

These drawings are for use in the planning process only. All measurements should be checked on site. These plans should not be used for structural calculations or any other engineering purpose.

Re-instate central box projection stone work elements, C1905. Work subject to a detailed condition, implemented (prior to occupation) and based upon requirement to create a reasonable approximation (not an exact replication) based upon available archive materials of position at the suggested point in time e.g. 1905 image below
