Agenda item 7b – Strategic Theme: Main Report

Liberal Democrat Group Amendment to the recommendations within the Strategic Theme Main Report:

Add Recommendation B, as follows:

Acknowledges the 40% affordable housing target, and notes with regret the current rate achieved of 13% and the lack of proposals for using Council owned sites to deliver more affordable housing. Therefore Council requests Cabinet to develop a plan for how affordable housing targets can be achieved, to be presented to Council no later than November 2021.
