditions proposed by the Metropolitan Police and amended by the Sub-Committee:

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of a Metropolitan Police Crime Prevention Officer. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Recordings shall be made available immediately upon the request of Police or authorized officer throughout the preceding 31 day period. The CCTV system should be updated and maintained according to police recommendations.
2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premise is open to the public. This staff member must be able to show a Police or authorized council officer recent data or footage with the absolute minimum of delay when requested.
3. No super-strength beer or lagers of 5.5% ABV (alcohol by volume) or above shall be sold at the premises unless approved in writing by the Police Licensing Officer in a list which may be inspected on request by Police, Licensing or Council Officers attending the premises.
4. A proof of age scheme, such as Challenge 21 shall be operated at the premises where the only acceptable forms of identification are (recognised photographic identification cards, such as a driving licence or passport / Holographically marked PASS scheme identification cards.
5. A log shall be kept detailing all refused sales of alcohol. The log should include the

date and time of the refused sale and the name of the member of staff who refused the sale. The log shall be available for inspection at the premises by the police or an authorised officer of the Council at all times whilst the premise is open.

6. An incident log shall be kept at the premises, and made available on request to an authorised officer of the Council or the Police, which will record the following:
 - a) all crimes reported to the venue
 - b) all ejections of patrons
 - c) any complaints received
 - d) any incidents of disorder
 - e) any faults in the CCTV system or searching equipment or scanning equipment
 - f) any refusal of the sale of alcohol
 - g) any visit by a relevant authority or emergency service.

Conditions proposed by London Borough of Merton Public Health and amended by the Licensing Sub-Committee:

7. No single cans or bottles of beer or lager shall be sold at the premises.
8. No more than 10% of the sales area shall be used at any one time for the sale, exposure for sale, or display of alcohol.
9. There shall be no promotional sales of alcohol at the premises where alcohol is sold at a price lower than that at which the same or similar alcoholic drinks are sold, or usually sold, on the premises.
10. No advertising of alcohol drinks or drink promotions in the premises shall be visible from the street.

Conditions imposed by the Licensing Sub-Committee:

11. All alcohol for sale shall be located by the till in sight of the staff.
12. The sale of alcohol is limited to beer and wine. No spirits shall be sold at the premises.

Recommendation: In addition, the Licensing Sub-Committee recommends that Ms Lyubenova attends a Licensing training course to acquire a Personal Licence and attends Merton Council's 'Do You Pass' Training Course.

Reasons

This Premises Licence was granted, with imposed conditions, because:

1. The business operating at the premises is predominantly a food offer or convenience store that would remain the same with ancillary alcohol sales;
2. The Applicant explained to the Licensing Sub-Committee that the proposed alcohol sales would take up a small proportion of the shop and were only intended to compliment grocery sales to provide alcohol to accompany that shopping for the benefit its customer base.

This decision was made pursuant to the Licensing Policy that predates the Licensing Policy of 6th January 2016, any Appeal hearing shall be a hearing de novo and as such will be considered under the Licensing Policy of 6th January 2016 and will be subject to the Cumulative Impact policy that applies to this premises.

12.Appeals

12.1 This chapter provides advice about entitlements to appeal in connection with various decisions made by a licensing authority under the provisions of the 2003 Act. Entitlements to appeal for parties aggrieved by decisions of the licensing authority are set out in Schedule 5 to the 2003 Act.

GENERAL

12.2 With the exception of appeals in relation to closure orders, an appeal may be made to any magistrates' court in England or Wales but it is expected that applicants would bring an appeal in a magistrates' court in the area in which they or the premises are situated.

12.3 An appeal has to be commenced by the appellant giving of a notice of appeal to the designated officer for the magistrates' court within a period of 21 days beginning with the day on which the appellant was notified by the licensing authority of the decision which is being appealed.

12.4 The licensing authority will always be a respondent to the appeal, but in cases where a favourable decision has been made for an applicant, licence holder, club or premises user against the representations of a responsible authority or any other person, or the objections of the chief officer of police or local authority exercising environmental health functions, the holder of the premises or personal licence or club premises certificate or the person who gave an interim authority notice or the premises user will also be a respondent to the appeal, and the person who made the relevant representation or gave the objection will be the appellants.

12.5 Where an appeal has been made against a decision of the licensing authority, the licensing authority will in all cases be the respondent to the appeal and may call as a witness a responsible authority or any other person who made representations against the application, if it chooses to do so. For this reason, the licensing authority should consider keeping responsible authorities and others informed of developments in relation to appeals to allow them to consider their position. Provided the court considers it appropriate, the licensing authority may also call as witnesses any individual or body that they feel might assist their response to an appeal.

12.6 The court, on hearing any appeal, may review the merits of the decision on the facts and consider points of law or address both.

12.7 On determining an appeal, the court may:

- dismiss the appeal;
- substitute for the decision appealed against any other decision which could have been made by the licensing authority; or

- remit the case to the licensing authority to dispose of it in accordance with the direction of the court and make such order as to costs as it thinks fit.

All parties should be aware that the court may make an order for one party to pay another party's costs.

LICENSING POLICY STATEMENTS AND SECTION 182 GUIDANCE

12.8 In hearing an appeal against any decision made by a licensing authority, the magistrates' court will have regard to that licensing authority's statement of licensing policy and this Guidance. However, the court would be entitled to depart from either the statement of licensing policy or this Guidance if it considered it was justified to do so because of the individual circumstances of any case. In other words, while the court will normally consider the matter as if it were "standing in the shoes" of the licensing authority, it would be entitled to find that the licensing authority should have departed from its own policy or the Guidance because the particular circumstances would have justified such a decision.

12.9 In addition, the court is entitled to disregard any part of a licensing policy statement or this Guidance that it holds to be ultra vires the 2003 Act and therefore unlawful. The normal course for challenging a statement of licensing policy or this Guidance should be by way of judicial review, but where it is submitted to an appellate court that a statement of policy is itself ultra vires the 2003 Act and this has a direct bearing on the case before it, it would be inappropriate for the court, on accepting such a submission, to compound the original error by relying on that part of the statement of licensing policy affected.

GIVING REASONS FOR DECISIONS

12.10 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal. It is particularly important that reasons should also address the extent to which the decision has been made with regard to the licensing authority's statement of policy and this Guidance. Reasons should be promulgated to all the parties of any process which might give rise to an appeal under the terms of the 2003 Act.

IMPLEMENTING THE DETERMINATION OF THE MAGISTRATES' COURTS

12.11 As soon as the decision of the magistrates' court has been promulgated, licensing authorities should implement it without delay. Any attempt to delay implementation will only bring the appeal system into disrepute. Standing orders should therefore be in place that on receipt of the decision, appropriate action should be taken immediately unless ordered by the magistrates' court or a higher court to suspend such action (for example, as a result of an on-going judicial review). Except in the case of closure orders, the 2003 Act does not provide for a further appeal against the decision

of the magistrates' courts and normal rules of challenging decisions of magistrates' courts will apply.

PROVISIONAL STATEMENTS

12.12 To avoid confusion, it should be noted that a right of appeal only exists in respect of the terms of a provisional statement that is issued rather than one that is refused. This is because the 2003 Act does not empower a licensing authority to refuse to issue a provisional statement. After receiving and considering relevant representations, the licensing authority may only indicate, as part of the statement, that it would consider certain steps to be appropriate for the promotion of the licensing objectives when, and if, an application were made for a premises licence following the issuing of the provisional statement. Accordingly, the applicant or any person who has made relevant representations may appeal against the terms of the statement issued.
