In March 2010 the Audit Commission issued a revised version of the 'Statement of responsibilities of auditors and audited bodies' (Statement of responsibilities). It is available from the Chief Executive of each audited body and via the [Audit Commission's website](#).

The Statement of responsibilities serves as the formal terms of engagement between the Audit Commission's appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The Standing Guidance serves as our terms of appointment as auditors appointed by the Audit Commission. The Standing Guidance sets out additional requirements that auditors must comply with, over and above those set out in the Code of Audit Practice 2010 (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. 1. Overview of the financial statement audit

The Fund is responsible for preparing and publishing its Statement of Accounts, the Annual Report and its Governance Compliance Statement.

As auditors we are responsible for:

- ▶ Forming an opinion on the financial statements;
- ▶ Reviewing the Annual Report for consistency; and
- ▶ Undertaking any other work specified by the Audit Commission.

Summarised below are the conclusions from all elements of our work:

Financial statements

Following the performance of the procedures outlined in our Audit planning report, we issued an unqualified opinion on the Fund's financial statements.

We identified no significant risks to our opinion. Our discussions with management and those charged with governance identified specific issues which are covered in Section 3. We did not identify any specific concerns in relation to these in our audit.

Review of the Annual Report

We reviewed the Annual Report for consistency with the financial statements. We asked for inclusion of the Statement of Responsibilities of the Council and Director of Corporate Services. We have no other matters to raise with you.

Control themes and observations

Our audit identified control issues around use of the Council's bank account rather than solely using the Pension Fund bank account and late payments of pension fund contributions by specific employers. These are covered in Section 4.1 of this report.

Scope update

There has been no change in the scope of our work since we issued our Audit planning report.

Summary of audit differences

Our audit did not identify any numerical errors in the financial statements. However we identified a number of changes required to narrative and presentation in the statements and supporting notes. The Finance team also amended the analysis of financial instruments in the notes to the financial statements to ensure consistency with the disclosures in Merton Council's accounts. These amendments were presented to the General Purposes Committee on 26 September 2013. These are set out in Section 7 of this report.

2. Scope update

Our 2012/13 audit work has been undertaken in accordance with the Audit planning report issued on 12 April 2013 and is conducted in accordance with the Audit Commission's Code of Audit Practice, International Standards on Auditing (UK and Ireland) and other guidance issued by the Audit Commission.

We carried out our work in accordance with our Audit planning report. There were no changes to the scope of our work.

Publication on electronic media

The Council is responsible for the accurate presentation of the financial statements, audit report thereon and other reports submitted in relation to the audit and for establishing security and controls over them in order to ensure the continued integrity of the information presented. The examination of the controls over electronic presentation of audited financial information and reports by the auditor on the Council's web-site is beyond the scope of the audit of the financial statements.

3. Significant findings from the financial statement audit

In this section of our report we outline the main findings from our audit, including our conclusions on the areas of risk outlined in our Audit planning report.

We identified no significant risks or other financial statement risks in planning our audit.

Our letter of representation is in Appendix B.

Our discussions with officers and those charged with governance on past issues for the Pension Fund identified the importance of obtaining robust investment valuations. Our audit work did not identify any issues in this area.

4. Control themes and observations

As part of our work, we obtained sufficient understanding of internal control to plan our audit and determine the nature, timing and extent of testing. Although our audit was not designed to express an opinion on the effectiveness of internal control, we are required to communicate to you any significant deficiencies.

We have only reported here deficiencies we identified during the audit that we concluded are significant.

4.1 Current year observations

| Description | Impact |
|---|--|
| <p>Regulations require employers to pay contributions to the Pension Fund by the 19th day of the following month.</p> <p>The Fund's contributions schedule shows late payments involving three employers in the financial year.</p> <p>Those for the Council and Ursuline school occurred as a result of issues with implementing the Council's new hosted payroll system which did not make the correct charges to the Pension Fund:</p> <ul style="list-style-type: none"> • LB Merton - April and May 2012 • Ursuline School – April 2012 • Wimbledon and Putney Commons Conservators – April and August 2012 and February 2013 | <p>Failure to comply with regulations to support the full and prompt payment of pensions. (It is noted that this was as a result of implementing the new payroll system rather than from omission on the part of the Pension Fund).</p> |
| <p>The Pension Fund is required to operate its own bank account. This came into effect from 1/4/2011.</p> <p>In the 2012/13 financial year, due to issues with the implementation of the new payroll system, the pension fund only fully stopped using the Council's main account for transactions involving the pensioner payroll from February 2013.</p> | <p>The Fund did not fully meet the requirements for separate bank accounts until February 2013.</p> <p>As there is the associated risk of omission of transactions associated with the Fund, and inclusion of those for the Council, Council staff put in place appropriate arrangements to offset this risk. This involved additional officer time and resources.</p> |
| <p>Other findings from our work</p> | |
| <p>Use of analytics tools for journal entry testing</p> | |
| <ul style="list-style-type: none"> ▶ We were unable to use our analytics tools to ensure the financial statements included all the Council's financial transactions and to direct our testing of journal entries raised in production of the financial statements. ▶ We adopted alternative approaches to obtain assurance over the completeness of the financial statements and testing of journals. | |

4.2 Challenges for the coming year

There are no specific challenges for the coming year that we wish to bring to your attention.

5. Status of our work

5.1 Financial statement audit

Our audit work for our opinion on the Fund's financial statements is complete.

We issued an unqualified auditor's report on the Pension Fund's financial statements on 27 September 2013.

6. Fees update

A breakdown of our agreed fee is shown below.

| | Proposed final fee 2012/13 £ | Planned fee 2012/13 £ | Scale fee 2012/13 £ |
|------------------------------------|---------------------------------------|-----------------------------|---------------------------|
| Total Audit Fee – Code work | 21,000 | 21,000 | 21,000 |

Our actual fee is in line with the agreed fee.

7. Summary of audit differences

In the normal course of any audit, we identify differences between amounts we believe should be recorded in the financial statements and amounts actually recorded. These differences are classified as either 'known' or 'judgemental'. Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

We have identified no amounts - individually or in aggregate - material to the presentation and disclosures of the financial statements for the year ended 31 March 2013.

Summary of audit differences

Our work identified a number of changes to the narrative and presentation of the financial statements and supporting notes which have been corrected by management. The main changes are set out below.

Amendments to the narrative and presentation of the Pension Fund financial statements and accounts

Description and conclusion

- ▶ Note 15.7 – omission from table of one fund exceeding 5% of total net assets and removal of one fund not exceeding 5%
 - ▶ Note 23 – related parties - clarification of wording of where the reader access to officer remuneration information in the Council's financial statements: 'The relevant senior officers in the financial management of Merton Pension Fund are the Director of Corporate Services. They are remunerated by Merton Council as the administering authority. They are not paid directly by the Merton Pension Fund. Further information on remuneration is available within the financial statements of Merton Council.'
-

We have not identified any differences that management have not corrected.

Subsequent to our review, the Finance team also amended the analysis of financial instruments in Note 16 to the financial statements to ensure consistency with the disclosures in Merton Council's accounts. These amendments were presented to the General Purposes Committee on 26 September 2013. These did not change the Fund Account or Net Assets Statement. We reviewed and accepted these changes.

8. Independence confirmation: update

We confirm there are no changes in our assessment of independence since our confirmation in our Audit planning report dated 12 April 2013. We complied with the Ethical Standards for Auditors and the requirements of the Standing Guidance and in our professional judgement the firm is independent, and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We consider that our independence in this context is a matter that should be reviewed by both you and us. It is therefore important that you consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the General Purposes Committee on 26 September 2013. No issues were raised at that meeting.

Derivative Financial Instruments

We confirm that all investments in derivative financial instruments have been made after due consideration by the Pension Fund Committee of the limitations in their use imposed by The Occupational Pension Schemes (Investment) Regulations 2005; namely that they contribute to a reduction in scheme risk, facilitate efficient portfolio management, and that any such investment has been made so as to avoid excessive risk exposure to a single counterparty and to other derivative operations. The Pension Fund's statement of investment principles has been duly reviewed to ensure that such investments comply with any limitations imposed by its provisions.

The financial statements disclose all transactions in derivative financial instruments that have been entered into during the period, those still held by the trustees at the scheme year end and the terms and conditions relating thereto.

The trustees have duly considered and deemed as appropriate the assumptions and methodologies used in the valuation of 'over the counter' derivative financial instruments which the Pension Fund is holding, and these have been communicated to you.
