

II,

After due consideration of the above application, and in its opinion to meet the licensing objectives of 'the prevention of crime and disorder' and 'the protection of children from harm', Merton Trading Standards Service would like to make the following representation requesting that these conditions be added,

1. The premises licence holder shall ensure that anyone utilised by them for the role of delivering alcohol orders ensures that the alcohol is delivered to the client who ordered the alcohol, or ensures that any 'safe place' as designated by the client where the delivery can be left must be in an area not visible to the general public and not where any minor can access the delivery.
2. Notices shall be placed at all points of sale detailing the restrictions on sales of alcohol to children.
3. A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.
4. The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.
5. All staff that undertake the sale or supply of alcohol shall receive appropriate refresher training in relation to undertaking appropriate age checks on such, at least every three months.
6. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

Many thanks,

Christopher
