There is some repetition with regard to these listed conditions. Application reference: WK/202224669

Dear Sir/Madam,

We are writing to you to object to the New Premises Licence Application proposed for the Travelodge Limited hotel site at the corner of Graham Road and Hartfield Road.

We are residents of Graham Road and have seen the impact the hotel construction has had since it began on our street.

The site has created a pocket where people linger late into the evening and empty bottles of alcohol can be seen left strewn in that area after most evenings.

We are extremely concerned for the nuisance that residents such as us, will have to endure. We are already have disrupted sleep from drunks shouting as they walk down the road this can only exacerbate the problem leading to more public nuisance and damage to property.

Such disruptions will, in addition significantly impact many of the young families living on the road and living so close to the hotel with the late night noise and safety risks to those children and families and property.

Yours sincerely,

Audrey & David Campbell-Fraser

The Licensing Officer,  
London Borough of Merton,  
Civic Centre,  
London Road,

4 June 2022

Dear Sir/Madam,

**Licence Application WK/202224669**

We live close to the new hotel development and are concerned about the application for permission to supply alcohol on and off the premises on a 24 hours a day 7 days a week basis.

We believe the supply of alcohol to the general public in Wimbledon Town Centre is already at capacity. We would refer to the borough statement of licensing policy, effective 6 January 2021:

"The Authority recognises that it must balance the needs of business with those of local residents. However, currently the number and type of premises are impacting negatively on the licensing objectives. In adopting the special policy, the authority is setting down a strong statement of approach to considering applications for the grant or variation of premises licences in the Wimbledon Town Centre CIA. However, the Authority recognises that the impact of premises can be different for premises with different styles and characteristics. For example large nightclubs or late night bars and public houses might add to the problems of cumulative impact, a small restaurant or theatre may not. For this reason, applications with comprehensive operating schedules that meet the following criteria may be able to demonstrate that there will be no negative cumulative impact on one or more of the licensing objectives:

Premises that are not alcohol led and

- i. support the people visiting the area during the day; and/or
- ii. support the wider cultural offering in the area"

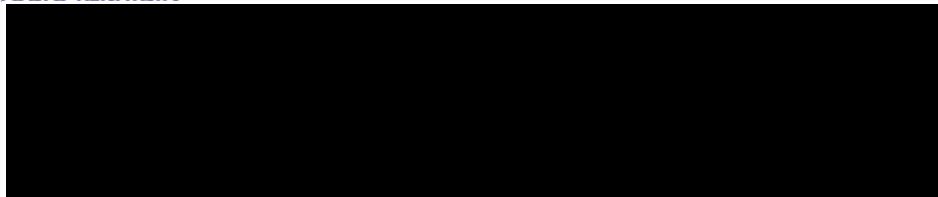

Adding even more supply into the existing system will likely result in:

1. An increase in crime and disorder
2. Increased risk to public safety
3. An increase in public nuisance
4. An increase in risk to children, especially as so many walk to and from local schools past the site.

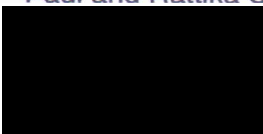

We think any permission to supply alcohol should only extend to hotel residents and their guests during hours that would give maximum protection to the public.

Thank you for your consideration.

Yours faithfully

Paul and Rattika Cartledge

The Licensing Officer,  
London Borough of Merton,  
Civic Centre,  
London Road,  
SM4 5DX

1 June 2022

Dear Sir/Madam,

**Licence Application WK/202224669**

As "interested parties" living in the vicinity of the applicant's premises (Travelodge, 22-27 Hartfield Road), we are writing to object to the above licence application to sell alcohol on and off the premises 24 hours a day.

**A. Personal negative impacts:**

We are particularly concerned that, if the licence is granted to Travelodge, we would suffer an increase in:

- (a) Late night nuisance: noisy & rowdy groups of drinkers walking through Herbert Road to congregate in the Green at the end of the cul-de-sac to "socialise" and consume alcohol;
- (b) Littering: discarding of empty beer bottles/cans on our perimeter wall and hedge;
- (c) Anti-social behaviour: trespassing and urinating on our drive behind our parked vehicle

**B. Negative impacts in our neighbourhood which is in close proximity to the applicant's premises:**

We are also concerned that the granting of the licence will result in very large increases in alcohol-related crime and disorder, public safety incidents and public nuisance (e.g. assaults, noise, littering, anti-social behaviour) both at and in the vicinity of the applicant's premises in our neighbourhood.

These concerns are very real and are supported by the following reports:

**(a) The Crime Survey for England and Wales (CSEW) 2016:**

(Page 5):

"Alcohol is implicated in both violent and impulsive crime as well as less serious crime such as noise disturbance, littering and anti-social behaviour that may impact an area significantly. **The Crime Survey for England and Wales (CSEW) 2016** found that 40% of violent incidents the victim believed the offender(s) to be under the influence of alcohol, which amounts to 5,300 alcohol related crimes in Merton in the same year, a likely underestimate due to the exclusion of non-violent crime and underreporting of more minor crimes. **To some extent this can be controlled through premises licensing and the creation of a cumulative impact zones in saturated areas to limit the number, and opening times, of drinking establishments present.**" (See also Section C below)

**Section 8.3 Alcohol-related crime (Page 21):**

"Alcohol is implicated in both violent and impulsive crime"

"Crime may occur in public areas e.g. drinking establishments, and public places"

"An increased number of premises are associated with increased levels of violence and public disorder"

**(b) The Public Health Burden of Alcohol and the Effectiveness and Cost-Effectiveness of Alcohol Control Policies: An Evidence Review:**

[https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/733108/alcohol\\_public\\_health\\_burden\\_evidence\\_review\\_update\\_2018.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/733108/alcohol_public_health_burden_evidence_review_update_2018.pdf)

The evidence in this review conducted by Public Health England irrefutably links extended hours for alcohol consumption with dramatic increases in alcohol-related public harm which we do not want

replicated in our neighbourhood or in Wimbledon Town Centre (WTC) in both of which the applicant is located.

Page 116 (Section "Regulatory Availability", sub-section "Hours and Days of Sale"):

**"a systematic review evaluating the impact of changes to trading hours of licensed premises concluded that the evidence of effectiveness is strong enough to consider restrictions, particularly on late-night operating hours, as a key approach to reducing late-night violence"**

Page 117 (Section "Increases in the hours of sale resulting from the Licensing Act 2003"):

The Act removed statutory opening hours for licensed premises with the potential for up to 24 hour opening, seven days a week.

Page 118 (Section "Effect of extended closing hours (the Act) on hospital admissions"):

"A retrospective analysis of hospital attendance at St Thomas' hospital in London shows that overnight alcohol-related emergency attendances increased after the introduction of the Act (Table 7)".

A comparison of emergency attendances during March 2005 (before implementation of the Act) and March 2006 (after implementation of the Act) shows that:

1. Whereas total attendance increased 15% (2736 in March 2005 vs 3135 in March 2006),
2. Alcohol-related attendance categories DOUBLED and TRIPLED as follows:
  - (a) Alcohol-related attendance more than TRIPLED (79 in 2005 vs 250 in 2006);
  - (b) Alcohol-related assault more than DOUBLED (27 in 2005 vs 62 in 2006);
  - (c) Alcohol-related injury nearly TRIPLED (44 in 2005 vs 129 in 2006);
  - (d) Alcohol-related hospitalisation nearly TRIPLED (24 in 2005 vs 71 in 2006).

**C. The licence should be restricted to the supply of alcohol for consumption on-premises only by Travelodge residents and their bona fide guests:**

(a) Travelodge's core business is the provision of accommodation and sustenance to their **residents**: not the supply of alcohol to the **general public** for consumption on-premises or off-premises; the former is already very well provided for in WTC by numerous bars, pubs and night-clubs and the latter by supermarkets and off-licences - see also (b) below.

(b) London Borough of Merton - Statement of Licensing Policy, Appendix 3 - Cumulative Impact Assessment

<https://www.merton.gov.uk/system/files?file=licensing20policy202021-2026.pdf>

Following the 2020 Cumulative Impact Assessment (CIA) carried out by Merton's Licensing Committee, the Committee determined that a Special Policy on Cumulative Impact should remain in place for Wimbledon Town Centre (WTC) about which it stated (page 38):

- (i) "It has the highest concentrations of licensed premises in the borough";
- (ii) **"...currently the number and type of premises are impacting negatively on the licensing objectives."**

We therefore ask that the Licence be restricted to allow the supply of alcohol for on-premises consumption by Travelodge residents and their bona fide guests only. The supply to the general public for consumption either on-premises or off-premises should be prohibited.

Friends of Wimbledon Town Centre wishes to object in the strongest possible terms to the granting of the licence request by Travelodge Ltd, for the reasons expressed below:

**A The prevention of crime and disorder**

**A1 The 24-hour licence to sell alcohol for consumption on and off the premises**

- Granting the licence would encourage anti-social behaviour in the small hours of the morning, perpetrated by individuals under the influence of alcohol. The licence would lure drinkers to Hartfield Road and the nearby residential areas. The hotel is sited within the Wimbledon Town Centre CIZ a location already associated with a high number of alcohol-related crime and violence cases. Pre-Covid levels were high enough to extend the CIZ when it came up for renewal.
- When the planning application was made to the Council for the construction of the Travelodge, the police expressed concern about the access to the first-floor reception and restaurant by lift, and the risk of drug-dealing and alcohol posed by this aspect of the hotel's design. The pillars and planters were also identified as a potential location for drug concealment. The designs were not changed. The sale of alcohol through the night would exacerbate the problem identified by the police and threaten an increased risk of crime.

**A2 The licence to sell 'late night refreshment'**

- It is not clear what is meant by 'late night refreshment', and therefore impossible to know whether the licensing of this provision would prevent crime and disorder.
- However, there is clearly a danger that a food outlet operating till 5 am will provide a service and therefore an attraction for thieves and other criminals. The Council will be aware of the increasing number of crimes committed locally, particularly since the start of the Covid pandemic, where residents in the area have had cars, bikes and packages stolen from near their homes.

**B Public safety**

B1 The 24-hour licence to sell alcohol for consumption on and off the premises

- 24-hour alcohol consumption cannot, from any perspective, be seen as conducive to public health and safety. Alcohol is not only dangerous in excess, it is addictive. The Council should not facilitate people's drinking at all hours of the day and night, but should rather send a clear message that it wishes to encourage sufficient moderation to keep consumers healthy.
- People who are under the influence of alcohol sometimes behave dangerously and threaten other people. If 24-hour/7-day-per-week alcohol sales are permitted at the Travelodge, there is a risk of threatening behaviour during the night and when people are on their way to work in the morning, and at other times when they have a right to expect that they will not encounter problems of this sort.
- Because of the hotel's virtual gatekeeper semi-isolated location, the residents walking home late from the station or from the pubs, restaurants or cinemas in Wimbledon Town to homes in Dundonald, Wimbledon Chase and Merton Park will be especially vulnerable to bad or criminal behaviour encouraged by additional drinking hours.

B2 The licence to sell 'late night refreshment'

- It is unclear what is meant by 'late night refreshment' and therefore impossible to know whether the licensing of this provision would promote public safety.
- Many delivery drivers (eg Deliveroo) pose a risk to public safety: some exceed the 20 mph speed limit and do not respect other road users. This risk would be increased by the granting of this licence.

**C The prevention of public nuisance**

C1 The 24-hour licence to sell alcohol for consumption on and off the premises

- Granting this licence would set a dangerous precedent and open up the possibility of other alcohol outlets applying for a 24-hour licence.
- Indeed, we argue that the other hotels and alcohol outlets will be forced to apply for 24-hour licences in order to match the competitive advantage of the Travelodge.
- The Holiday Inn has a licence till midnight and can operate successfully; there is no need for the Travelodge to sell alcohol for consumption on or off the premises for 24 hours per day.
- Consumers taking advantage of the 24-hour licence who are non-residents threaten to be a public nuisance when they arrive at the premises and leave. There is a risk of anti-social behaviour at hours when local residents have a right to expect the streets to be quiet.
- The adjacent Beulah Road has many nooks and crannies to encourage drug dealing and we could see the return of the big problem experienced a few years ago – drug-taking and dealing, as well as all-night alcohol consumption and other criminal behaviour, by youngsters in and near Dundonald Park, which fortunately has not been a problem recently.

C2 The licence to sell 'late night refreshment'

- It is unclear what is meant by 'late night refreshment' and therefore impossible to know whether the licensing of this provision would promote the prevention public nuisance, but it seems unlikely, given the considerations below.
- If the late-night refreshment is available only to hotel residents, we submit that the licence, if granted, should have this as an explicit condition. The Travelodge should be required to demonstrate that it has security arrangements in place to ensure that non-residents will not access the late-night refreshment area.
- If the late-night refreshment is to be available to anyone who chooses to use it, including food delivery services (eg Deliveroo), the public nuisance caused by the arrival and departure of customers on foot and of delivery motor bikes and scooters will be unprecedented, unjustifiable and a dangerous precedent.
- The public nuisance caused during day-time hours and evenings (use of parking spaces by serried ranks of motor scooters, and learner riders who exceed the 20-mph speed limit and do not respect other road users) would be increased by the granting of this licence.
- The granting of the licence would significantly exacerbate the problem of litter in Wimbledon.

**D The protection of children from harm**

D1 The 24-hour licence to sell alcohol for consumption on and off the premises

- Those who have consumed during the hours after midnight and before, say, 11 am, pose a threat to children on their way to school. The possibility cannot be ruled out that the drinkers could physically attack children on the way to school. The drinkers could intimidate the children. The possibility of an increase in alcohol-fuelled begging is an alarming prospect for those concerned about the mental and physical welfare of children.
- If the hotel's design will fuel drug use and dealing, as the police suggest, there is a risk to children who walk past any continuing drug-related crime in the morning on their way to school.
- We are concerned that there might be a temptation to deal drugs to schoolchildren catching the buses from the stop on the Hartfield Road bend or the train from the station.
- Children need rest and sleep. The possibility of alcohol-fuelled, anti-social behaviour threatens to deprive them of rest and sleep.

D2 The licence to sell 'late night refreshment'

- The possibility of the noise of the coming and going of delivery drivers and customers not resident in the hotel would threaten to deprive children of the rest and sleep they need.

For all these reasons, we urge the Council to reject the licensing application by Travelodge Ltd.

Gay Bennett-Powell, Secretary,

As "interested parties" living in the vicinity of the applicant's premises (Travelodge, 22-27 Hartfield Road), we are writing to object to the above licence application to sell alcohol on and off the premises 24 hours a day.

A comparison of emergency attendances during March 2005 (before implementation of the Act) and March 2006 (after implementation of the Act) shows that:

1. Whereas total attendance increased 15% (2736 in March 2005 vs 3135 in March 2006),
2. Alcohol-related attendance categories DOUBLED and TRIPLED as follows:
  - (a) Alcohol-related attendance more than TRIPLED (79 in 2005 vs 250 in 2006);
  - (b) Alcohol-related assault more than DOUBLED (27 in 2005 vs 62 in 2006);
  - (c) Alcohol-related injury nearly TRIPLED (44 in 2005 vs 129 in 2006);
  - (d) Alcohol-related hospitalisation nearly TRIPLED (24 in 2005 vs 71 in 2006).

**C. The licence should be restricted to the supply of alcohol for consumption on-premises only by Travelodge residents and their bona fide guests:**

(a) Travelodge's core business is the provision of accommodation and sustenance to their **residents**: not the supply of alcohol to the **general public** for consumption on-premises or off-premises; the former is already very well provided for in WTC by numerous bars, pubs and night-clubs and the latter by supermarkets and off-licences - see also (b) below.

(b) London Borough of Merton - Statement of Licensing Policy, Appendix 3 - Cumulative Impact Assessment

<https://www.merton.gov.uk/system/files?file=licensing20policy202021-2026.pdf>

Following the 2020 Cumulative Impact Assessment (CIA) carried out by Merton's Licensing Committee, the Committee determined that a Special Policy on Cumulative Impact should remain in place for Wimbledon Town Centre (WTC) about which it stated (page 38):

- (i) "It has the highest concentrations of licensed premises in the borough";
- (ii) "...currently the number and type of premises are impacting negatively on the licensing objectives."

We therefore ask that the Licence be restricted to allow the supply of alcohol for on-premises consumption by Travelodge residents and their bona fide guests only. The supply to the general public for consumption either on-premises or off-premises should be prohibited.

Dear Sir/Madam,

**Licence Application WK/202224669**

As "interested parties" living in the vicinity of the applicant's premises (Travelodge, 22-27 Hartfield Road), we are writing to object to the above licence application to sell alcohol on and off the premises 24 hours a day.

**A. Personal negative impacts:**

We are particularly concerned that, if the licence is granted to Travelodge, we would suffer an increase in:

- (a) Late night nuisance: noisy & rowdy groups of drinkers walking through Herbert Road to congregate in the Green at the end of the cul-de-sac to "socialise" and consume alcohol;
- (b) Littering: discarding of empty beer bottles/cans on our perimeter wall and hedge;
- (c) Anti-social behaviour: trespassing and urinating on our drive behind our parked vehicle

**B. Negative impacts in our neighbourhood which is in close proximity to the applicant's premises:**

We are also concerned that the granting of the licence will result in very large increases in alcohol-related crime and disorder, public safety incidents and public nuisance (e.g. assaults, noise, littering, anti-social behaviour) both at and in the vicinity of the applicant's premises in our neighbourhood.

These concerns are very real and are supported by the following reports:

**(a) The Crime Survey for England and Wales (CSEW) 2016:**

[https://www.merton.gov.uk/system/files?file=merton\\_substance\\_misuse\\_health\\_needs\\_assessment.pdf#:~:text=The%20Crime%20Survey%20for%20England%20and%20Wales%20%28CSEW%29,non-violent%20crime%20and%20underreporting%20of%20more%20minor%20crimes.](https://www.merton.gov.uk/system/files?file=merton_substance_misuse_health_needs_assessment.pdf#:~:text=The%20Crime%20Survey%20for%20England%20and%20Wales%20%28CSEW%29,non-violent%20crime%20and%20underreporting%20of%20more%20minor%20crimes.)

(Page 5):

"Alcohol is implicated in both violent and impulsive crime as well as less serious crime such as noise disturbance, littering and anti-social behaviour that may impact an area significantly. **The Crime Survey for England and Wales (CSEW) 2016** found that 40% of violent incidents the victim believed the offender(s) to be under the influence of alcohol, which amounts to 5,300 alcohol related crimes in Merton in the same year, a likely underestimate due to the exclusion of non-violent crime and underreporting of more minor crimes. **To some extent this can be controlled through premises licensing and the creation of a cumulative impact zones in saturated areas to limit the number, and opening times, of drinking establishments present.**" (See also Section C below)

**Section 8.3 Alcohol-related crime (Page 21):**

"Alcohol is implicated in both violent and impulsive crime"

"Crime may occur in public areas e.g. drinking establishments, and public places"

"An increased number of premises are associated with increased levels of violence and public disorder"

**(b) The Public Health Burden of Alcohol and the Effectiveness and Cost-Effectiveness of Alcohol Control Policies: An Evidence Review:**

To Whom It May Concern

I would like to share my views on the possibility of Travelodge looking to sell alcohol 24 hours a day.

Id like to put forward that they are based in a completely residential area and this will attract people who could possibly create noise and nuisance for the local residents. This poses a risk for safety and a high probability for nuisance as well as litter, etc.

Please count my voice as voting against this 24 hour license.

Thank you

Dear Sir or Madam,

I have been made aware that the Travelodge being built on Hartfield Road has applied for a licence to sell alcohol on and off the premises 24 hours a day.

I live on Herbert Road, so very close to the new hotel and would like to express my concerns about this application. Herbert Road is a cul-de-sac divided in two by a green space in the middle.

The green is the ideal place for ill-intentioned or inebriated people to mess about, sheltered by a hedge but at a short distance from the main road.

On a regular basis, we find empty pizza boxes / take-away wrappers scattered on the green and it is not a lovely thing to pick up other people's rubbish on a Sunday morning. Last year, people destroyed saplings that I had purchased and planted on the green to improve the common space, which was a real pity. This year, we've had hooded youngsters harass us and vandalise the front of our property leading us to visit the local police station.

The neighbourhood is already suffering from disturbance, disorder and public nuisance.

I know the above examples are a different matter but I am personally against the hotel wanting to sell alcohol 24/7 when Wimbledon already has numerous pubs and shops selling alcohol nearby. Friday and Saturday nights are already good testimonies of what people are capable of when they drink too much. We regularly hear screaming, hysterical laughing and revving cars on Herbert Road really late into the night and I do not feel there is a need to offer additional means of getting alcohol in Wimbledon.

I think the hotel's application is not a good thing and would only be detrimental to the neighbourhood's tranquility and would create further disturbance, disorder and public nuisance.

Kind regards

Vanessa Avenell

Dear Sirs

I write to object to the application (ref above) to sell alcohol both on and off premises 24 hours a day. The reasons for my objections are:

1. We already have drunks roaming the streets of Wimbledon waking us up and urination in our front gardens. This happens when we have licensing hours. It will likely be more frequent and there will be more damage should this application proceed.
2. Wimbledon is a town where the housing is very close to the shops and pubs. The Travelodge is on the corner of Graham Road which has many hundreds of houses. It is not safe for people to buy and drink alcohol 24 hours a day in a residential road with a high number of children in it.
3. If this goes ahead the Travelodge will become a focal point for those who need more alcohol in the small hours of the morning. This will lead to public nuisance and disorder on the corner of a residential road.
4. Where is the necessity for the application? What is the business case - that it will attract trade from where? This is a wholly unnecessary application.
5. Where will this lead - will this create a precedent so other applicants from some of the pubs around will apply too and be allowed? This is not in the public interest.

6. This is a change to the original application and should be denied on the ground of preventing public nuisance.

Yours faithfully

The reasons for my objection are as follows:

1. We already have drunks roaming the streets of Wimbledon waking us up and urinating in our front gardens. This happens when we have licensing hours. We are certain to see further antisocial and dangerous behaviour if this application is approved. Our Road, Graham Road, already suffers greatly from drunks, please, we cannot make this a 24hr occurrence.

In addition, what is this doing to protect not just local people, but also people who find it impossible to refuse more drink? This is not just about local safety, but the health of those that can't stop themselves.

From Mr M Gordon

Please take note of the following representation.

I am opposed to permitting any Off-Sales by travelodge especially 24 HR.  
I don't oppose a licence to serve alcohol with meals.

In relation to the following:

prevention of crime and disorder.  
prevention of public nuisance.  
public safety.  
protection of children from harm.

Travelodge do not have an excellent record in relation to maintaining public order and minimising nuisance, in particular the local police will be aware for example re. prostitution at TL. Kingston, Feltham and Swansea hotels among several other well reported similar instances. 24 HR offsales are causing disorder at other Travelodges. see Tripadvisor reviews complaining of this.

If Merton have a policy relating to cumulative nuisance please also consider that since two other premises selling drink on Hertfield rd stopped trading we have had far less disturbance at night here from drunks.

- >
- > As a reminder, this hotel is far from what was approved or intended, and as such is already presenting a risk to the residents by attracting clients that are not as intended when planning was approved. While the exterior structure may be similar, the branding and use of the hotel make it entirely unfit for business conventions and business travel (which was the stated purpose for its approval, despite the overwhelming outcry from the neighbourhood).
- >
- > It was promised that while a hotel was not quite in keeping with the area, that this would be a 4-star business hotel offering conferencing space, attracting business travel and housing a clientele which could happily coexist in a low-crime area, family-residential area without increasing the crime, traffic, noise or cleanliness of the streets.
- >
- > Instead, a 2-star hotel which is most popular along motorway junctions and often attractive to the most transient of clientele is now moving in. It will not be attractive as meeting and event space or four star accommodations because it is a 1/2 star hotel, and will likely charge at a rate below those at the nearby Premier Inn on the Broadway (which I might note is a far less residential area than this area is).
- >
- > The existence of this hotel is already a genuine risk for increased crime, traffic and rubbish, and customers whose hours neither align with the nearby occupants of the family homes nor the business patrons it was intended to attract. Adding a new use for the premises that will attract customers between 11pm-9am will severely compound the misalignment of uses presented by building a low service, mid-rise hotel into a residential area. Putting aside that the license may apply to allow hotel guests the ability to purchase drinks during the wee hours, later than most hotels in the area, the price of the rooms in a 1 to 2 star hotel is often cheaper than the cover charge for a club, making it easy enough to attract guests who use it simply for a good party.
- >
- > Granting a 24-hour license, will bring with it traffic at all hours of the night, crime, disruption and behaviours which are inconsistent with the current use of the area and the residents living here. Regardless of how the planning was provided, it's undeniable that it is adjacent to a heavily residential area. Furthermore, limiting the alcohol service license will not hinder the property from attracting guests, it will simply protect the surrounding residential areas from the footfall, noise and disturbances that come with being located next to a 24-hour bar.
- >
- > The decision to permit a mid-rise, low service, low price-point, distinctly non-business friendly branded hotel into a highly residential area presents genuine risks to the residents of the area. Please don't compound this problem by allowing this establishment the right to sell alcohol at all hours of the night. It doesn't need to attract another customer set which is likely to be disruptive to the area. We deserve to be cared for, and for our interest in having a safe, low-crime, low nuisance area for our kids and fellow residents to live in must be heard.
- >
- > Enough has been done in allowing a Travelodge to move in. Please don't compound the mistake by turning it into a 24-hour license. There are too many children in this area to keep making this situation worse, this isn't a business hotel as promised, it's something else, please don't let that "something else" be a haven for antisocial behaviour. Please, we deserve to have a safe place to raise our kids, don't increase the risk of crime, disorder and traffic at all hours of the day and night.

I am a resident on Herbert Road which is right next to Graham Road where this hotel is located and is a lovely, residential road with most families having young children. Having a 24hr alcohol license will bring crime and disorder, noise pollution and general public nuisance as well as putting children at risk. No other bar on Hartfield Road has a 24hr license because it is not suitable for this neighbourhood and very undesirable. Therefore I strongly object to this application for a 24hr alcohol licence.

Good afternoon,

I am writing to object to the above application submitted by Travelodge Limited (27-29 Hartfield Road, Wimbledon, London, SW19 3SG).

The basis for this opposition is that granting a licence for these premises will undermine the licensing objectives, particularly the prevention of public nuisance, crime, disorder and antisocial behaviour.

The property lies within the Council's Cumulative Impact Zone. Enabling the premises to sell alcohol would be totally detrimental to its aims and objectives. The application proposes that alcohol will be sold for consumption on an off the premises 24 hours a day, seven days a week. Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police.

In addition, residents in this area already suffer noise nuisance and antisocial behaviour.

In view of the above, I would urge the Licensing Authority to refuse the application.

Regards,

Annette Lie

Dear Licence Committee,

I am writing to object against the 24.00 hour Licence application to serve alcohol on and off the premises for the travelodge at the top of Graham Road SW19 , at the address of 27 - 29 Hartfield Road SW19 3SG.

Realistically if granted this would set a precedent for all premises serving alcohol in the local area.

My particular objection is the "on and off the premises".

The Premier inn located in the Broadway do not have these 24.00 hour licence for all, so why should the travelodge be the exception. The lack of parking facilities in the neighbourhood, which employees of the travelodge would probably require, the cabs collecting and dropping people off to a 24 hour establishment.

This is not Las Vegas, nobody wants a 24.00 hour licensed establishment on their doorstep.

Apart from this attracting more noise, harassment, and local residents feeling insecure, this does not help with responsible alcohol awareness and its misuse.

Yours Sincerely

M C Maguire

I am re-submitting our objection together with the requested details:

1) **Our Address:**

2) **My name and my wife's name (my wife is in copy):** Mr Farshad Mashoof & Dr Emma Williams.

Our objection is as follows:

We are writing to convey our objection to the application made by Travelodge Limited on 27-29 Hartfield Road seeking (amongst other things) to sell alcohol on and off the premises for 24 hours.

We live on Hartfield Crescent (alongside many young families as well as elderly or vulnerable people). There are already a number of bars and late night venues close by, this already results in significant noise/rukus and mess (broken glass, vomit, urine, litter) on this street and the surrounding areas - which affects our cars, front gardens and bins. The granting of this license would cause a substantial increase in this sort of activity which will almost certainly entail:

- significant and material increases in crime and disorder
- significant and material increased risk from a public safety perspective
- significant and material increased public nuisance
- significant and material increased risk of harm to children

We are strongly opposed to the granting of this licence as alcohol fueled disorder and nuisance is already a problem in the area. There is also a park nearby, school and a couple of nurseries and it seems completely inappropriate to be granting a licence of this nature here on the doorstep of these facilities.

Thanks

I write to object to the Travelodge application WK/202224669 to sell alcohol both on and off premises 24 hours a day, including the following reasons:

1. If the application is approved this Travelodge will become a focal point for those who need more alcohol in the small hours of the morning. This will lead to public nuisance and disorder on the corner of a residential road. We already have drunks roaming the streets of Wimbledon waking us up and urinating in our front gardens. This happens when we have licensing hours. It will likely be more frequent and more damage should this application proceed.
2. This is a wholly unnecessary application. Where is the necessity for this application? What is the business case - that it will attract trade from where? Where will this lead - will this create a precedent so other applicants from some of the pubs around will apply too and be allowed? This is not in the public interest.

3. This is a change to the original application and should be denied on the ground of preventing public nuisance.

Yours faithfully

**Subject:** Application WK/20224669

Good evening

I am a resident at

I object to the 24-hour licensing request put forth by the Travelodge on Graham Road. I object on the basis of public safety, increased traffic, noise and antisocial behaviour which accompanies 24-hour alcohol service establishments.

Furthermore, I believe that a license of this nature would attract transient visitors which are not in keeping with the area which it sits adjacent to, which is a highly residential area with many young families residing here, and would therefore be unduly disruptive to the residents.

As a reminder, this hotel is far from what was approved or intended, and as such is already presenting a risk to the residents by attracting clients that are not as intended when planning was approved. While the exterior structure may be similar, the branding and use of the hotel make it entirely unfit for business conventions and business travel (which was the stated purpose for its approval, despite the overwhelming outcry from the neighbourhood).

It was promised that while a hotel was not quite in keeping with the area, that this would be a 4-star business hotel offering conferencing space, attracting business travel and housing a clientele which could happily coexist in a low-crime area, family-residential area without increasing the crime, traffic, noise or cleanliness of the streets.

Instead, a 2-star hotel which is most popular along motorway junctions and often attractive to the most transient of clientele is now moving in. It will not be attractive as meeting and event space or four star accommodations because it is a 1/2 star hotel, and will likely charge at a rate below those

at the nearby Premier Inn on the Broadway (which I might note is a far less residential area than this area is).

The existence of this hotel is already a genuine risk for increased crime, traffic and rubbish, and customers whose hours neither align with the nearby occupants of the family homes nor the business patrons it was intended to attract. Adding a new use for the premises that will attract customers between 11pm-9am will severely compound the misalignment of uses presented by building a low service, mid-rise hotel into a residential area. Putting aside that the license may apply to allow hotel guests the ability to purchase drinks during the wee hours, later than most hotels in the area, the price of the rooms in a 1 to 2 star hotel is often cheaper than the cover charge for a club, making it easy enough to attract guests who use it simply for a good party.

Granting a 24-hour license, will bring with it traffic at all hours of the night, crime, disruption and behaviours which are inconsistent with the current use of the area and the residents living here. Regardless of how the planning was provided, it's undeniable that it is adjacent to a heavily residential area. Furthermore, limiting the alcohol service license will not hinder the property from attracting guests, it will simply protect the surrounding residential areas from the footfall, noise and disturbances that come with being located next to a 24-hour bar.

The decision to permit a mid-rise, low service, low price-point, distinctly non-business friendly branded hotel into a highly residential area presents genuine risks to the residents of the area. Please don't compound this problem by allowing this establishment the right to sell alcohol at all hours of the night. It doesn't need to attract another customer set which is likely to be disruptive to the area. We deserve to be cared for, and for our interest in having a safe, low-crime, low nuisance area for our kids and fellow residents to live in must be heard.

Enough has been done in allowing a Travelodge to move in. Please don't compound the mistake by turning it into a 24-hour license. There are too many children in this area to keep making this situation worse, this isn't a business hotel as promised, it's something else, please don't let that "something else" be a haven for antisocial behaviour. Please, we deserve to have a safe place to raise our kids, don't increase the risk of crime, disorder and traffic at all hours of the day and night.

Kind regards,

Jonny & Jo Orr

Dear Sirs

I am a resident of Graham road.

I write to object to the application (ref above) to sell alcohol both on and off premises 24 hours a day.

The reasons for my objection are:

1. We already have drunks roaming the streets of Wimbledon waking us up and urinating in our front gardens. This happens when we have licensing hours. It will likely be more frequent and more damage should this application proceed.

2. Wimbledon is a town where the housing is very close to the shops and pubs. The Travelodge is on the corner of Graham Road which has many hundreds of houses. It is not safe for people to buy and drink alcohol 24hrs a day in a residential road with a high number of children in it.

3. If this goes ahead The Travelodge will become a focal point for those who need more alcohol in the small hours of the morning. This will lead to public nuisance and disorder on the corner of a residential road.

**Subject:** Objection to Travelodge Licence Application WK/202224669

Dear Sir/Madam,

Re: Travelodge Ltd, 27-27 Hartfield Road Licence Application WK/202224669

As "interested parties" living in the vicinity of the applicant's premises (Travelodge, 22-27 Hartfield Road), we are writing to object to the above licence application to sell alcohol on and off the premises 24 hours a day. The basis of our objection are concerns related to:

1. crime and disorder:
2. breaches of public safety
3. public nuisance:

For all of the above there is evidence strongly linking increase in alcohol consumption and their incidence.

Additionally:

**4. protection of children from harm.** This is of our particular concern as parents of young children. Children may be at risk if they are exposed to adults who have become intoxicated. 27 Harfield road is 2 minutes walk from a green area where young children play during the day (in Herbert road), a few minutes walk from a children playground in Dundonald road, and a few minutes walk from 3 primary schools: Dundonald, Pelham and St Mary primary schools. Selling alcohol 24 hours a day in the vicinity of these places is not safe.

Sincerely,

Antonio Rodriguez and Alexandra Delcea

Dear sirs,

I was very disappointed to learn of the application for the sale of alcohol for consumption both on and off premises for 24 hours/day by the applicant (reference in subject line).

I would like to voice my very strong objection to this application.

1. Graham Road is already affected by the consumption of alcohol at the low house numbers end of the road. Weekend nights are particularly bad with raucous and drunken behaviour late into the night. The shouting and screaming continues as these people make their way down the road and it sounds as if someone is being attacked. Drinkers gather outside Lygon Court at the top of the road opposite the first few houses in the street. There are instances of urination on the street. Empty and smashed bottles are left lying in the street. This type of behaviour is likely to increase if alcohol is made available for 24 hours.
2. Graham Road is a residential street with families with young children but also several older people who feel threatened by the shouting and by the gathering of large groups of people in the evening and late at night. Coming back in the evening alone, whether by public transport or by car is quite unpleasant under these circumstances. This is also likely to get worse.

The application for a 24 hour license should be denied as both a public nuisance and on the grounds of safety.

Yours faithfully

Jolanta Sabbat

Dear Merton licensing team,

I strongly oppose Travelodge Ltd's new premises licence which includes requests for a 24 hour off-premises alcohol supply and a 5 AM late night refreshment closing time. I urge you to reject it as it will not meet the four main licensing objectives; Prevention of Public Nuisance, Prevention of Crime and Disorder, Securing Public Safety and Protection of Children from Harm.

### **24 Hour Alcohol permission request:**

1- I believe the request for a 24 hour off-premises alcohol licence is excessive and if granted will set a harmful precedent and compromise public safety and increase public nuisance. I don't know of an all night and day open alcohol tap licence in the Wimbledon area.

Another similar-style hotel, Premier Inn at 153-163 The Broadway, was granted a 24 hour in-house (for hotel residents only) alcohol supply license in March 2018.

It was also granted an up to midnight alcohol licence for its Bar&Block restaurant, with conditions, and with a 30 minute extension for bank holidays, New Year's eve and Christmas.

2- The request will also cause public disorder and crime and potentially endanger children: The hotel is sited within the Wimbledon Town Centre CIZ which has seen numerous alcohol-related crime and violence cases. Crime statistics may be lower in 2022 as we emerge from Covid restrictions, but pre-Covid levels were high enough to extend the CIZ when it came up for renewal. An all night alcohol tap will exacerbate crime levels and potentially endanger children heading to school in the early morning if all night/day drinking is on offer. It certainly will not promote public safety and create more litter.

3- The design of the hotel caused concern to the police but planners didn't take any heed with a desire to see the hotel materialise. The police deemed the reception/restaurant on the first floor with access by lift from the ground floor caused a drug dealing and prostitution risk. The pillars and planters with seating were also cause for concern for crime concealment. The all-alcohol licence request is bound to increase risk of crime and ASB. It doesn't instil a feeling of safety even without the alcohol.

4- The area is saturated with alcohol licences, with a pub right across the road which closes at midnight. An extension of one alcohol licence to cover a 24 hour period for off-premise supply will lead to a run from other drink establishments requesting their licences are equated.

### **Request for indoors late night refreshment up to 5 AM**

1- The request for permission for indoors late night refreshment up to 5 AM is also excessive and I urge you to reject it. It will cause public nuisance as people leave in the early hours of the morning

and will cause disturbance to the hotel residents and cause excessive litter (as with off-premises alcohol) but I need more clarification:

- A) What is the definition of late night refreshment? Sandwiches? Burgers?
- B) Will alcohol be served with these late night refreshments?
- C) It's also not clear where this late night refreshment will be taking place; is it in the proposed restaurant and if not, then where?
- D) Who will have access to this indoor late night refreshment? Is it open to the public or only to the hotel residents?
- E) If it is only for the hotel residents, then public access to it must be impossible and security manned.
- F) Will there be any online orders/Deliveroo bikes etc resulting from it?
  
- G) Finally, why can't Travelodge have a food midnight closure like the Premier Inn?

For all the above reasons, I urge you to reject this application.

Yours sincerely,

Sara Sharp

Dear Sirs

I write to object to the application (ref above) to sell alcohol both on and off premises 24 hours a day.

The reasons for my objection are:

1. Public Safety- We can already smell people smoking weed and leaving drinking in the streets of Wimbledon. The children go to nearby schools themselves and with 24 hrs license, this will harm their safety as they would have to walk near the Travelodge. It will likely be more frequent and more damage should this application proceed

2. Wimbledon is a town where the housing is very close to the shops and pubs. The Travelodge is on the corner of Graham Road which has many hundreds of houses. It is not safe for people to buy and drink alcohol 24hrs a day in a residential road with a high number of children in it.

3. If this goes ahead The Travelodge will become a focal point for those who need more alcohol in the small hours of the morning. This will lead to public nuisance and disorder on the corner of a residential road with many young children walking past it for school hours.

4. Where is the necessity for this application? What is the business case - that it will attract trade from where? This is a wholly unnecessary application.

5. Where will this lead - will this create a precedent so other applicants from some of the pubs around will apply too and be allowed? This is not in the public interest.

6. This is a change to the original application and should be denied on the ground of preventing public nuisance.

7. There are already many parking related issues. In last 1 year, I have personally made 2 complaints of people illegally parking in front of my house for 8-10 hrs and I was unable to move my car. With traffic increase on Graham road, issues like this will only go up.

**Subject:** WK/202224669 Address 27-29 Hartfield Road, Wimbledon, London, SW19 3SG Applicant(s) Travelodge Limited Application Type New Premises Licence

Dear Sirs,

My name is Mei Wang and my address is

I refer to the above application for a 24 hour premises license by Travelodge for the sale of alcohol off premises which raises serious concerns.

The hotel is within the Wimbledon Town Centre area which already has a number of premises with late night licenses. We see a lot of anti social behaviour from their customers which include drunken and rowdy behaviour, harassment of others and damage to property such as smashed windows and broken trees and furniture. Permitting 24 sale of alcohol of premises with exacerbate the current problems.

I have no objection to a24 hour licence for the sale of alcohol on premises to hotel guests.

I would ask that the application either be rejected or limited to sale on premises to hotel guests only for the following reasons :

Prevention of Public Nuisance  
Prevention of Crime and Disorder  
Securing Public Safety  
Protection of Children from Harm

Yours faithfully,

**Subject:** Licensing Application Number WK/202224669 : Travelodge, 27-29, Hartfield Road, SW19 3SG

Dear Sir/Madam,

I am writing on behalf of the Wimbledon East Hillside Residents Association (WEHRA) in response to Travelodge's licensing application for their hotel premises at 27-29 Hartfield Road, SW19 3SG.

WEHRA is a formal organisation, working together for over 40 years, with the mandate to 'preserve, protect and enhance our community'. We are a stable community consisting of family homes, the majority owner occupied, with many young families with school children, plus empty nesters and older people who have resided here for many years.

WEHRA represents residents living in ten roads (c.800 households) located to the north of the perimeter of Wimbledon town centre. The WEHRA area abuts the growing hospitality area of Wimbledon Hill Road and is close to the major transport links at Wimbledon Bridge and the Town Centre; therefore, this proposed licence will impact the WEHRA area.

It is noted that the Travelodge premises is within the in The Wimbledon Town Centre Cumulative Impact Zone, to which Merton has applied a Special Policy (Para 9 Merton

Licensing Policy), and that the application is for the **24-hour** sale or supply of alcohol **both on and off the premises**.

WEHRA assumes that, as part of its application, Travelodge has provided an operating schedule, identifying the steps that Travelodge proposes to illustrate that the licence, if granted, would not add to the **cumulative impact** of existing licences in the Town Centre Zone, particularly those in the immediate vicinity.

The Travelodge is situated close to the town's main transport links and just around the corner from the Piazza public space, which are both areas of public gathering and is located near many other licenced premises including, 601 Queen's Road bar, the Prince of Wales pub, Bertie's Bar, The Garratt & Gauge, Bill's, the cinema etc.

Wimbledon Town already has a growing crime rate and incidents of public nuisance as the number of hospitality and entertainment venues increase.

If the licence were granted as applied for, the premises would become yet another licensed venue and one that operates 24-hours, adding to the **cumulative impact** of existing licenced premises in the Town Centre Zone.

In any event, WEHRA **objects** to the 24-hour sale or supply of alcohol for **consumption off the premises**, which we believe cannot be said to promote the four licensing objectives, namely the Prevention of Public Nuisance, Prevention of Crime and Disorder, Securing Public Safety and Protection of Children from Harm.

**WEHRA, therefore, urges the Licensing Committee to decline this Licence Application in its current form.**

Travelodge is operating as an hotel and as such, the sale or supply of alcohol could be restricted to consumption **on the premises by the hotel's residents and their guests**.

WEHRA would not object **if the application is amended** to a licence for the sale or supply of alcohol **only for consumption on the premises by hotel residents and their guests**, nor to this being 24 hours, if appropriate conditions are agreed or imposed. The usual operating conditions e.g., CCTV, late night security etc, should apply to ensure that the licensing objectives referenced above are promoted. This is because of the potential for illegal activities on the premises e.g., prostitution and drug dealing and public disturbance as guests leave, that may proliferate by having a late alcohol licence, especially one that exceeds the hours of other licensed premises in the area.

Please let us know the date of the licensing hearing and whether the applicant is agreeable to amending the licence as proposed above.

Yours faithfully,

Lynne Gordon

Chair, WEHRA
