Bar CMYK

I am Police Constable Avril O'Brien 3406SW of the Metropolitan Police Service and I am currently working within the South West Borough Command Unit Licensing Department in my role as Police Licensing Officer.

This is submitted in relation to an application made under Section 51 of the Licensing Act 2003, for a review of the premises licence at BAR CMYK, 105 – 109 THE BROADWAY, SW19 1QG.

The premises licence is held by TASOO LTD, Union Suite, 51-59 ROSE LANE, NORWICH, NORFOLK, NR1 1BY, LN/000001184 refers, the designated premises supervisor is currently Troy Le Page.

The application for review has been made on behalf of the Commissioner of the Metropolitan Police Service, on the basis of serious concerns relating to the premises undermining the following licensing objectives;

- The Prevention of Crime and Disorder
- The Prevention of Public Nuisance

There has been a number of Assaults and Public Order incidents at the premises over the past 6 months. These incidents are related to high intoxication levels resulting in crime and disorder inside and directly outside the premises that can be attributed to customers of CMYK.

The grounds to support this review is as follows;

On SUNDAY 17th APRIL 2022 at 01:00hrs police were called by the London Ambulance Service (LAS) after they were flagged down by a victim of GBH, the victim had been in CMYK, there had been an altercation on the dance floor which then resulted in the victim having a bottle smashed on his head causing a cuts above his left eyebrow. Neither police nor LAS were called to this incident by staff, officers attended the hospital and spoke with the victim who was very intoxicated and not willing to assist officers with names of any involved. The victim attended the police station two days later, he said that he wanted to progress with the report and provide a statement, in this statement he mentioned that after he was attacked he was held back by door staff and the suspect was allowed to slip away. He stated that he had multiple lacerations to his face, glass was removed by medical staff at St George's hospital and his injuries glued.

The de-brief from the venue states the following; A fight broke out on the dancefloor, it was dealt with quickly between security and police didn't need to be called.

On FRIDAY 15th APRIL 2022 at 23:45hrs police were called to CMYK by staff stating a member of security had been assaulted. Upon police arrival the suspect had ran from police and was detained just away from the venue. The suspect had been causing a disturbance by kicking chairs, whilst being ejected by security he punched the security member to the face causing a cut to his lip, injury classed as GBH.

On FRIDAY 15th APRIL 2022 at 01:45hrs police were called to CMYK by staff stating that a male (victim) had been ejected due to being intoxicated, while outside the venue the victim had been attacked by a group of males and had been knocked out twice.

On SATURDAY 26th MARCH 2022 at 02:30hrs police were notified of a sexual assault which had taken place within the venue. The victim was returning from the toilets which are on the lower ground

floor when she was approached by the suspect, who is unknown to her, he placed his arms around her and touched her bottom without consent.

On SATURDAY 12th MARCH 2022 at 22:13hrs police were called by staff who stated that a male (Victim) had been assaulted and knocked unconscious.

The intoxicated victim went outside for a cigarette, he had difficulty opening the door to re-enter the venue as he was unsteady on his feet, he is seen to turn and speak to the suspect, the suspect then punches the victim who falls to the floor losing consciousness. The victim had two large lumps to his head consistent with GBH.

On SATURDAY 27th FEBRUARY 2022 at 02:20hrs police were called to assist staff in removing an intoxicated male from the venue after he became verbally aggressive when he was refused service.

On MONDAY 21st FEBRUARY 2022 a female was found in the toilets semi responsive by staff, her condition did not improve after staff gave her water and so an ambulance was called and the female conveyed to hospital, unknown cause.

On SUNDAY 20th FEBRUARY 2022 at 01:20hrs police were called after a male became aggressive when asked to leave and threw a drink over a member of staff.

On SATURDAY 05th FEBRUARY 2022 at 03:00hrs police were called to the venue to reports of three females who had been sexually assaulted by an unknown male on the dance floor.

This is not an exhaustive list and I reserve the right to submit further written or digital evidence prior to a hearing.

Police have worked closely with the premises in using the Home Office “Stepped Approach” but this does not appear to have had any effect in the premises being able to manage intoxication levels and reduction of crime and disorder incidents when the premises is open between midnight – 03:00hrs Mon – SAT and midnight – 02:30hrs on Sundays.

The South west police licensing team have engaged with the premises licence holder and designated premises supervisor, meetings held, advice and extra training given. It was agreed at the meeting that daily de-briefs would be supplied to police, the intoxication levels would improve and the security team would be changed. The de-briefs and the security change was upheld, however, no change in the levels of intoxication as the majority of these serious incidents occur due to intoxication.

An action plan was implemented and a written warning was issued on 16/02/2022, but incidents still continue to occur.

Police seek the premises licence hours is modified to show; Terminal Hour for Licensable Activities Sunday to Saturday 00.00 (Midnight) Closing time Sunday to Saturday 00.30 hours and for the current designated premises supervisor be removed.

Dear Sir or Madam,

I am writing to you in regards to the licencing review currently happening at Bar CMYK. Myself and Sid Anstey took over as management at Bar CMYK and have already made significant changes, resulting in an obvious improvement already.

Since we were informed of the licencing review, the first step we took was replacing our security. Our new security company started at the end of April this year and we have managed to build an excellent relationship with them and all the staff. I have noticed a far better attitude from our new team, they care about the bar and who they're letting into our space. We have had a far better response from customers, saying they feel safe with these security members, and the security show a much higher level of customer service, taking time to engage with our customers and build the trust between them. Higher levels of refusals are resulting in lower levels of ejections and a far nicer and safer atmosphere in the bar. Due to the issues we had with our old security team, I have taken extra measures to ensure proper communication is happening between door staff. At the beginning of each shift, I have a de-brief with the door staff in that night to make them aware of any events planned for that evening, any new banned personnel and just to remind them of our entry requirements. The improvement can be seen on our nightly reports; fewer ejections, more refusals and no incidents resulting in the police being called.

We also have a new management team. Sid and I have been working really hard to make the bar as safe and welcoming to LGBTQIA+ individuals as we can. We have set new rules for entry, made it clear to customers on arrival that we are a Gay venue, and have a zero-tolerance policy on any kind of disrespectful or homophobic behaviour towards customers and staff (these incidents resulting in an immediate ban from our space). We have also started introducing more Queer Shows and themed nights, as well as cocktails to bring more of our preferred clientele to the bar. As well as this we are offering water when people come up and order drinks to stop high levels of intoxication to the bar, which has massively aided our lack of incidents. Getting together a newer and well-rounded staff team has created an obvious shift in the environment of the bar, well rounded sensible staff who are constantly aware of what's happening in our space. After meeting with Avril, our licencing officer, Sid and I intend to work a closely with her and get as much support as we can from the police to keep us open as a safe and secure late-night venue.

Aside from all the improvements we have seen, our bar is a safe space for a lovely group of individuals in South London. Having a late-night queer venue is so important for Wimbledon. People in the LGBTQ+ community who want to enjoy a night out deserve to have a place where they feel safe, and having somewhere that stays open later than other venues secures them a safe journey home after everyone else in Wimbledon has travelled home. We also give queer artists and performers a voice and a safe environment to perform and share their art outside of central London. As a member of the LGBTQ+ community myself, I have found a home at CMYK and feel that many other young gay people have too. I feel far safer at this bar than anywhere else in Wimbledon, especially within the past month given all the changes that have been made. I feel our space has created such a culture and has allowed LGBT people to meet other people who are just like them and understand them. Given the new repeat customers we have started getting, and the positive changes we have made I think we can continue running as a positive and safe late-night venue in Wimbledon.

Overall, I think many changes that have had provided consistent positive results warrant us to continue functioning as a late-night venue for queer people to enjoy. I think it would be such a shame for our hours to close and have a real negative impact on the LGBT scene in South London. Please take this into consideration and I hope that you can see the work we are doing towards becoming an outstanding venue.

Sincerely,
George Maynard (they/them)

As the new provider of Security for CYMK Wimbledon

Since we have taken over the venue we have had no incidents which have required the police everything we deal with is dealt by us the in house security team we are constantly reducing the number of ejections carried out in the venue and this is simply by following strict entry criteria on the door we don't allow groups of straight men or women in and always maintain a 100% search on entry policy we believe that with our heightened security procedures we will continue to see an reduction in incidents and ejections in the venue. We are a LGBTQ venue which welcomes everyone to a happy and safe environment and together with the staff and management of CYMK I strongly believe we are able to continue to set our standards high and continue to provide customers with a fun and happy late-night venue that meets all their needs. Our door staff are trained to defused situations with the upmost skill and compassion and it shows that our work is reaching its target of maintaining a successful sustainable safe venue for the gay community

We plan to introduce the extra steps over the coming the coming weeks to enhance our quality and give extra customer and staff satisfaction these include:

ID scanners we already operate a strict ID policy but adding these will give us that extra edge.

Regular training with all staff and management.

Introduction of security search wands which will give us the opportunity to enhance our body and bag searches.

And a once-a-month community chat with the director of the security company and general management where we listen to views of our customers.

Business Improvement Districts - We've recently added lots of Business Improvement District (BID) organisations to WhatDoTheyKnow. Read our blog which explains why we're listing them even though they're generally not subject to Freedom of Information law.

We work to defend the right to FOI for everyone

Dear Sir/Madam,

At a time of increasing crime against LGBTQ+ individuals, the existence and protection of safe venues for our community is of a huge importance.

There is already a dearth of safe LGBTQ+ venues in London. This has of course been compounded by the pandemic that has had a huge effect on the amount of LGBTQ+ venues in this country.

London has suffered several high-profile LGBTQ+ venue losses over recent years, including The Black Cap in Camden, The Joiner's Arms in Tower Hamlets and The Queen's Head in Chelsea. In 2006, there were 125 venues in operation, while in 2017 there are just 53 – a fall of 58%. This includes drops of 80% in Islington, 47% in Camden and 43% in Westminster.

Whilst LGBTQ+ venues often achieve great success, recent studies, such as the one attached, show that they are closing because of “external pressures such as large-scale developments, a lack of safeguarding measures in the existing planning system and the sale and change of use of the property by landlords.” Rising business rates and rents are also a crucial issue.

With long-standing queer venues such as this closing, it is vitally important that new ones can be allowed to gain a foothold and offer a safe space to its community in need. Working with the police to ensure greater safety and security at LGBTQ+ venues will hopefully allow this to happen. This is especially important for venues outside of central London, which can find it particularly difficult to establish themselves as a safe venue.

We hope that positive progress can be made here to secure more safe LGBTQ+ spaces in South West London and would be happy to discuss this further in future.

Kind regards,

London Falcons

Dear Ms MacDonald

Re. CMYK, 105-109 The Broadway, London SW19 1QG

I have for several months been expressing my concerns about the above referenced venue, specifically in relation to intolerable and unrelenting noise, and anti-social and assaultive behaviour. Please see below correspondence since October last year with Andrew Pickup, and some of the attached evidence, which outlines these concerns. These are on the basis of personal nuisance I continue to experience as a resident, and also genuinely held concerns about the threat posed in a public area.

Mr Pickup has helpfully informed me that Police have requested a review of the licence.

Please accept this e mail as Representation in connection with this matter.

I would be grateful if you could acknowledge receipt.

With best wishes.

Yours Sincerely

Subject: CMYK - Noise Complaint

Dear Mr Pickup

I am e mailing you following our last correspondence in November.

There has been no improvement in this matter. A alternative smoking facility has been built, but this is at the front of the building, not the back, as originally indicated. This is approximately the same distance from my property as the crowds which continue to congregate on the pavement at the front.

There continues to be excessive and unacceptable levels of noise until 04;00 most days, consisting of music and screaming. The Police were again called to a violent incident outside the club, presumably by a member of the public, in the early hours of 19th December. I am puzzled about how a venue in a residential area was licensed until 03:00 daily. I am considering contact with Stephen Hammond MP, outlining my correspondence with you to date, and asking for his intervention if necessary. In the meantime, I would be grateful for your view and intended plans regarding this matter.

I appreciate your assistance.

Subject: CMYK - Noise Complaint

Dear Mr Pickup

Thank you again for your correspondence. Unfortunately, there has been no improvement in this situation. There is noise on almost a daily basis. I have tried to record as accurately as possible, although there is inevitably some repetition, and recording is dependent on the times at which I am woken. The pavement is essentially used as an extension of the venue, and there is often noise until and after the time of closing. I have witnessed at least two altercations between people from the club on the pavement and road. I have recorded one; the other was in September before I started recording, and I was woken to the Police presence on that occasion.

I appreciate that you committed to make contact with the venue; however the lack of any change indicates to me either non willingness or non ability to control this situation.

When I took a flat on a main road, I did not expect it to be quiet. It would be unreasonable to object to the noise of restaurants and bars in the area, which are acceptable because it is limited to a reasonable time, generally shortly after midnight. The problem with CMYK relates to the hours to which the noise continues. I am concerned that it appears to be licenced so late every night of the week.

I will in separate and subsequent e mails attach short videos recorded between 00:00 and 03:45 hours over the days of recording.

Please take this e mail and associated evidence as a formal complaint against this establishment, and a request for an appropriate way forward.

Thank you again for your assistance. It is very much appreciated.

Sincerely

M A Gentry

Should the issues remain I would be grateful if you could complete that attached diary sheet over the next 2/3 weeks and return it to me.
