And then additional costs to finalise due to additional childrare needs that arise. A church, community hall or other should now be the revised polling station for this area/community. 1 am not happy when school needs to be closed to be used as polling station. 1 think it's not teal to close a school longing day. The parents of the pupils find this very hard to arrange childcare. Surely a church/church hall would be much more suitable. The parking around the school is terrible as well so it's not easy for people to get to. Na As a parent of children attending this school, I with the council to find an alternative venue to be used instead of the school. This is because of the disruption to working families and the children since the school has been closed on 2 separate days to a fir 2015; these working the endormal disruption to working families and the children since the school has been closed on 2 separate days to a fir a 2015; these working the endormal disruption to working families and the children since the school has been closed on 2 separate days to a fir a 2015; these working the working children days the school on the parking around the school in teach in the school in the school in teaching the school in particular when many others are not affected at I. Can the council consider an alternative wenue, or consider re-defining the polling work/district council of the central discriment of veters to other polling station locatios? For example the central Ward district council gradient and type releases of the apprivation of the school on the toping station actions? For example the central Ward district council gradient and if your conventions of the parking apprivations? The apprivation of Maters in the center and there are end and the apprivation and its toping station actions?
