

# Merton Pension Fund

## Audit planning report

Year ended 31 March 2020

27 February 2020

Standards and General Purposes Committee

27 February 2020

Dear Committee Members

**Merton Pension Fund - Audit planning report**

We are pleased to attach our Audit Plan which sets out how we intend to carry out our responsibilities as your auditor of the Merton Pension Fund (the 'Fund'). Its purpose is to provide the Standards and General Purposes (S&GP) Committee with a basis to review our proposed audit approach and scope for the 2019/20 audit in accordance with the requirements of the Local Audit and Accountability Act 2014, the National Audit Office's 2015 Code of Audit Practice, the Statement of Responsibilities issued by Public Sector Audit Appointments (PSAA) Ltd, auditing standards and other professional requirements. It is also to ensure that our audit is aligned with the Committee's service expectations.

This plan summarises our initial assessment of the key risks driving an effective audit for the Pension Fund, and outlines our planned audit strategy in response to them. We will update the Committee if we identify any further risks during the year. This report is intended solely for the information and use of the S&GP Committee and management, and is not intended to be, and should not be, used by anyone other than these specified parties.

We welcome the opportunity to discuss this report with you on 12 March 2020 and to understand whether there are other matters which you consider may influence our audit.

Yours faithfully

Suresh Patel

Associate Partner

For and on behalf of Ernst & Young LLP

# Contents

In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued "Statement of responsibilities of auditors and audited bodies". It is available from the via the PSAA website ([www.PSAA.co.uk](http://www.PSAA.co.uk)). The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas. The "Terms of Appointment (updated April 2018)" issued by the PSAA sets out additional requirements with which auditors must comply, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature. This report is made solely to the S&GP Committee and management of Merton Pension Fund in accordance with the statement of responsibilities. Our work has been undertaken so that we can state to the Standards and General Purposes (S&GP) Committee, and management of Merton Pension Fund, those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the S&GP Committee and management of Merton Pension Fund for this report or for the opinions we have formed. It should not be provided to any third party without our prior written consent.

01

# Overview of our 2019/20 audit strategy

## Overview of our 2019/20 audit strategy

The following 'dashboard' summarises the significant accounting and auditing matters outlined in this report. It seeks to provide the S&GP Committee with an overview of our initial risk identification for the upcoming audit and any changes in risks identified in the current year.

### Audit risks

Risk	Risk identified	Change from PY	Details
Misstatement due to Fraud or Error - Posting of investment journals	Fraud risk	No change in risk or focus	There is a risk that, due to fraud or error, investment journals posted into the general ledger are incorrect.
Risk of incorrect valuation and related accounting treatment in relation to the Fund's new currency hedge instrument	Significant risk	New risk	In December 2019 the Fund signed an agreement to enter into a US& Euro currency hedge. Based on our discussions with officers there is uncertainty over the valuation and accounting treatment of this new, unusual (relative to the fund's previous investment portfolios) and high value financial instrument which will require the involvement of a third party to support management's valuation assertion and its accounting treatment in the 1920 pension fund accounts.

In addition to the risks and areas of focus, we will also take into consideration the steps taken by the Fund to consider the impact of EU Exit on its preparation of the accounts, including any significant changes in the valuation of assets post EU Exit. We anticipate that pension funds will be carrying out scenario planning to assess the funding strategy and to manage the Fund during the transition period and thereafter.

### Materiality

Planning materiality	Performance materiality	Audit differences
Our planning materiality represents 1% of the prior year's net assets, consistent year on year.	Performance materiality represents 75% of planning materiality and is the top of our range, consistent year on year.	We will report all uncorrected misstatements relating to the primary statements (net asset statement and fund account) greater than £0.360m. We will communicate other misstatements to the extent that they merit the attention of the S&GP Committee
£7.2m	£5.4m	£0.360m

# Overview of our 2019/20 audit strategy

## Audit scope

This Outline Audit Plan covers the work that we plan to perform to provide you with:

- Our audit opinion on whether the financial statements of Hillingdon Pension Fund give a true and fair view of the financial position as at 31 March 2020 and of the income and expenditure for the year then ended.

Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

When planning the audit we take into account several key inputs:

- Strategic, operational and financial risks relevant to the financial statements;
- Developments in financial reporting and auditing standards;
- The quality of systems and processes;
- Changes in the business and regulatory environment; and,
- Management's views on all of the above.

By considering these inputs, our audit is focused on the areas that matter and our feedback is more likely to be relevant to the Pension Fund.

In addition to the above, we also perform procedures in relation to the IAS 19 report for London Borough of Merton. Our work specifically focuses on gaining assurance that the data submitted to the actuary agrees to the Pension Fund's systems. For 2019/20 this work will carry out specific procedures relating the data submitted to inform the triennial valuation of the fund.

Taking the above into account, and as articulated in this audit plan, our professional responsibilities require us to independently assess the risks of providing an audit opinion and undertake appropriate procedures in response to that. Our Terms of Appointment with Public Sector Audit Appointments (PSAA) allow them to vary the fee dependent on 'the auditors assessment of risk and the work needed to meet their professional responsibilities'. PSAA are aware that the setting of scale fees has not kept up to date with the changing requirements of external audit with increased focused on, for example, pension obligations and management judgements. Therefore to the extent any of these are relevant in the context of Merton Pension Fund's audit we will discuss with management as to the impact on the scale fee.

## Audit risks

## Audit risks

### Our response to significant risks

We have set out the significant risks (including fraud risks denoted by\*) identified for the current year audit along with the rationale and expected audit approach. The risks identified below may change to reflect any significant findings or subsequent issues we identify during the audit.

Misstatement due to Fraud or Error - Posting of investment journals\*

#### What is the risk?

As identified in ISA (UK) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.

There is a specific risk that, due to fraud or error, investment journals posted into the general ledger are incorrect, which could result in a misstatement of year-end investment value and/or investment income.

#### What will we do?

Our approach will focus on testing the appropriateness of manual journal entries recorded in the general ledger related to investments and ensuring that:

- ▶ The amount is consistent with the fund manager/custodian report;
- ▶ Correct authorisations have been obtained;
- ▶ The transactions are in the normal course of business or, if they are outside of the normal course, the business rationale will be requested and assessed for reasonableness.

### Our response to significant risks (continued)

Risk of incorrect valuation and accounting in relation to the US currency hedge

#### Financial statement impact

We have assessed that the risk of incorrectly valuing this investment is high as a level 3 investment held by the pension fund.

In addition, at the date of drafting this plan officers were unclear of the associated year end accounting treatment.

#### What is the risk?

The Fund's investments for 1920 include a US & Euro currency hedge with an initial value of approximately £100m. The Fund has appointed an asset manager to manage the investment.

A hedge is a derivative and is likely to be classified as a level 3 investment. Whilst there are other LPGS funds using currency hedges they are not common and for Merton Pension Fund represent a new form of investment. The Fund will use judgements made by the asset manager to value the investment at the year end. The material nature of the investment means that any error in judgement could result in a material valuation error.

At the date of drafting this plan officers were unclear of the associated year end accounting treatment. There is therefore a risk that the Fund accounts could be materially misstated.

#### What will we do?

We will:

- ▶ Assess the competence of management's asset manager;
- ▶ Engage our EY specialist derivative valuation team to review the Fund's year end valuation of the investment
- ▶ Review the Fund's year end accounting treatment with the requirements of the CIPFA Accounting Code

03

## Audit materiality

## Materiality

### Materiality

For planning purposes, we have set planning materiality for 2019/20 at £7.2m. This represents 1% of the Pension Fund's prior year net assets. We will reassess this throughout the audit process. We have provided supplemental information about audit materiality in Appendix C.

Page 33

Net assets  
**£721m**

Planning  
materiality  
**£7.2m**

Performance  
materiality  
**£5.4m**

Audit  
differences  
**£0.360m**

We request that the S&GP Committee confirm their understanding of, and agreement to, these materiality and reporting levels.

### Key definitions

**Planning materiality** - the amount over which we anticipate misstatements would influence the economic decisions of a user of the financial statements.

**Performance materiality** - the amount we use to determine the extent of our audit procedures. We have set performance materiality at 75% of planning materiality, consistent year on year.

**Audit difference threshold** - we propose that misstatements identified below this threshold are deemed clearly trivial. We will report to you all uncorrected misstatements over this amount relating to the fund account and net asset statement. This was calculated as 5% of planning materiality, which is consistent year on year.

Other uncorrected misstatements, such as reclassifications and misstatements in the disclosures, and corrected misstatements will be communicated to the extent that they merit the attention of the S&GP Committee, or are important from a qualitative perspective.

# 04

## Scope of our audit

# Scope of our audit

## Objective and Scope of our Audit scoping

Under the Code of Audit Practice our principal objectives are to review and report on the Pension Fund's financial statements to the extent required by the relevant legislation and the requirements of the Code. We issue an audit report that covers:

### Financial statement audit

Our objective is to form an opinion on the financial statements under International Standards on Auditing (UK and Ireland). We also perform other procedures as required by auditing, ethical and independence standards, the Code and other regulations. We outline below the procedures we will undertake during the course of our audit.

### Procedures required by standards

- Addressing the risk of fraud and error; Significant disclosures included in the financial statements; Entity-wide controls;
- Reading other information contained in the financial statements and reporting whether it is inconsistent with our understanding and the financial statements; and Auditor independence.

### Procedures required by the Code

Reviewing, and reporting on as appropriate, other information published with the financial statements.

## Audit Process Overview

Our audit involves:

- ▶ Identifying and understanding the key processes and internal controls; and
- ▶ Substantive tests of detail of transactions and amounts.

For 2019/20 we plan to follow a substantive approach to the audit, as we have concluded this is the most efficient way to obtain the level of audit assurance required to conclude that the financial statements are not materially misstated.

### Analytics:

We will use our analytics tools to enable us to capture whole populations of your financial data, in particular journal entries. These tools:

- ▶ Help identify specific exceptions and anomalies which can then be subject to more traditional substantive audit tests; and
- ▶ Give greater likelihood of identifying errors than random sampling techniques.

We will report the findings from our process and analytics work, including any significant weaknesses or inefficiencies identified and recommendations for improvement, to management and the S&GP Committee.

### Internal audit:

We will meet regularly with the Head of Internal Audit, and review internal audit plans and the results of the team's work. We will reflect any findings in our audit plan, where they raise issues that could have an impact on the financial statements.

05

## Audit timeline

## Audit timeline

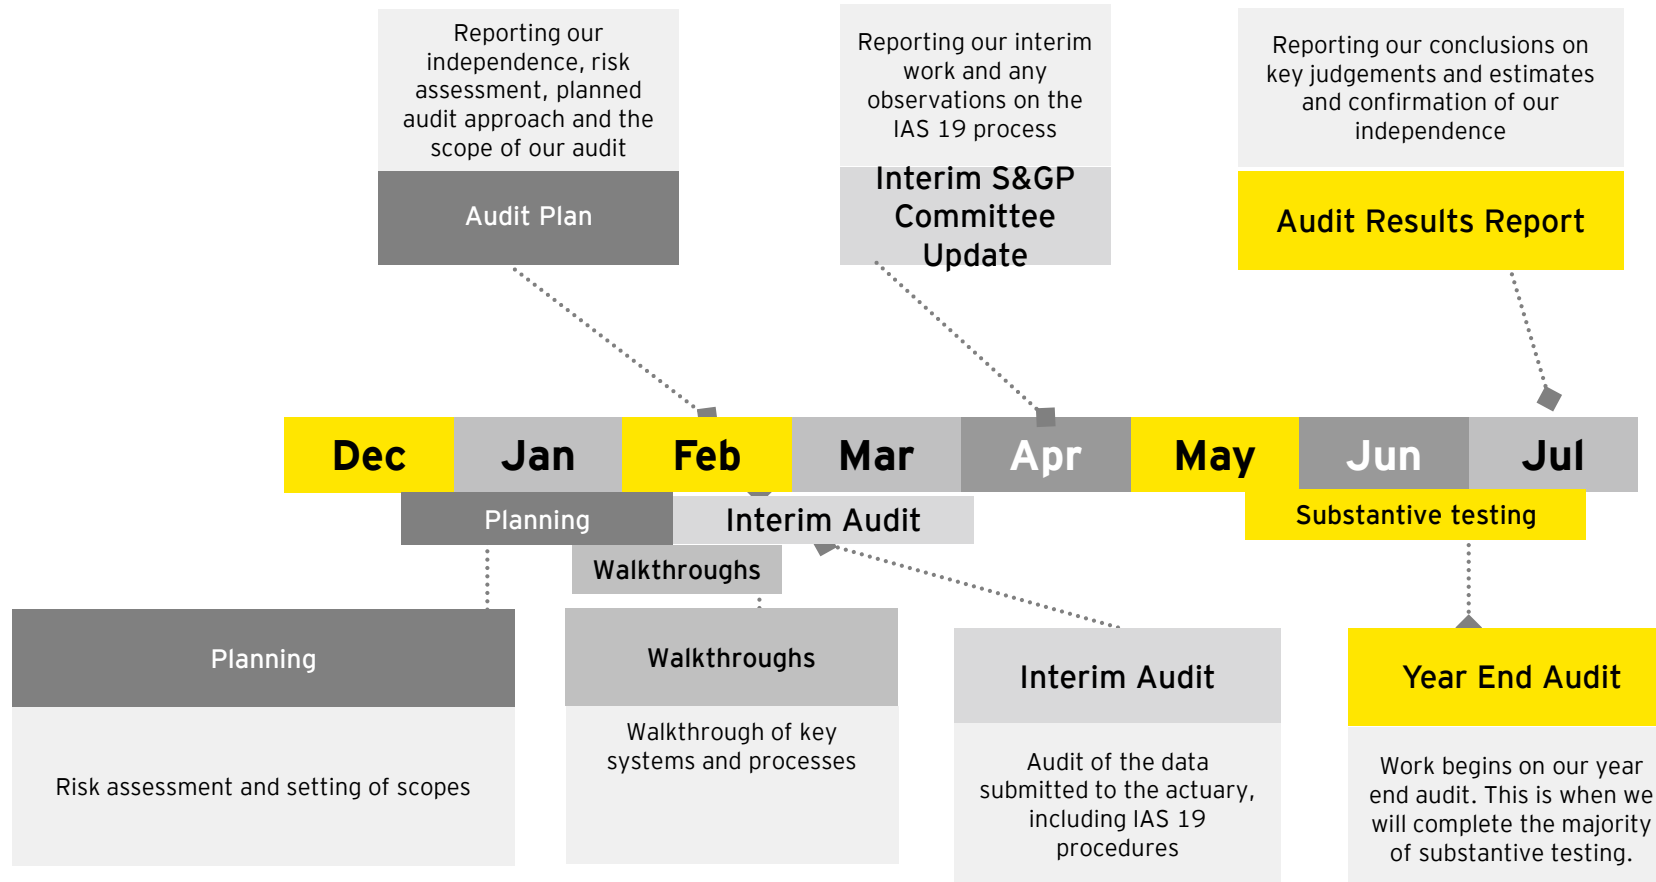

# Timetable of communication and deliverables

### Timeline

Below is an indicative timetable showing the key stages of the audit and the deliverables to provide to you through the audit cycle in 2019/20. The timeline will be agreed with the officers at the earliest convenience. If things change significantly we will inform officers and the Committee promptly.

From time to time matters may arise that require immediate communication with the S&GP Committee and we will discuss them with the Chair as appropriate. We will also provide updates on corporate governance and regulatory matters as necessary.

Page 37

Page 38

06

## Independence

## Introduction

The FRC Ethical Standard and ISA (UK) 260 “Communication of audit matters with those charged with governance”, requires us to communicate with you on a timely basis on all significant facts and matters that bear upon our integrity, objectivity and independence. The Ethical Standard, as revised in June 2016, requires that we communicate formally both at the planning stage and at the conclusion of the audit, as well as during the course of the audit if appropriate. The aim of these communications is to ensure full and fair disclosure by us to those charged with your governance on matters in which you have an interest.

Required communications	
Planning stage	Final stage
<p>▶ Any principal threats to objectivity and independence identified by Ernst &amp; Young (EY) including consideration of all relationships between the you, your affiliates and directors and us;</p> <p>▶ The safeguards adopted and the reasons why they are considered to be effective, including any Engagement Quality review;</p> <p>▶ The overall assessment of threats and safeguards;</p> <p>▶ Information about the general policies and process within EY to maintain objectivity and independence.</p>	<p>▶ In order for you to assess the integrity, objectivity and independence of the firm and your audit team, we must provide a written disclosure of relationships (including the provision of non-audit services) that may bear on our integrity, objectivity and independence. This is required to consider relationships with the Council, its directors and senior management, its affiliates, and its connected parties and any threats to integrity or objectivity, including those that could compromise independence. We are also required to disclose any safeguards that we have, and why they address such threats, together with any other information necessary to enable our objectivity and independence to be assessed;</p> <p>▶ Details of non-audit services provided and the fees charged for them;</p> <p>▶ Written confirmation that all team members are independent;</p> <p>▶ Details of any inconsistencies between FRC Ethical Standard and your policy for the supply of non-audit services by EY and any apparent breach of that policy;</p> <p>▶ Details of any contingent fee arrangements for non-audit services provided by us or our network firms; and</p> <p>▶ An opportunity to discuss auditor independence issues.</p>

During the audit, we must communicate with you whenever any significant judgements are made about threats to objectivity and independence and the appropriateness of any necessary safeguards, for example, when accepting an engagement to provide non-audit services.

We also provide information on any contingent fee arrangements, the amounts of any future services that have been contracted, and details of any written proposal to provide non-audit services.

We ensure that the total amount of fees that EY and our network firms have charged for the provision of services during the reporting period are disclosed.

## Relationships, services and related threats and safeguards

We highlight the following significant facts and matters that may be reasonably considered to bear upon our objectivity and independence, including the principal threats, if any. We have adopted the safeguards noted below to mitigate these threats along with the reasons why they are considered to be effective. However we will only perform non-audit services if the service has been pre-approved in accordance with your policy.

### Overall Assessment

Overall, we consider that the safeguards that have been adopted appropriately mitigate the principal threats identified and we therefore confirm that EY is independent and the objectivity and independence of Suresh Patel, your audit engagement partner and the audit engagement team have not been compromised.

### Self interest threats

A self interest threat arises when EY has financial or other interests in the Fund. Examples include where we receive significant fees in respect of non-audit services; where we need to recover long outstanding fees; or where we enter into a business relationship with you. At the time of writing, there are no long outstanding fees.

We believe that it is appropriate for us to undertake permissible non-audit services and we will comply with the policies that you have approved. None of the services are prohibited under the FRC's ES or the National Audit Office's Auditor Guidance Note 01 and the services have been approved in accordance with your policy on pre-approval. The ratio of non audit fees to audits fees is not permitted to exceed 70%. At the time of writing, there are no non-audit services provided by us to Pension Fund.

A self interest threat may also arise if members of our audit engagement team have objectives or are rewarded in relation to sales of non-audit services to you. We confirm that no member of our audit engagement team, including those from other service lines, has objectives or is rewarded in relation to sales to you, in compliance with Ethical Standard part 4. There are no other self interest threats at the date of this report.

### Self review threats

Self review threats arise when the results of a non-audit service performed by EY or others within the EY network are reflected in the amounts included or disclosed in the financial statements. There are no self review threats at the date of this report.

### Management threats

Partners and employees of EY are prohibited from taking decisions on behalf of management of the Fund. Management threats may also arise during the provision of a non-audit service in relation to which management is required to make judgements or decision based on that work. There are no management threats at the date of this report.

### Other threats

Other threats, such as advocacy, familiarity or intimidation, may arise. There are no other threats at the date of this report.

## Other communications

### EY Transparency Report 2019

Ernst & Young (EY) has policies and procedures that instil professional values as part of firm culture and ensure that the highest standards of objectivity, independence and integrity are maintained.

Details of the key policies and processes in place within EY for maintaining objectivity and independence can be found in our annual Transparency Report which the firm is required to publish by law. The most recent version of this Report is for the year ended 1 July 2019 and can be found here:

[https://www.ey.com/en\\_uk/who-we-are/transparency-report-2019](https://www.ey.com/en_uk/who-we-are/transparency-report-2019)

# 07

## Appendices

## Appendix A

### Fees

The duty to prescribe fees is a statutory function delegated to Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Communities and Local Government. PSAA has published a scale fee for all relevant bodies. This is defined as the fee required by auditors to meet statutory responsibilities under the Local Audit and Accountability Act 2014 in accordance with the NAO Code, the financial reporting requirements set out in the Code of Practice on Local Fund Accounting published by CIPFA/LASAAC, and the professional standards applicable to auditors' work.

	Planned fee 2019/20	Final Fee 2018/19
	£	£
Scale Fee - Code work (1)	16,170	16,170
Additional fee relating to new LCIV arrangements	-	2,000
Additional fee new significant risk relating to US currency hedge (2)	1,000-5,000	-
Additional fee for work on the 2019 triennial valuation of the Fund that has yet to be determined and agreed by PSAA (3)	TBC	-
Total indicative Pension Fund fee	TBC	18,170

The agreed fee presented is based on the following assumptions:

- ▶ Officers meeting the agreed timetable of deliverables;
- ▶ Our accounts opinion being unqualified;
- ▶ Appropriate quality of documentation is provided by the Pension Fund; and
- ▶ The Pension Fund has an effective control environment.

If any of the above assumptions prove to be unfounded, we will seek a variation to the agreed fee. This will be discussed with the Pension Fund in advance.

#### *All fees exclude VAT*

1. For 2019/20 the scale fee may be impacted by a range of factors (see page 7), which we will update the Committee on, as the audit progresses
2. The extent of our additional audit procedures will depend on the information that the Fund provides in support of its year end valuation and accounting treatment. We include an indicative range.
3. For 2019/20 we will need to undertake some further work to gain assurance over the 2019 triennial valuation of the Fund. The triennial valuation informs both the assessment of the IAS19 liabilities in the Council's financial statements and the actuarial present value of promised retirement benefits in the Pension Fund financial statements. We will update the Committee with further details of the additional fee in due course.

## Appendix B

# Required communications with the S&GP Committee

We have detailed the communications that we must provide to the Audit Committee.

Our Reporting to you		
Required communications	 What is reported?	  When and where
Terms of engagement	Confirmation by the S&GP Committee of acceptance of terms of engagement as written in the engagement letter signed by both parties.	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Our responsibilities	Reminder of our responsibilities as set out in the engagement letter	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Planning and audit approach	Communication of the planned scope and timing of the audit, any limitations and the significant risks identified. When communicating key audit matters this includes the most significant risks of material misstatement (whether or not due to fraud) including those that have the greatest effect on the overall audit strategy, the allocation of resources in the audit and directing the efforts of the engagement team	Audit planning report - February 2020
Significant findings from the audit	<ul style="list-style-type: none"> <li>▶ Our view of the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures</li> <li>▶ Any significant difficulties encountered during the audit</li> <li>▶ Any significant matters arising from the audit which were discussed with management</li> <li>▶ Written representations we have requested</li> <li>▶ Expected modifications to the audit report</li> <li>▶ Any other matters significant to the oversight of the financial reporting process</li> </ul>	Audit results report - July 2020

## Appendix B

# Required communications with the S&GP Committee (continued)

		 Our Reporting to you
Required communications	 What is reported?	 When and where
Going concern  Financial statements	Events or conditions identified that may cast significant doubt on the entity's ability to continue as a going concern, including: <ul style="list-style-type: none"> <li>▶ Whether the events or conditions constitute a material uncertainty</li> <li>▶ Whether the use of the going concern assumption is appropriate in the preparation and presentation of the financial statements</li> <li>▶ The adequacy of related disclosures in the financial statements</li> </ul>	Audit results report - July 2020
	<ul style="list-style-type: none"> <li>▶ Uncorrected misstatements and their effect on our audit opinion, unless prohibited by law or regulation</li> <li>▶ The effect of uncorrected misstatements related to prior periods</li> <li>▶ A request that any uncorrected misstatement be corrected</li> <li>▶ Corrected misstatements that are significant</li> <li>▶ Material misstatements corrected by management</li> </ul>	Audit results report - July 2020
Fraud	<ul style="list-style-type: none"> <li>▶ Enquiries of the S&amp;GP Committee to determine whether they have knowledge of any actual, suspected or alleged fraud affecting the entity</li> <li>▶ Any fraud that we have identified or information we have obtained that indicates that a fraud may exist</li> <li>▶ A discussion of any other matters related to fraud</li> </ul>	Audit results report - July 2020
Related parties	<ul style="list-style-type: none"> <li>▶ Significant matters arising during the audit in connection with the entity's related parties including, when applicable:</li> <li>▶ Non-disclosure by management</li> <li>▶ Inappropriate authorisation and approval of transactions</li> <li>▶ Disagreement over disclosures, Non-compliance with laws and regulations</li> <li>▶ Difficulty in identifying the party that ultimately controls the entity</li> </ul>	Audit results report - July 2020

## Required communications with the S&GP Committee (continued)

Auditors report	<ul style="list-style-type: none"> <li>▶ Key audit matters which we will include in our auditor's report</li> <li>▶ Any circumstances identified that affect the form and content of our auditor's report</li> </ul>	Audit results report to be presented at the July 2020 S&GP Committee.
Fee Reporting	<ul style="list-style-type: none"> <li>▶ Breakdown of fee information when the audit plan is agreed</li> <li>▶ Breakdown of fee information at the completion of the audit</li> <li>▶ Any non-audit work</li> </ul>	Audit planning report to be presented at the February 2020 S&GP Committee; and Audit results report to be presented at the July 2020 S&GP Committee.

## Additional audit information

### Other required procedures during the course of the audit

In addition to the key areas of audit focus outlined in section 2, we have to perform other procedures as required by auditing, ethical and independence standards and other regulations. We outline the procedures below that we will undertake during the course of our audit.

#### Our responsibilities required by auditing standards

- ▶ Identifying and assessing the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- ▶ Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pension Fund's internal control.
- ▶ Evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Concluding on the appropriateness of management's use of the going concern basis of accounting.
- ▶ Evaluating the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ▶ Obtaining sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Pension Fund to express an opinion on the financial statements. Reading other information contained in the financial statements, including the board's statement that the annual report is fair, balanced and understandable, the S&GP Committee reporting appropriately addresses matters communicated by us to the S&GP Committee and reporting whether it is materially inconsistent with our understanding and the financial statements; and
- ▶ Maintaining auditor independence.

## Appendix C

# Additional audit information (continued)

### Purpose and evaluation of materiality

For the purposes of determining whether the accounts are free from material error, we define materiality as the magnitude of an omission or misstatement that, individually or in the aggregate, in light of the surrounding circumstances, could reasonably be expected to influence the economic decisions of the users of the financial statements. Our evaluation of it requires professional judgement and necessarily takes into account qualitative as well as quantitative considerations implicit in the definition. We would be happy to discuss with you your expectations regarding our detection of misstatements in the financial statements.

Materiality determines the level of work performed on individual account balances and financial statement disclosures.

The amount we consider material at the end of the audit may differ from our initial determination. At this stage, however, it is not feasible to anticipate all of the circumstances that may ultimately influence our judgement about materiality. At the end of the audit we will form our final opinion by reference to all matters that could be significant to users of the accounts, including the total effect of the audit misstatements we identify, and our evaluation of materiality at that date.

## EY | Assurance | Tax | Transactions | Advisory

### About EY

EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. For more information about our organization, please visit [ey.com](https://ey.com).
