From Cllr Michael Paterson to the Cabinet Member for Housing and Sustainable Development

When the Labour administration forced the unpopular Local Plan through council, with the assistance of the Liberal Democrats, a major reason given by the administration was that it would provide a five-year housing land supply that would prevent overdevelopment such as at the Burlington Road site.

The Local Plan was due to be adopted in Spring 2022, however, this has not happened, and the council still cannot demonstrate a five year housing land supply. This led to the Wimbledon Chase site being given permission as the council would not be able to defend a refusal. When does the Cabinet Member expect the Local Plan to be approved by the Planning Inspectorate?
