Dear Committee Members

2021/22 Final Audit Results Report

We are pleased to attach our audit results report for the forthcoming meeting of the Standards and General Purposes Committee. This report summarises our audit conclusion in relation to the audit of Merton Pension Fund for 2021/22. Updated matters in this report are included in italics for clarity of the changes since the report was presented to the Committee on 28 November 2022.

Subject to concluding the outstanding matters listed in our report, we anticipate issuing an unqualified audit opinion on the financial statements in the form at Section 3 of this report.

This report is intended solely for the use of the Standards and General Purposes Committee, other members of the Authority, and senior management. It should not be used for any other purpose or given to any other party without obtaining our written consent.

We would like to thank your staff for their help during the engagement and we welcome the opportunity to discuss the contents of this report with you at the Committee meeting.

Yours faithfully

E. Jackson.

Public Sector Audit Appointments Ltd (PSAA) issued the "Statement of responsibilities of auditors and audited bodies". It is available from the PSAA website (<https://www.psa.co.uk/audit-quality/statement-of-responsibilities/>). The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment and further guidance (updated April 2018)" issued by the PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the *Standards and General Purposes Committee and management of the London Borough of Merton Pension Fund* in accordance with the statement of responsibilities. Our work has been undertaken so that we might state to the *Standards and General Purposes Committee, and management of the London Borough of Merton Pension Fund* those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the *Standards and General Purposes Committee and management of the London Borough of Merton Pension Fund* for this report or for the opinions we have formed. It should not be provided to any third-party without our prior written consent.

Executive Summary

Scope update

In our audit planning report dated 26 May 2022, we provided you with an overview of our audit scope and approach for the audit of the financial statements. We carried out our audit in accordance with this plan with the following updates:

Materiality

For the purposes of determining whether the accounts are free from material error, we define materiality as the magnitude of an omission or misstatement that, individually or in the aggregate, in light of the surrounding circumstances, could reasonably be expected to influence the economic decisions of the users of the financial statements.

Our evaluation of it requires professional judgement and necessarily takes into account qualitative as well as quantitative considerations implicit in the definition. We would be happy to discuss with you your expectations regarding our detection of misstatements in the financial statements. Materiality determines the locations at which we conduct audit procedures to support the opinion given on the financial statements; and the level of work performed on individual account balances and financial statement disclosures.

There were no changes required to the materiality that was included within in our audit plan as this was based on the draft financial statements. Planning materiality was set at £9.2m, performance materiality at £6.9m and an audit differences threshold of £0.46m

Additional audit procedures as a result of Covid-19

Other changes in the entity and regulatory environment as a result of Covid-19 that have not resulted in an additional risk, but resulted in the following impact on our audit strategy were as follows:

Information Produced by the Entity (IPE): We identified an increased risk around the completeness, accuracy, and appropriateness of information produced by the entity due to the inability of the audit team to verify original documents or re-run reports on-site from the Fund's systems. We undertook the following to address this risk:

- Used the screen sharing function of Microsoft Teams to evidence re-running of reports used to generate the IPE we audited; and*
- Agree IPE to scanned documents or other system screenshots*

Audit differences

At the date of this report there are no unadjusted audit differences. The Fund has agreed to adjust for a small number of differences arising from our audit, largely relating to updated valuation of investment assets as final year end figures were notified to the Fund after the draft accounts were prepared. We include further details in Section 4.

Executive Summary

Status of the audit

Our audit work in respect of the Fund opinion is substantially complete. The following items relating to the completion of our audit procedures were outstanding at the date of this report.

- *Agreement of all final amendments to the financial statements and annual report*
- *Update of our subsequent events procedures to the date of our opinion*
- *Receipt of a signed letter of management representation.*

Subject to the satisfactory completion of these procedures and receipt of authorised financial statements we are proposing an unqualified opinion - see Section 3.

Executive Summary

Areas of audit focus

Our audit plan identified significant risks and areas of focus for our audit of the financial statements. We summarise below our latest findings.

Significant risk	Findings & conclusions
Misstatement due to Fraud or Error – Posting of investment journals	We have completed our testing and found no indications of management override of controls. We linked this risk to the manipulation of Investment income and valuation through posting of investment journals.
Valuation of Level 3 investments	<p>We undertook additional procedures, as described more fully in Section 2 of this report, to gain material assurance over the year-end valuation of the Fund's Level 3 investments which are disclosed as level 3 in the fair value hierarchy and therefore inherently more difficult to value.</p> <p>There was a late adjustment to the valuations of Level 3 investment assets resulting in a £4.4m understatement of the fund. Management have subsequently amended this.</p> <p>Our work in this area is ongoing.</p> <p>Update – Our work in this area is now complete and there are no further matters to bring to your attention.</p>
Other area of audit focus	Findings & conclusions
IAS 26 disclosure - Actuarial Present Value of Promised Retirement Benefits (Inherent risk)	<p>We carried out procedures as set out in our Audit Plan to gain assurance over the IAS 26 actuarial statement and the associated disclosure of the actuarial present value of promised retirement benefits as a note to the accounts.</p> <p>We have completed our work in this area and have no other matters to bring to your attention.</p>
Going concern (Area of focus)	<p>We are in the process of reviewing the cashflow to support the Fund's disclosure.</p> <p>Update - We are satisfied with management's assessment that it is appropriate for the financial statements to be prepared on a going concern basis which is reasonable and supported by evidence, including a cashflow forecast, for the foreseeable future.</p>

This report sets out our latest observations and conclusions on the above matters, and any others identified, in the "Areas of Audit Focus" section of this report. We ask you to review these and any other matters in this report to ensure:

- There are no other considerations or matters that could have an impact on these issues; and
- You agree with the resolution of the issues; and there are no other significant issues to be considered.

There are no matters, apart from those reported by management or disclosed in this report, which we believe should be brought to your attention.

Executive Summary

Control observations

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements and which is unknown to you.

Other reporting issues

We have no other matters to report.

Independence

Please refer to Section 7 for our update on Independence.

There are no relationships from 1 April 2021 to the date of this report, which we consider may reasonably be thought to bear on our independence and objectivity.

02 Areas of Audit Focus

Significant risk

Misstatements due to fraud or error

What is the risk?

The financial statements as a whole are not free of material misstatements whether caused by fraud or error. As identified in ISA (UK) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.

We identify and respond to this fraud risk on every audit engagement.

We have considered where this risk manifests and we consider this to be in the manipulation of Investment income and valuation of assets (see slide 11).

Page 16

What did we do?

- To address this risk we confirm that we have performed the following procedures:*
- We inquired of management about risks of fraud and the controls put in place to address those risks;*
 - We obtained an understanding the oversight given by those charged with governance of management's processes over fraud;*
 - We considered the effectiveness of management's controls designed to address the risk of fraud;*
 - We performed mandatory procedures regardless of specifically identified fraud risks, including;*
 - testing of journal entries and other adjustments in the preparation of the financial statements;*
 - reviewing accounting estimates for evidence of management bias; and*
 - evaluating the business rationale for significant unusual transactions.*
 - We utilised our data analytics capabilities to assist with our work, including journal entry testing; and*
 - We assessed journal entries for evidence of management bias and evaluate for business rationale.*

What are our conclusions?

We have not identified any material weaknesses in controls or evidence of material management override.

We have not identified any instances of inappropriate judgements being applied.

We did not identify any other transactions during our audit which appeared unusual or outside the Fund's normal course of business.

Areas of Audit Focus

Significant risk

Risk of manipulation of Investment income and valuation (Misstatements due to fraud and error)

What is the risk?

As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.

What judgements are we focused on?

We assessed that the risk of manipulation of investment income and valuation through management override of controls was most likely to affect investment income and assets in the year, specifically through journal postings.

What did we do?

Tested journals at year-end to ensure there are no unexpected or unusual postings;

Undertook a review of reconciliations to the fund manager and custodian reports and investigated any reconciling differences;

Re-performed the detailed investment note using the reports we have acquired directly from the custodians or fund managers, including the agreement of investment additions and disposals in the year;

Sought to obtain further independent support for the valuation of pooled year-end investments where this can be obtained;

Checked the reconciliation of holdings included in the Net Assets Statement back to the source reports; and

Reviewed accounting estimates for evidence of management bias.

We utilised our data analytics capabilities to assist with our work, including journal entry testing. We assessed journal entries for evidence of management bias and evaluated for business rationale.

What are our conclusions?

We have not identified any material weaknesses in controls or evidence of material management override.

We have not identified any instances of inappropriate judgements being applied.

We did not identify any other transactions during our audit which appeared unusual or outside the Pension Fund's normal course of business.

Significant risk

Valuation of Level 3 investments

What is the risk?

We consider the valuation of Level 3 investments to be of a higher degree of inherent risk due to the unobservable inputs making up the valuations. Valuation of these assets involves a high degree of estimation from the fund manager as audited accounts supporting the valuation are only produced up to Quarter 3 of the financial year and may also be made more difficult because of current market volatility.

What judgements are we focused?

The Fund's level 3 investments include investments that require the fund to make judgements, often using the work of a fund manager or custodian, to value those investments whose prices are not publicly available. The material nature of investments means that any error in judgement and estimate could result in a material valuation error.

Current market volatility means such judgments can quickly become outdated, especially when there is a significant time period between the latest available audited information and the Fund year end. Such variations could have a material impact on the financial statements.

What are our conclusions?

We have noted that management made a late adjustment to the financial statements to increase the value of Level 3 investments by £4.4m.

This was to ensure the financial statements agreed to updated information received from Private market investments.

Our work in this area is ongoing and we will verbally update the Committee.

Update – Our work in this area is now complete and there are no other matters to report.

Significant risk

Valuation of level 3 investments - further details on procedures/work performed

We:

- *Triangulated the valuation reports from the fund managers and custodians to the entries in the financial statements*
- *Obtained audited financial statements supporting the investments, controls assurance reports and bridging letters for the controls reports to year end*
- *Considered the work performed by the fund managers, including the adequacy of the scope of the work performed, their professional capabilities and the results of their work*
- *Challenged the key assumptions used by the fund managers in valuations and considered further whether specialist support is needed to support our work in this area. We concluded no such further support was necessary*
- *Tested accounting entries had been correctly processed in the financial statements.*

Page 19

audited financial statements supporting valuations were only available to 30 June 2021 and 31 December 2021. We evaluated those financial statements to gain assurance that:

- *The audit report was not qualified or otherwise modified*
- *The audit report did not contained material uncertainties in respect of going concern and that there were no other matters emphasised that would impact valuation*
- *The audit report was issued by a reputable auditor.*

We also evaluated controls assurance reports to gain assurance they were not qualified and there were no specific control failures that could impact the valuation of investments.

To gain assurance over the valuation of level 3 investments at the Net Asset Statement date of 31 March 2022, we:

- *Agreed the net asset value of private debt and infrastructure investments to underpinning audited financial statements as at 31 December. We then adjusted the 31 December 2021 valuation for known calls and puts in the final quarter of the year assuming they occurred at the start of the quarter*
- *Used available quarter 3 to 4 indices relevant to the type of investment to create a high/low range of movements for quarter 4 and applied that to the valuation derived for each investment. We confirmed that the range established was not greater than our performance materiality*
- *We compared the valuation in the financial statements to the range established to gain assurance investments values in the financial statements were not materially outside the expected range.*

Inherent risks and other areas of audit focus

We have identified other areas of the audit, that have not been classified as significant risks, but are still important when considering the risks of material misstatement to the financial statements and disclosures and therefore may be matters that we report on.

What is the risk/area of focus?

IAS 26 disclosure - Actuarial Present Value of Promised Retirement Benefits (Inherent risk)

We consider the valuation of IAS 26 to be of a higher degree of inherent risk because of the level of estimation uncertainty resulting from the calculation using a number of underlying assumptions. The actuary is required to make assumptions on salary increases, discount rates, pension rates, scheme member longevity and other variables. While IAS 26 does not inform the primary statements, there is stakeholder interest in this disclosure due to its nature.

Going Concern Disclosure (Area of focus)

There is a presumption that the Fund will continue as a going concern for the foreseeable future. However, the Fund is required to carry out a going concern assessment that is proportionate to the risks it faces. In light of the continued impact of Covid-19 there is a need for the Fund to ensure its going concern assessment, including its cashflow forecast, is thorough and appropriately comprehensive.

The Fund is required to ensure that its going concern disclosure within the statement of accounts adequately reflects its going concern assessment and in particular highlights any uncertainties it has identified.

What did we do?

We have:

- Agreed the disclosure to the IAS 26 actuarial statement and reporting requirements
- Engaged auditor's specialists to review the IAS 26 calculation approach and comment on the underlying assumption
- Reviewed the work of the management specialist (Barnett Waddingham, the actuary) and auditor's specialist
- Considered the controls used by Barnett Waddingham in undertaking the calculation
- Performed IAS 19 procedures, which give us assurance over the data input into the calculation

We have completed our work in this area and have no matters to bring to your attention.

We are currently in the process of reviewing the Fund's cashflow forecast in support of the going concern assumption.

We will provide the Committee with a verbal update with our progress in this area.

Update - We are satisfied with management's assessment that it is appropriate for the financial statements to be prepared on a going concern basis which is reasonable and supported by evidence, including a cashflow forecast, for the foreseeable future.

We are also satisfied that the disclosure in the financial statements meets the requirements of the revised auditing standard.

03 Audit Report

Audit Report

DRAFT INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE LONDON BOROUGH OF MERTON

Our opinion on the financial statements

Opinion

We have audited the pension fund financial statements for the year ended 31 March 2022 under the Local Audit and Accountability Act 2014. The pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes 1 to 24. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

In our opinion the pension fund financial statements:

- give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2022 and the amount and disposition of the fund's assets and liabilities as at 31 March 2022, and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the pension fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the Comptroller and Auditor General's (C&AG) AGN01, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Acting Executive Director of Finance and Digital use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the authority's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Acting Executive Director of Finance and Digital with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the authority's ability to continue as a going concern.

Other information

- The other information comprises the information included in the London Borough of Merton Statement of Accounts 2021/22, other than the financial statements and our auditor's report thereon. The Acting Executive Director of Finance and Digital is responsible for the other information contained within the Statement of Accounts 2021/22.
- Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Audit Report

DRAFT INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE LONDON BOROUGH OF MERTON

Our opinion on the financial statements

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we report by exception

We report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;*
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;*
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;*
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or*
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.*

We have nothing to report in these respects.

Responsibility of the Acting Executive Director of Finance and Digital
As explained more fully in the Statement of the Acting Executive Director of Finance and Digital' Responsibilities set out on page 188, the Acting Executive Director of Finance and Digital is responsible for the preparation of the Authority's Statement of Accounts, which includes the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, and for being satisfied that they give a true and fair view. The Acting Executive Director of Finance and Digital is also responsible for such internal control as the Acting Executive Director of Finance and Digital determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Acting Executive Director of Finance and Digital is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Administering Authority either intends to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Audit Report

DRAFT INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE LONDON BOROUGH OF MERTON

Our opinion on the financial statements

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with Acting Executive Director of Finance and Digital. Our approach was as follows:

We obtained an understanding of the legal and regulatory frameworks that are applicable to the Pension Fund and determined that the most significant are the Local Government Pension Scheme Regulations 2013 (as amended), and The Public Service Pensions Act 2013.

We understood how the Fund is complying with those frameworks by making enquiries of management. We corroborated this through [our reading of the Pension Board minutes, through enquiry of employees to confirm Pension policies, and through the inspection of employee handbooks and other information.

Based on this understanding, we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved making enquiries of the management for their awareness of any non-compliance of laws or regulations, inspecting correspondence with the Pensions Regulator and review of minutes.

We assessed the susceptibility of the Fund's financial statements to material misstatement, including how fraud might occur by considering the key risks impacting the financial statements and documenting the controls that the Fund has established to address risks identified, or that otherwise seek to prevent, deter or detect fraud.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any identified significant transactions that were unusual or outside the normal course of business. These procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error.

To address our fraud risk of manipulation of investment income and valuation we:

- O Undertook a review of reconciliations to the fund manager, custodian and valuer reports and investigated any reconciling differences;*
- O Re-performed the detailed investment note using the reports we have acquired directly from the custodian, valuer or fund managers;*
- O Checked the reconciliation of holdings included in the Net Assets Statement back to the source reports; and*
- O Reviewed accounting estimates for evidence of management bias, including estimates with a higher level of inherent risk.*

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of

Audit Report

DRAFT INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE LONDON BOROUGH OF MERTON

Our opinion on the financial statements

The Fund is required to comply with The Local Government Pensions Scheme regulations, other legislation relevant to the governance and administration of the Local Government Pension Scheme and requirements imposed by the Pension Regulator in relation to the Local Government Pension Scheme. As such, we have considered the experience and expertise of the engagement team including the use of specialists where appropriate, to ensure that the team had an appropriate understanding of the relevant pensions regulations to assess the control environment and consider compliance of the Fund with these regulations as part of our audit procedures.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the members of the London Borough of Merton, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

04 Audit Differences

Audit Differences

In the normal course of any audit, we identify misstatements between amounts we believe should be recorded in the financial statements and the disclosures and amounts actually recorded. These differences are classified as “known” or “judgemental”. Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

Summary of adjusted and uncorrected differences

There were no audit differences greater than £6.9m which have been corrected by management or other specific misstatements identified during the course of our audit which we wish to draw to your attention.

There were no uncorrected audit differences.

05 Other reporting issues

Other reporting issues

Consistency of other information published with the financial statements, including the Annual Governance Statement

We must give an opinion on the consistency of the financial and non-financial information in the London Borough of Merton Pension Fund Annual report and the audited Financial Statements 2021/22 included within the London Borough of Merton Financial Statements 2021/22.

We are satisfied that the pension fund financial statements within the pension fund annual report with the pension fund financial statements in the statement of accounts of the London Borough of Merton for the year ended 31 March 2022.

Our work in this area is ongoing.

Update – We have no issues to bring to your attention as a result of our work.

Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Authority to consider it or to bring it to the attention of the public (i.e. “a report in the public interest”). We also have a duty to make written recommendations to the Authority, copied to the Secretary of State, and take action in accordance with our responsibilities under the Local Audit and Accountability Act 2014. We have had no reason to exercise these duties.

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of the Fund’s financial reporting process. We have no matters to report.

06

Assessment of Control Environment

Assessment of Control Environment

Financial controls

It is the responsibility of the Fund to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Fund has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

As part of our audit of the financial statements, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. As we have adopted a fully substantive approach, we have therefore not tested the operation of controls.

Although our audit was not designed to express an opinion on the effectiveness of internal control we are required to communicate to you significant deficiencies in internal control.

We have not identified any significant deficiencies in internal control.

Independence

Relationships, services and related threats and safeguards

The FRC Ethical Standard requires that we provide details of all relationships between Ernst & Young (EY) and the Fund, and its members and senior management and its affiliates, including all services provided by us and our network to the Fund, its members and senior management and its affiliates, and other services provided to other known connected parties that we consider may reasonably be thought to bear on the our integrity or objectivity, including those that could compromise independence and the related safeguards that are in place and why they address the threats.

There are no relationships from 1 April 2021 to the date of this report, which we consider may reasonably be thought to bear on our independence and objectivity.

Services provided by Ernst & Young

The table below sets out a summary of the fees that you have paid to us in the year ended 31 March 2022 in line with the disclosures set out in FRC Ethical Standard and in statute.

As at the date of this report, there are no future services which have been contracted and no written proposal to provide non-audit services has been submitted.

	Planned Fee 2021/22	Final Fee 2020/21
	£	£
Scale Fee – Code work (1)	16,170	16,170
Final 2020/21 scale fee variation determined by PSAA (see Note 1)	-	16,078
Increased fee for carrying out the 2021/22 audit (see Note 2)	35,397	-
2021/22 Risk based scale fee variation not yet quantified (see Note 3)	TBC	-
Additional fee for IAS19 assurance work on behalf of admitted bodies	8,500	8,000
Total	TBC	40,248

All fees exclude VAT

Note 1 - The 2020/21 additional fees have been determined by PSAA at £16,078.

Note 2 - In order to meet regulatory and compliance audit requirements not present in the market at the time of our bid to PSAA for this contract, we assessed that the recurrent cost of additional requirements to carry out our audit should increase by £35,397. We remain in discussion with PSAA about increasing the scale fee to reflect the additional work auditors are required to complete.

Note 3 - We have yet to quantify our proposed risk based scale fee variation for 2021/22. We will report our proposed 2021/22 scale fee variation to management and the Standards and General Purposes Committee in due course.

Audit approach update

We summarise below our approach to the audit of the net asset statement and any changes to this approach from the prior year audit.

Our audit procedures are designed to be responsive to our assessed risk of material misstatement at the relevant assertion level. Assertions relevant to the balance sheet include:

- Existence: An asset, liability and equity interest exists at a given date*
- Rights and Obligations: An asset, liability and equity interest pertains to the entity at a given date*
- Completeness: There are no unrecorded assets, liabilities, and equity interests, transactions or events, or undisclosed items*
- Valuation: An asset, liability and equity interest is recorded at an appropriate amount and any resulting valuation or allocation adjustments are appropriately recorded*

Presentation and Disclosure: Assets, liabilities and equity interests are appropriately aggregated or disaggregated, and classified, described and disclosed in accordance with the applicable financial reporting framework. Disclosures are relevant and understandable in the context of the applicable financial reporting framework

There were no significant changes to our audit approach, but we did undertake more granular procedures to gain assurance over the valuation of both level 3 investments and the IAS 26 disclosure of the actuarial present value of promised retirement benefits disclosed as a note to the accounts.

Draft management representation letter

Management Rep Letter

This letter of representations is provided in connection with your audit of the financial statements of the London Borough of Merton Pension Fund (“the Fund”) for the year ended 31 March 2022. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial transactions of the Fund during the period from 1 April 2021 to 31 March 2022 and of the amount and disposition of the Fund’s assets and liabilities as at 31 March 2022, other than liabilities to pay pensions and benefits after the end of the period, have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

We understand that the purpose of your audit of the Fund’s financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

- 1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.*
- 2. We confirm that the Fund is a Registered Pension Scheme. We are not aware of any reason why the tax status of the scheme should change.*

- 3. We acknowledge, as members of management of the Fund, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position and the financial performance of the Fund in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, and are free of material misstatements, including omissions. We have approved the financial statements.*

- 4. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.*

- 5. As members of management of the Fund, we believe that the Fund has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 that are free from material misstatement, whether due to fraud or error.*

- 6. We have disclosed to you any significant changes in our processes, controls, policies and procedures that we have made to address the effects of the COVID-19 pandemic on our system of internal controls.*

- 7. We have disclosed to us any significant changes in our processes, controls, policies and procedures that you have made to address the effects of the conflict and related sanctions in Ukraine, Russia and/or Belarus on your system of internal controls. That you do not believe that there are any significant changes.*

- 8. There are no unadjusted audit differences identified during the current audit and pertaining to the latest period presented.*

B. Non-compliance with laws and regulations including fraud

- 1. We acknowledge that we are responsible for determining that the Fund’s activities are conducted in accordance with laws and regulations and that we are responsible for identifying and addressing any non-compliance with applicable laws and regulations, including fraud.*

- 2. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.*

3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

4. We have not made any reports to The Pensions Regulator, nor are we aware of any such reports having been made by any of our advisors.

5. There have been no other communications with The Pensions Regulator or other regulatory bodies during the Fund year or subsequently concerning matters of non-compliance with any legal duty.

6. We have no knowledge of any identified or suspected non-compliance with laws or regulations, including fraud that may have affected the Fund (regardless of the source or form and including without limitation, any allegations by “whistleblowers”), including non-compliance matters:

- Involving financial improprieties
- Related to laws or regulations that have a direct effect on the determination of material amounts and disclosures in the Fund’s financial statements
- Related to laws and regulations that have an indirect effect on amounts and disclosures in the financial statements, but compliance with which may be fundamental to the operations of the Fund, its ability to continue, or to avoid material penalties
- Involving management, or employees who have significant roles in internal control, or others
- In relation to any allegations of fraud, suspected fraud or other non-compliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.

C. Information Provided and Completeness of Information and Transactions

1. We have provided you with:

- Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters.
- Additional information that you have requested from us for the purpose of the audit.

determined it necessary to obtain audit evidence.

2. You have been informed of all changes to the Fund rules.

3. All material transactions have been recorded in the accounting records and all material transactions, events and conditions are reflected in the financial statements, including those related to the COVID-19 pandemic and to the conflict and related sanctions in Ukraine, Russia and/or Belarus.

4. We have made available to you all minutes of the meetings of members of the management of the Fund and committees of members of the management of the Fund held throughout 2021/22 to the most recent meeting.

5. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Fund’s related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the period end. These transactions have been appropriately accounted for and disclosed in the financial statements.

6. We confirm the completeness of information provided regarding annuities held in the name of the members of the management of the Fund.

7. We have disclosed to you, and the Fund has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.

8. No transactions have been made which are not in the interests of the Fund members or the Fund during the fund year or subsequently.

9. We believe that the methods, significant assumptions and the data we used in making accounting estimates and related disclosures are appropriate and consistently applied to achieve recognition, measurement and disclosure that is in accordance with CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

Management Rep Letter

10. From the date of our last management representation letter through the date of this letter we have disclosed to you any unauthorized access to our information technology systems that either occurred or to the best of our knowledge is reasonably likely to have occurred based on our investigation, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material impact to the financial statements, in each case or in the aggregate.

D. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the financial statements.
2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
3. We have recorded and/or disclosed, as appropriate, all liabilities related to litigation and claims, both actual and contingent, and have disclosed in Note 24 to the financial statements all guarantees that we have given to third parties.

E. Going Concern

1. Note 2.1 to the financial statements discloses all the matters of which we are aware that are relevant to the Company's ability to continue as a going concern, including significant conditions and events, our plans for future action, and the feasibility of those plans.

F. Subsequent Events

1. Other than described in Note 6 to the financial statements, there have been no events, including events related to the COVID-19 pandemic, or related to the conflict and related sanctions in Ukraine, Russia and/or Belarus subsequent to period end which require adjustment of or disclosure in the financial statements or notes thereto.

G. Other information

1. We acknowledge our responsibility for the preparation of the other information. The other information comprises the London Borough of Merton Pension Fund Annual Report 2021/22.
2. We confirm that the content contained within the other information is consistent with the financial statements.

H. Independence

1. We confirm that, under section 27 of the Pensions Act 1995, no members of the management of the Fund of the Scheme is connected with, or is an associate of, Ernst & Young LLP which would render Ernst & Young LLP ineligible to act as auditor to the Scheme.

I. Derivative Financial Instruments

1. We confirm that all investments in derivative financial instruments have been made after due consideration by the members of the management of the Fund of the limitations in their use imposed by The LGPS Management and Investment of Funds Regulations 2016. The Fund's Investment Strategy Statement has been duly reviewed to ensure that such investments comply with any limitations imposed by its provisions. The financial statements disclose all transactions in derivative financial instruments that have been entered into during the period, those still held by the members of the management of the Fund at the Fund's year end and the terms and conditions relating thereto.
2. Management has duly considered and deemed as appropriate the assumptions and methodologies used in the valuation of 'over the counter' derivative financial instruments which the Fund is holding, and these have been communicated to you.

J. Pooling investments, including the use of collective investment vehicles and shared services

1. We confirm that all investments in pooling arrangements, including the use of collective investment vehicles and shared services, meet the criteria set out in the November 2015 investment reform and criteria guidance and that the requirements of the LGPS Management and Investment of Funds Regulations 2016 in respect of these investments has been followed.

K. Actuarial valuation

1. The latest report of the actuary Barnett Waddingham as at 31 March 2019 and dated 27 March 2020 has been provided to you. To the best of our knowledge and belief we confirm that the information supplied by us to the actuary was true and that no significant information was omitted which may have a bearing on his report.

L. Use of the Work of a Specialist

1. We agree with the findings of the specialists that we have engaged to value the fund and have adequately considered the qualifications of the specialists in determining the amounts and disclosures included in the financial statements and the underlying accounting records. We did not give or cause any instructions to be given to the specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an effect on the independence or objectivity of the specialists.

M. Estimates

1. We confirm that the significant judgments made in making the IAS26 disclosure and fair value hierarchy level 3 investment asset valuations have taken into account all relevant information and the effects of the COVID-19 pandemic of which we are aware.

2. We believe that the selection or application of the methods, assumptions and data used by us have been consistently and appropriately applied or used in making the accounting estimate.

3. We confirm that the significant assumptions used in making the accounting estimate appropriately reflect our intent and ability to carry out the specific courses of action on behalf of the entity.

4. We confirm that the disclosures made in the financial statements with respect to the accounting estimate(s), including those describing estimation uncertainty and the effects of the COVID-19 pandemic, or related to the conflict and related sanctions in Ukraine, Russia and/or Belarus, are complete and are reasonable in the context of CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

5. We confirm that appropriate specialized skills or expertise has been applied in making the estimate.

6. We confirm that no adjustments are required to the accounting estimate(s) and disclosures in the financial statements, including due to the COVID-19 pandemic, or related to the conflict and related sanctions in Ukraine, Russia and/or Belarus.
