Lilian Road
Streattham
S.W. 16

To whom it may concern
We have lived in Lilian
Road for 43 years and
seen a lot of Land Lords
come and go in the
Mitcham Mint Pub. But we
have never seen it look
so clean and tidy as it
does now. We never hear
any noise or rows coming
from there it is a pleasure to
walk past if the man or
lady is out side keeping it clean
you always get a cheery hello.
