DISCLAIMER:
CAD data is subject to undetectable alteration, either intentional or unintentional, due to, among other causes, transmission, conversion, media degradation, software error, or human alteration. Accordingly, all such data is provided to the parties for information purposes only and not as a record document. It is the responsibility of the user to compare all data with the record copy of the document(s), which would be in paper or pdf format. In the event there is a conflict between the record document(s) and the data file, the record document(s) shall prevail.
