

## COUNCIL MEETING – 5<sup>th</sup> February 2020 NOTICE OF MOTION

This council supports the government's proposed £500 million investment in the Merton, Sutton and Surrey Downs Clinical Commissioning Groups, as long as that includes the retention of accident and emergency, maternity and all existing services at St Helier hospital in order to protect the interests of the most disadvantaged residents living in the catchment area.

Motion now to read:

This council supports the government's proposed £500 million investment in the Merton, Sutton and Surrey Downs Clinical Commissioning Groups, as long as that includes the retention of accident and emergency, maternity and all existing services at St Helier hospital in order to protect the interests of the most disadvantaged residents living in the catchment area.
