Re: WK/201602684 - Hand in Hand / Young's & Co Brewery

Dear Sir or Madam,

We own and reside at a private residence very close to the proposed 6.6m x 1.8m designated site for tables and chairs.

We have spoken to Andrew, the landlord of the Hand in Hand and with whom we have a great relationship, about this licence application and he has told us that

- (1) It is an extension of the current temporary licence which he has obtained each month, so that it essentially continues to permit them to place tables and chairs in the designated area in exactly the same way as they have been doing for some time;
- (2) Specifically, when you refer in your Notice to "opposite the Hand in Hand", this does not mean the grass / common area - this is the pavement area immediately outside No.6 Crooked Billet;
- (3) That in practice, out of continuing respect for the neighbours, the pub will not leave the tables and chairs outside the pub after 10pm, except on certain nights (e.g. Christmas time, New Year, Bonfire night, etc); and
- (4) That the pub won't put tables and chairs in the driveway across the pavement, which is right next to our house, as we have complained in the past about this due to the noise levels and the proximity to our front room / bedroom above.

We have provided Andrew (the landlord) with a copy of this Letter of representation.

On the basis of these assurances, we have agreed with Andrew (the landlord) that we will not oppose this licence application. However, while Andrew is the landlord of the pub we will monitor and report to him on noise levels and anti-social behaviour.

Andrew (the landlord) has always done his best to make sure people are not noisy and that we are respected as neighbours, but my concern is that he may one day be replaced by another landlord who does not care as much about neighbours and will leave these tables and chairs out there all the time. The problem with that is that there is already plenty of seating inside and outside the pub - indeed it is very rare that all the tables are taken. So, it is simply not necessary for the tables and

chairs to be there every evening, or certainly past 10pm at the latest. We have a young child and we cannot let his sleep be affected just so that groups of drinkers can choose - literally when they don't need to - to sit on the street past 10pm and make noise etc.

To conclude and summarise, we make this representation to alert the Council to these concerns and to document Andrew's assurances and position generally, and ultimately we do not oppose the licence on the basis of the assurances. However, we reserve our rights to the fullest possible extent and if circumstances change or new information comes to light, we will need to do what we can to ensure that this licence and these 'street trading' rights do not adversely impact on us.

Thank you for your consideration.

Best regards,
