Do you want the proposed variation to have effect in relation to the introduction of the late night levy? (Please see guidance note 1) ☐ Yes ☒ No

Please describe briefly the nature of the proposed variation (Please see guidance note 2)

I would like to extend my opening licensable hours during the week by one and a half hours and on a Friday and Saturday night by slightly longer.

I simply wish to be able to keep the restaurant open later which means being able to serve wine with the meals.

I would also however like to be able to sell the wines we stock to customers who wish to take them off premises. We have built a strong following in our niche areas and clients are asking to buy the wines to enjoy away from our restaurant. Most of them have and do eat in the restaurant.

The extended hours would allow me to accept one additional cover during the week and on the busy nights two additional covers. Allowing me to sell off the premises would allow me to expand my business.

The business strategy and basis remains entirely unchanged from the first application in that the restaurant still serves and sells the same specialist foods and drinks.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend:

- I have enclosed the premises licence ☒

If you have not ticked one of these boxes, please fill in reasons for not including the licence or part of it below

Reasons why I have not enclosed the premises licence or relevant part of premises licence.

M Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11)

My business will be run and managed by myself as the single owner and one manager called Rodrigo Rivero (former training manager at ‘Bill’s’). He too has extensive experience and background in the catering business. There will only be the designated food on the premises and only those buying food and eating it on premises will have the option of buying alcohol to accompany their meal if they are remaining on premises. Those buying alcohol to take off premises will not be allowed to remain in or nearby the premises. No one other than patrons will be allowed to use the facilities or allowed to remain on premises OR will be allowed to buy alcohol. No one deemed to be under the influence of alcohol or other substances will be allowed to enter the premises and capacity will be strictly adhered to.

It is understood that the premises is in a cumulative impact zone. The application (as it was last time) is for a niche area of food and drink. This will not be a general off licence and the only alcohol available for sale will be the specialist stock served with meals. There will be no expansion of that as our USP is our speciality food and drink.

b) The prevention of crime and disorder

The premises has had no reports or difficulties or crime and it is the intention of the owner to keep it that way. No one who looks younger than 25 will be served alcohol (even if they buy food) without being able to produce ID to the DPS. CCTV are installed in the premises to cover all areas – outside and inside. The one single toilet on premises will be checked hourly. There will be no drink promotions except those which accompany the meal and no alcohol will be served without the purchase of food. Monthly liaison with the local police unit to monitor difficulties and take advice on improvements.

c) Public safety

The premises will only allow entry to those it is capable of seating. Anyone else allowed entry will be limited to those waiting for seating or buying food or alcohol from the premises. Patrons will not be allowed to stand in the additional areas and facilities will be for the use patrons only. No patrons will be allowed to stand outside the premises regardless of whether they are only eating food bought on premises and staff will be encourage to move people away from the premises. CCTV installed will allow constant supervision of patrons and indeed non-patrons to allow for timely intervention. Again, the owner will seek constant advice from the Licensing Team and other departments.

d) The prevention of public nuisance

The premises will limit its entertainment to background music aware that the purpose is to encourage patrons to buy food accompanied by alcohol. It is not designed and will not resemble a night club or anything close to it. As such, with a cap on capacity, noise will not be an issue. Food will only be heated on premises and as such there should be no issue as far as smell is concerned. Management will of course liaise to make sure this is correct and of course stays that way. Because of the strict conditions and regulation of the sale of alcohol the premises will not attract or retain those who are intoxicated. Indeed, those persons will disrupt other patrons not to mention local residents. Any queues for seating will be limited to those inside the premises and no patrons will be allowed to linger outside.

e) The protection of children from harm

The premises will enforce a strict policy in relation to children which bars them from the premises, whether accompanied or not, after 7.30pm. This will be strictly enforced without exception. As above the business will also enforce an ID policy for anyone who does not look over 25 years of age. No other activity on the premises raises concerns regarding the welfare of children as there will be no entertainment and the premises is akin to a restaurant rather than a public house or anything further.

If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.
