

Notice is hereby given that a key decision will be taken by the Director of Corporate Services and the Chief Executive on or after 3 July 2019.

STANFORD PRIMARY SCHOOL ASD BASE CONTRACT DECISION

Where a key decision contains exempt information and would be considered in private session a 28 days' notice period, prior to the date of that the decision is required. If this notice period has not been given, then the decision can still be taken by the decision maker, if the provision contained within Rule 18 (Exempt Urgency Procedure) of the Access to Information Procedure Rules Part 4B of the Constitution has been met.

Councillor Southgate in his capacity as Chair of the Overview and Scrutiny Commission has approved the use, of Section 18 - Exempt Urgency procedures for this decision.

The report provides details of the Tendering Process to agree to award the construction contract to enable the opening of an ASD (Autistic Spectrum Disorder) Base at Stanford Primary school.

The reason for urgency is that a decision is needed to progress with the programme for implementation of the 'Additional Resource Provision' (ARP) for children with ASD (Autistic Spectrum Disorder) and delaying for a further 28 days would impact on that programme.

The item is exempt due to Access to Information Rules, Part 4B section 3: information relating to the financial or business affairs of any particular person (including the authority holding that information).
