Page 14

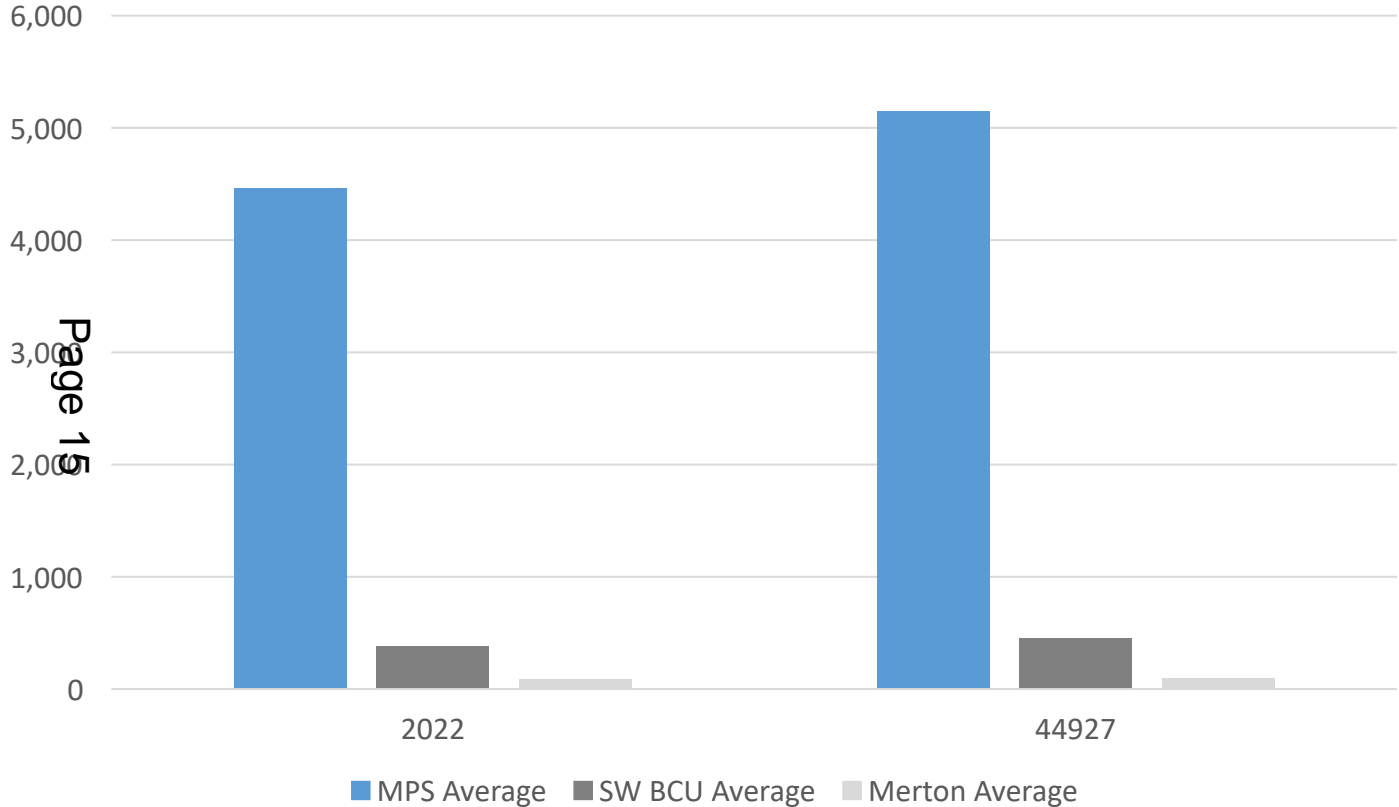

MPS wide we have seen an overall increase in Robbery offences which has spilled into the Merton borough.

Whilst reducing violence and ‘Less Crime’ remains one of our local priorities in SWBCU, and more specifically in Merton – we have recently disrupted some high harm offenders in this area with positive convictions resulting in lower offence rate in this area.

Total Burglary Offences MPS Comparison

Burglary Comparison 2022/2023

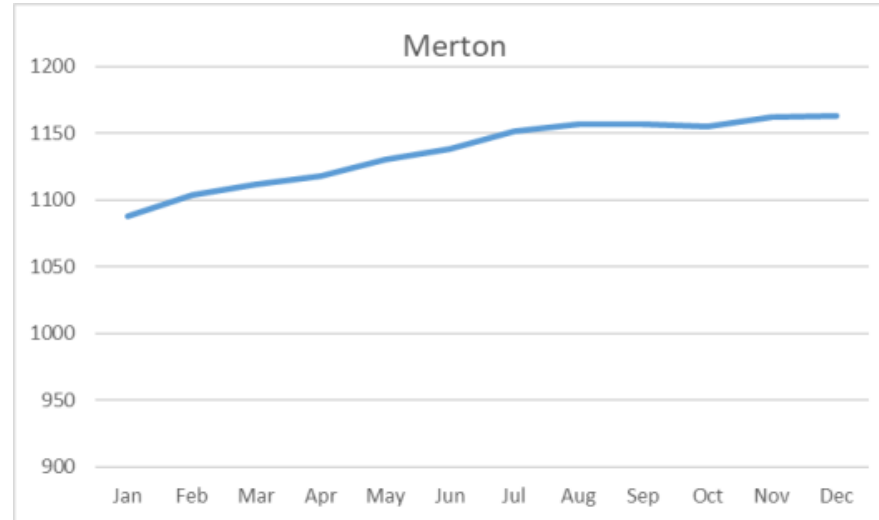

MPS Average 2022 – **4,461**
MPS Jan 23 – **5,146**
