LAND AT 8A-F SOUTH PARK ROAD, WIMBLEDON, LONDON, SW19 8ST

Temporary Stop Notice

On 12th July 2022, the Council has issued this temporary stop notice alleging that there has been a breach of planning control on the land described in paragraph 4 below.

This temporary stop notice is issued by the Council, in exercise of their power in section 171E of the Act, because they think that it is expedient that the activity specified in this notice should cease on the land described. The Council now prohibits the carrying out of the activity specified in this notice.

A breach of planning control has taken place as a result of the commencement of development works on the Land carried out prior to the discharge of condition 6 of planning permission granted by the Council bearing reference number 21/P3487 for the erection of an additional floor comprising 3 x self-contained residential flats.

The commencement of development works creates an amenity harm to the neighbouring occupiers with regards to noise, dust and general safety, the pedestrians and traffic flow on the highway, the appearance of the property and adjacent highway is a detriment to the visual appearance of the property and streetscene as a result of the commencement of works

For the reasons above it is considered expedient to serve a Temporary Stop Notice to remedy the breach of planning control identified.

Successful Prosecution case-update

7 Streatham Road, Mitcham, CR4 2AD

A pre-application discussion has taken place and the owners are co-operating to mitigate the harm from the outbuilding, this followed a warning letter to the owners threatening direct action for the remedial works following non-compliance to enforcement notices. As previously mentioned, The Council served two enforcement notices on 6th June 2019, requiring the outbuilding to be demolished and to clear debris and all other related materials.

A letter has been written to the land owner to state that The Council is minded to take direct action by engaging a building contractor to undertake the works to secure compliance with the enforcement notices, pursuant to section 178, Town and Country Planning Act 1990 (as amended). This would result in further costs that would be recoverable from you directly. Before embarking on this course of action we wish to allow you a further opportunity to voluntarily comply with the enforcement notices.

The compliance date of the Enforcement Notice relating to the outbuilding to be demolished and to clear debris and all other related materials has now passed without compliance.

The owner has responded with a pre-application meeting which took place at the beginning of July 2022 and appears to be co-operating with the council to remedy the harm by offering to reduce the size of the said breaches.

A brief summary;

The plea hearing took place at Lavender Hill Magistrates Court, where the defendant pleaded not guilty and the second hearing is due on the 14th January 2020.

A second hearing was held on 14th January 2020, and adjourned until 4th February 2020 in order for the defendant to seek further legal advice.

The defendant again appeared in court and pleaded not guilty, a trial date was set for 21st May 2020. Due to the Covid-19 pandemic this has been postponed. The case has been listed for a 'non-effective' hearing on Tuesday 14 July 2020, where a new trial date will be set.

This was postponed until another date yet to be given. The Council has now instructed external Counsel to prosecute in these matters.

The next 'non-effective' hearing date is 2nd October 2020. This date has been re-scheduled to 27th November 2020. This was again re-scheduled to 4th January 2021. Outcome not known at the time of compiling this report.

A trial date has now been set for 28th and 29th April 2021.

At trial the defendant changed his plea from not guilty to guilty on the two charges of failing to comply with the two Planning Enforcement Notices, however due to the current appeals with the Planning Inspectorate relating to two planning application appeals associated with the two illegal developments, sentencing was deferred until 7th October 2021 at Wimbledon Magistrates Court.

The two planning appeals were dismissed dated 5th October 2021.

Sentencing was again deferred until 16th December 2021 at Wimbledon Magistrates Court.

The result of the sentencing hearing was:

1. Fine for the outbuilding EN: £6,000, reduced by 10% so £5,400
