Hi Steve

Thank you yes, just got back from a short break.

The increase for the caravan site will be 7% in line with social housing rent increase and direction from Regulator.

Regards

Hi Haroon,

Hope all's well with you.

As ever, we will need to get any rent increase for Brickfield Road Traveller Site approved by the Council.

Could you please let me know what the proposed increase is this year and the formula used. I will then update the usual report and seek approval.

Many thanks and regards
