Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

- I will ensure that any person selling or supplying alcoholic drink under the authority of a personal licence holder asks for a photo ID proof of age where they have reason to suspect that the individual may be under 18 years of age.
- I will adopt and comply with the British Beer and Pub Associations Guidelines on On-Trad Promotions.

b) The prevention of crime and disorder

- I will provide a means of two way communication to report incidents between the premises and the local police or CCTV monitoring centre.
- I will install Video/CCTV equipment inside/outside the premises and ensure that it is maintained in working order.
- I will set Video/CCTV equipment to record from the time that the premises open to the public until the premises close and all members of the public have left.
- I will ensure that any cameras covering the exterior of the premises are left to record for the duration of the tape and for a period not less than 24 hours a day.
- I will ensure that monitoring tapes are retained for at least twenty eight days and are produced to an authorised officer on demand.
- I will put up notices advising that CCTV has been installed on the premises so that they are clearly visible to the public within the licensed premises.

c) Public safety

- Where glass bottles are used, they will be retained or disposed of on the premises.
- No customers will be admitted, or permitted to leave when carrying open or sealed bottles or glasses.
- I will ensure that the consumption of alcohol is restricted to the areas identified on the plan attached to the operating schedule.
- I will ensure that a secure deposit box is kept on the premises for the retention of confiscated items and ensure that the Police are advised of any items which require safe disposal.
- I will be responsible for the disposal of waste on the frontage of the premises and make provision for the emptying of litter bins in the vicinity of the premises.
- I will ensure that lighting is provided outside the premises (and in my private car park) during the hours of darkness when any licensable activity takes place on the premises.
- I will make sure that escape routes and exits, including external exits, are maintained to ensure that they are not obstructed, in good order with non-slippery and even surfaces, free of trip hazards and clearly identified.
- I will make sure that where chairs and tables are provided, internal gangways are kept unobstructed.
- I will make sure that all exit doors are easily openable and do not require the use of a key, card, code or similar means
- I will make sure that doors at such exits are regularly checked to ensure that they function satisfactorily and a record of the check is kept.

- I will make sure that any removable security fastenings are removed whenever the premises are open to the public or occupied by staff.
- I will make sure that all fire doors are maintained effectively selfclosing and not held open other than by approved devices (for example, electromagnetic releases operated by smoke detectors).
- I will make sure that fire resisting doors to ducts, service shafts, and cupboards are kept locked shut.
- I will make sure that the edges of the treads of steps and stairways are maintained so as to be conspicuous.
- Safety checks are carried out before the admission of the public or club members and guests; and details of such checks are kept in a Log-book.
- I will make sure that hangings, curtains and temporary decorations are maintained in a flame-retardant condition.
- I will make sure that any upholstered seating meets on a continuous basis the pass criteria for smouldering ignition source 0, flaming ignition source 1 and crib ignition source 5 when tested in accordance with section 5 of Bs 5852:1990.
- I will make sure that Hangings, curtains and temporary decorations are arranged so as not to obstruct exits, fire safety signs or firefighting equipment. • I will make sure that Temporary decorations are not used without prior notification to the licensing authority/fire authority.
- I will make sure that notices detailing the action to be taken in the event of fire or other emergencies, including how the fire brigade should be summoned, are prominently displayed and protected from damage and deterioration.
- The fire brigade will be called at once to any outbreak of fire, however slight, and the details recorded in a Fire Log-book.
- I will notify the local Fire Control Centre as soon as possible if the water supply to any hydrant, hose reel, sprinkler, drencher or other fire extinguishing installation is cut off or restricted. • Access for emergency vehicles is kept clear and free from obstruction.
- I will make sure that when disabled people are present, adequate arrangements exist to enable their safe evacuation in the event of an emergency, and that patrons are made aware of these arrangements. • I will make sure that adequate and appropriate supply of first aid equipment and materials is available on the premises.
- I will make sure that at least 1 trained first aider will be on duty when the public are present. If more than one first-aider is present, I will make sure that their respective duties are clearly defined.
- In the absence of adequate daylight, I will make sure that the lighting in any area accessible to the public is fully operational. • I will make sure that Fire safety signs are adequately illuminated.
- I will not alter Emergency lighting without prior notification to the Licensing Authority.
- I will make sure that Emergency lighting batteries are fully charged before admission of the public.
- In the event of failure of normal lighting, where the emergency lighting battery has a capacity of one hour, I will make sure that evacuation of the premises is possible within 20 minutes. Where the emergency lighting battery has a capacity

of three hours, I will make sure that evacuation of the premises is possible within one hour.

- I will make sure that any temporary electrical wiring and distribution systems comply with the recommendations of BS 7671 or where applicable BS 7909.

- I will make sure that where temporary electrical wiring and distribution systems have not been installed by a competent person, they are inspected and certified by a competent person before they are put to use.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
