Subject: Fw: Eastern Electrics Festival - Morden

To whom it may concern,

I would like to object to the planned festival taking place over two days in August 2018.

As a resident of Central Road Morden the noise levels were extremely disruptive at this years festival and partygoers spilled out to the residential roads and were there were instances of people urinating in the street.

Access to the tube (which is already overcrowded) was also extremely difficult.

Many thanks

Grace Nunnery
