

Children and Young People Work Programme 2020/21

This table sets out the Children and Young People Overview and Scrutiny Panel Work Programme for 2019/20 that was agreed by the Commission at its meeting on 24 June 2020.

This slimmed down work programme has been designed so that it can be regularly reviewed and adjusted during the pandemic. It will be considered at every meeting of the Commission to enable it to respond to issues of concern or to request new pre-decision items ahead of their consideration by Cabinet/Council.

The work programme table shows items on a meeting by meeting basis, identifying the issue under review, the nature of the scrutiny (pre decision, policy development, issue specific, performance monitoring, partnership related) and the intended outcomes.

Chair: Councillor Brenda Fraser

Vice-chair: Cllr Hayley Ormrod
