

FRONT GARDEN FRIENDLY

Merton Garden Streets

Let's make Merton more bee-friendly!

LET'S TURN OUR STREETS GREEN!

From Mitcham to Morden to Merton Park, let's make our streets green

We want to help residents plant up their streets with bee-friendly flowers and shrubs: in front gardens, under street trees, in window boxes, hanging baskets and on top of bike/bin sheds.

Greener streets help reduce urban flooding, keep us cool in hot months, filter pollution, benefits wildlife and improves our wellbeing.

Everyone welcome -- no gardening experience or knowledge required.

To take part, find out if your street is registered via the web site and get in touch with your street coordinator (and get planting!). If it hasn't, register your street at the link on the right to become a street coordinator-- get a few neighbours to join in too.

We can provide some plants and compost to make the scheme accessible to all, but you are encouraged to provide your own.

Small prizes to be won in a number of creative categories.
