1 PURPOSE OF REPORT AND EXECUTIVE SUMMARY

- 1.1 To ensure that HWBB are sighted on the statutory Safeguarding Children Board's annual report and that all departments continue to work together to ensure children and young people in Merton are effectively safeguarded.

2 DETAILS

- 2.1 The MSCB annual report 2016/17 is produced on behalf of the safeguarding partnership involving all key agencies and supports the council and the Chair of the MSCB in assuring local arrangements.
- 2.2 The questions that the Board is continuously seeking to answer are:
 - Is there evidence that the right standards, policies, guidance, procedures, protocols are in place?
 - Is there good evidence that these are being implemented and applied consistently?
 - What impact/difference does this make in keeping Merton children and young people safe from harm and ensuring that their well-being is supported?
- 2.3 The report shows how the work we are doing as the MSCB seeks to answer these questions. The Board's strengths are identified as:
 - The MSCB is a mature partnership that is open to learning and challenge
 - Senior representation and engagement from agencies
 - A relentless focus on working together to keep children safe
 - A strong performance focus including the annual QA process
 - Annual conference and comprehensive training programme

- An improved connection between the Board and frontline practitioners which has and will continue to improve; this includes the Board's responsiveness to and influence on multi- agency frontline practice
- The Board has clear priorities and the work programme has been aligned to support their delivery.

2.4 Our agreed areas of focus during 2016-2017 included:

- Think Family
- Supporting Vulnerable Adolescents
- Early Help

With neglect as a cross-cutting theme throughout these priorities.
