

## Sustainable Communities Work Programme 2023/24

This table sets out the draft Sustainable Communities Overview and Scrutiny Panel's Work Programme for 2023/24 following discussions at the topic workshop on 7 June 2023.

The work programme will be considered at every meeting of the Panel to enable it to respond to issues of concern or to request new pre-decision items ahead of their consideration by Cabinet/Council.

The work programme table shows items on a meeting by meeting basis, identifying the issue under review, the nature of the scrutiny (pre decision, policy development, issue specific, performance monitoring, partnership related) and the intended outcomes.
