

Education Innovation Fund

This Council calls on Cabinet to look at ways in which a charitable fund could be established to manage revenue coming from an additional voluntary council tax from Band H properties, based on the models used by some other Councils. These monies could be used to establish ~~a charitable fund an Education Innovation Fund~~, to help support the council and partnership's ambition of bridging the gap in the borough, to help mitigate some of the cuts in national education funding since 2010, subject to consultation.
