Public Sector Audit Appointments Ltd (PSAA) have issued a 'Statement of responsibilities of auditors and audited bodies'. It is available from the Chief Executive of each audited body and via the PSAA website (www.psa.co.uk). It is available from the Chief Executive of each audited body and via the PSAA website.

This Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The 'Terms of Appointment (updated April 2018)' issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities / Terms and Conditions of Engagement. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Executive Summary

Executive Summary

Scope update

In our Audit Plan presented at the 14 March 2019 Standards and General Purposes Committee meeting, we provided you with an overview of our audit scope and approach for the audit of the financial statements. We carried out our audit in accordance with this plan, with the following exception:

- Changes in materiality: We updated our planning materiality assessment using the draft financial statements. Based on our materiality measure of gross expenditure on provision of services, we have updated our overall materiality assessment to £7.2m (Audit Planning Report – £6.6m). This results in updated performance materiality, at 75% of overall materiality, of £5.4m, and an updated threshold for reporting misstatements of £360,000.

Status of the audit

We have substantially completed our audit of the Pension Fund's financial statements for the year ended 31 March 2019 and have performed the procedures outlined in our Audit Plan. Subject to satisfactory completion of the following items we expect to issue an unqualified opinion on Merton Pension Fund's financial statements in the form which appears at Section 3.

Completion of subsequent events review.

Receipt of the signed management representation letter.

Final review of the amended financial statements and annual report.

A national issue has resulted in a relatively late change to the pension fund accounts and IAS26 fund liability disclosure. It relates to legal rulings regarding age discrimination arising from public sector pension scheme transitional arrangements, commonly described as the McCloud ruling. The draft pension fund accounts did not recognise this matter, but officers were aware of the issue and intended to disclose it as a contingent liability. However, since the year-end there has been additional evidence, including the legal ruling by the Supreme Court on 27th June 2019 which rejected the Government's appeal, which suggested that the amounts should in fact be able to be fully calculated and so included in the IAS26 liability disclosed within the financial statements. We consider the impact of this on the financial statements further in Section 4.

Audit differences

Some disclosure changes have been made to both the financial statements and annual report, including changes made by the Fund to Note 14.3 of the draft financial statements, which reconciles movements in investments during the year. Full details of audit differences are set out in Section 4.

Executive Summary

Areas of audit focus

Our Audit Plan identified key areas of focus for our audit of Merton Pension Fund's financial statements. This report sets out our observations and conclusions, including our views on areas which might be conservative, and where there is potential risk and exposure. We summarise our consideration of these matters, and any others identified, in the "Key Audit Issues" section of this report.

We ask you to review these and any other matters in this report to ensure:

- There are no other considerations or matters that could have an impact on these issues
- You agree with the resolution of the issue
- There are no other significant issues to be considered.

There are no matters, apart from those reported by management or disclosed in this report, which we believe should be brought to the attention of the Standards and General Purposes Committee.

Page 29

Control observations

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements and which is unknown to you.

Other reporting issues

We have no other matters to report.

Independence

Please refer to Section 7 for our update on Independence. There are no relationships from 1 April 2018 to the date of this report, which we consider may reasonably be thought to bear on our independence and objectivity.

02 Areas of Audit Focus

Areas of Audit Focus

Significant risk

Risk of manipulation of Investment income and valuation

What is the risk?

As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.

We assessed that the risk of manipulation of investment income and valuation through management override of controls was most likely to affect investment income and assets in the year, specifically through journal postings.

Pages
30

What did we do and what judgements did we focus on?

- Tested journals at year-end to ensure there are no unexpected or unusual postings;
- Undertook a review of reconciliations to the fund manager and custodian reports and investigated any reconciling differences;
- Re-performed the detailed investment note using the reports we have acquired directly from the custodians or fund managers, including the agreement of investment additions and disposals in the year;
- Sought to obtain further independent support for the valuation of pooled year-end investments where this can be obtained;
- Checked the reconciliation of holdings included in the Net Assets Statement back to the source reports; and
- Reviewed accounting estimates for evidence of management bias,

We utilised our data analytics capabilities to assist with our work, including journal entry testing. We assessed journal entries for evidence of management bias and evaluated for business rationale.

What are our conclusions?

We have not identified any material weaknesses in controls or evidence of material management override. We have not identified any instances of inappropriate judgements being applied. We did not identify any other transactions during our audit which appeared unusual or outside the Pension Fund's normal course of business.

Areas of Audit Focus

Other area of audit focus

IFRS 9 Financial instruments

What is the risk?

A new accounting standard , IFRS 9, is applicable for pension fund accounts from the 2018/19 financial year. This impacts:

- How financial assets are classified and measured;
- How the impairment of financial assets are calculated; and
- The disclosure requirements for financial assets.

Page 34

What did we do and what management judgements did we focus on?

We:

- Assessed the Fund's implementation arrangements considering application of the new standard, transitional adjustments and planned accounting for 2018/19;
- Considered the classification and valuation of financial instrument assets;
 - Reviewed the new expected credit loss model impairment calculations for assets; and
 - Checked additional disclosure requirements.

What are our conclusions?

The transition to IFRS 9 did not have a significant impact on the classification, measurement or impairment of Fund financial assets. Our work identified some minor changes to the disclosure of financial assets which have been made in the updated financial statements.

Areas of Audit Focus

Other area of audit focus

London Collective Investment Vehicle (LCIV)

What is the risk?

During the year the Fund terminated most of the investments it held at the start of the year and reinvested funds both inside and outside of LCIV. This resulted in significant changes to the fund managers and custodian used by the Fund and has resulted in an increase in the number of fund managers and custodians employed compared to previous periods.

What did we do and what management judgements did we focus on?

We:

- Considered and documented an understanding of the revised arrangements, including the Fund's arrangements with LCIV. A highly material value of Funds is now invested in the London CIV, exclusively in pooled funds.
- Obtained further independent support for the valuation of pooled Investments at year-end where this was possible.

What are our conclusions?

We are satisfied that the Funds were transferred into LCIV in accordance with the Fund's investment strategy and that new fund manager and custodian arrangements are in place. LCIV offer a number of investments to individual members of the CIV. LCIV acts as the fund manager in respect of all of the investments it offers. It, however, delegates management of the individual funds through sub-contracting arrangements to other fund managers acting on its behalf. Merton Pension Fund continues to determine the specific LCIV funds in which it invests. As the Fund continues to exercise this control we have determined LCIV is acting as an agent in terms of the services provided to the Fund.

We were able to agree the year end carrying value of LCIV investments to independent confirmation from the sub-contracted fund managers, the custodian (via the online LCIV portal) and independent market evidence where possible. The change in investment holdings and investment in LCIV has generated additional work for Fund officers and has taken more time and resource to gain audit assurance. We therefore propose to charge an additional fee, subject to Public Sector Audit Appointments agreement, in respect of this.

Some changes have also been made by the Fund to Note 14.3 of the draft financial statements, which reconciles movements in investments during the year.

Our opinion on the financial statements

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MERTON PENSION FUND

Opinion

We have audited the pension fund financial statements for the year ended 31 March 2019 under the Local Audit and Accountability Act 2014. The pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes 1 to 24. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2018/19.

In our opinion the pension fund financial statements:

- give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2019 and the amount and disposition of the fund's assets and liabilities as at 31 March 2019; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2018/19.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the pension fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the Comptroller and Auditor General's (C&AG) AGN01, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Director of Corporate Services' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Director of Corporate Services has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the pension fund's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our opinion on the financial statements

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Director of Corporate Services is responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we report by exception

We report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Audit Report

Draft audit report

Our opinion on the financial statements

Responsibility of the Director of Corporate Services

As explained more fully in the Statement of the Responsibilities set out on page 170, the Director of Corporate Services is responsible for the preparation of the Authority's Statement of Accounts, which includes the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2018/19, and for being satisfied that they give a true and fair view.

In preparing the financial statements, the Director of Corporate Services is responsible for assessing the Pension Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Pension Fund either intends to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the members of Merton Pension Fund, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Fund and the Fund's members as a body, for our audit work, for this report, or for the opinions we have formed.

04 Audit Differences

Audit Differences

In the normal course of any audit, we identify misstatements between amounts we believe should be recorded in the financial statements and the disclosures and amounts actually recorded. These differences are classified as “known” or “judgemental”. Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

Summary of adjusted differences

We highlight any misstatements greater than £5.4 million which have been corrected by management during the course of our audit. There are no corrected differences we wish to bring to your attention.

We report to you any uncorrected misstatements greater than our nominal value of £360,000. There are no uncorrected misstatements to bring to your attention.

Page 38

McCloud ruling

As noted in the Executive Summary a national issue has resulted in a relatively late change to the pension fund accounts and IAS26 fund liability disclosure. It relates to legal rulings regarding age discrimination arising from public sector pension scheme transitional arrangements, commonly described as the McCloud ruling. The draft pension fund accounts did not recognise this matter, but officers were aware of the issue and intended to disclose it as a contingent liability. However, since the year-end there has been additional evidence, including the legal ruling by the Supreme Court on 27th June 2019 which rejected the Government’s appeal, which suggested that the amounts should in fact be able to be fully calculated and so included in the IAS26 liability disclosed within the financial statements. The actuary has now estimated the impact of the McCloud ruling on the present value of promised retirement benefits. The estimated increase in value of £7.1 million has now been disclosed at Note 19 to the accounts, with further associated disclosure added to recognise this as a source of estimation uncertainty and post balance sheet event.

05 Other reporting issues

Other reporting issues

Consistency of other information published with the financial statements.

We must give an opinion on the consistency of the financial and non-financial information in the Statement of Accounts 2018/19 with the audited financial statements.

Financial information in the Statement of Accounts 2018/19 and published with the financial statements was consistent with the audited financial statements.

Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Authority to consider it or to bring it to the attention of the public (i.e. "a report in the public interest"). We did not identify any issues which required us to issue a report in the public interest.

We also have a duty to make written recommendations to the Authority, copied to the Secretary of State, and take action in accordance with our responsibilities under the Local Audit and Accountability Act 2014. We did not identify any issues.

Other reporting issues

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of Merton Pension Fund's financial reporting process. They include the following:

- Significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures;
 - Any significant difficulties encountered during the audit;
 - Any significant matters arising from the audit that were discussed with management;
 - Written representations we have requested;
 - Expected modifications to the audit report;
 - Any other matters significant to overseeing the financial reporting process;
- Page 41

We have nothing to report in respect of these matters.

Assessment of Control Environment

Assessment of Control Environment

Financial controls

It is the responsibility of the Pension Fund to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Pension Fund has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

As part of our audit of the financial statements, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. As we have adopted a fully substantive approach, we have therefore not tested the operation of controls.

Although our audit was not designed to express an opinion on the effectiveness of internal control we are required to communicate to you significant deficiencies in internal control.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

Independence

Confirmation

We confirm that there are no changes in our assessment of independence since our confirmation in our audit planning report dated March 2018. We complied with the FRC Ethical Standards and the requirements of the PSAA's Terms of Appointment. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We consider that our independence in this context is a matter which you should review, as well as us. It is important that you consider the facts known to you and come to a view. If you would like to discuss any matters concerning our independence, we will be pleased to do this.

We confirm we have undertaken no non-audit work outside the PSAA Code requirements.

The FRC Ethical Standard requires that we provide details of all relationships between Ernst & Young (EY) and your Pension Fund, and its directors and senior management and its affiliates, including all services provided by us and our network to your Pension Fund, its directors and senior management and its affiliates, and other services provided to other known connected parties that we consider may reasonably be thought to bear on the our integrity or objectivity, including those that could compromise independence and the related safeguards that are in place and why they address the threats.

There are no relationships from 1 April 2018 to the date of this report, which we consider may reasonably be thought to bear on our independence and objectivity.
