### **Recommendations:**

- A. That Members of the Children and Young People Overview and Scrutiny Panel give consideration to the issues and items they may wish to scrutinise as part of their 2014/15 work programme.
- 

### **1. PURPOSE OF REPORT AND EXECUTIVE SUMMARY**

- 1.1 At the beginning of each municipal year, each Overview and Scrutiny body determines the issues it wishes to build into its work programme for the forthcoming year. The Overview and Scrutiny bodies have specific roles relating to budget and business plan scrutiny and performance monitoring, and these should automatically be built into the work programme.
- 1.2 In addition to this, Overview and Scrutiny bodies may choose to build a work programme which involves scrutinising a range of issues through a combination of pre-decision scrutiny items, policy development reviews carried out by task groups, performance monitoring, ongoing monitoring items and follow up to previous scrutiny work. Any call-in work will be programmed into the provisional call-in dates identified in the corporate calendar as required.
- 1.3 Given that each Overview and Scrutiny body has six scheduled meetings over the course of 2014/15 (representing a maximum of 18 hours of scrutiny per year), the key challenge for scrutiny Members is how they can reconcile the competing demands of the range of issues they could choose to (or are required to) scrutinise against the time available.
- 1.4 The remit of the Children and Young People Overview and Scrutiny Panel is as follows:

- Children’s social care, including child protection
- Education, including school standards, special educational needs, the extended schools programme and the healthy schools initiative
- Youth services and youth engagement including the Youth Parliament, young people ‘Not in Education, Employment or Training’
- Youth offending
- Children’s Centres
- The Children’s Trust
