Having tried to get the responsible persons to comply with the notice and arrange another visit, they have appealed against the notice, we are awaiting for the outcome of the appeal from the planning inspectorates.

They are required to permanently remove the Trailer from the Land that facilitates the Unauthorised Use. The council are reviewing the next steps.

### **205 London Road, Morden, SM4 5PT -Enforcement Notice-Appealed**

An enforcement has been served for the unauthorised erection of a rear roof extension and a single storey rear/side extension, an appeal has been submitted against the notice.

### **8 Dahlia Gardens -Potential prosecution for non-compliance of enforcement notice**

The Council issued an enforcement notice for the unauthorised construction of an upper-floor extension to an existing detached outbuilding without the benefit of planning permission. This came immediately after the refusal of planning application for the same under ref no. 22/P1540.

What was single storey outbuilding was altered into a two storey outbuilding, and by reason of its design and form fails to blend and integrate well with its surroundings, is considered to be unduly dominant and visually intrusive, having a negative impact on the character and appearance of Dahlia Gardens and Hadley Road. It created unacceptable loss of light, privacy and outlook toward the adjoining properties along Dahlia Gardens and Hadley Road.

Officers conducted a Notice of Entry to visit in March to see works are not complied with the notice and a further letter of alleged offence in April 2023, the council will review next steps to potential prosecution for non-compliance of the said notice.

Officers are now reviewing formal legal action.

### **153A Dorset Road Merton Park London SW19 3EQ- Enforcement Notice issued-Appealed**

Notice served against the conversion of the outbuilding on the Land into a self-contained residential unit.

The conversion of the outbuilding to a self-contained unit, by reason of size and layout would fail to provide an acceptable standard of residential accommodation and living space resulting in a cramped and unsatisfactory standard of accommodation to the detriment of the amenities of current and future occupiers. It does not provide sufficient secure, integrated, convenient and accessible cycle parking nor refuse and recycling facilities. It creates a harmful impact to amenity to the host and neighbouring properties by reasons of noise, lack of privacy and disruption and creates limited outdoor amenity space for both the occupiers of the outbuilding and the main dwelling on the site. The requirement is to cease the use of the outbuilding as a self-contained residential unit. The notice has been appealed.

### **37 Octavia Close, Mitcham –Enforcement Notice issued-Appealed**

Unauthorised erection of a front porch, and enforcement notice was issued for its removal. The Porch by the virtue of its size, siting and design is considered visually obtrusive, incongruous and unsympathetic to the character and appearance of the dwelling, locality, and character of the area in general. The applicants have appealed against the notice.

### **59 Epsom Road, Morden-Enforcement Notice issued-Appealed**

Use of the outbuilding at the rear of the Land as a self-contained residential unit. The change of use has a negative effect on the neighbouring properties and local residents in terms of noise as the occupiers would use the alley way on a daily basis; the front of the garage/outbuilding has been fenced off to provide a private amenity space. This would result in further noise issues when in use by any occupiers. The amenity space enjoyed by the occupiers of the host site has been reduced. The gardens abutting the alleyway are open spaces and are open to crime, no preventive design measures have been taken into consideration to combat crime. The applicants have appealed against the notice.

## **Successful Prosecution case-update**

### **7 Streatham Road, Mitcham, CR4 2AD- Summary of the prosecution;**

The Council served two enforcement notices on 6th June 2019 for the unauthorised outbuilding and roof extension, the enforcement notice required the outbuilding to be demolished and to clear debris and all other related materials. Following the non-compliance of said notices, this is a criminal offence which lead to prosecution proceedings.

The result of the sentencing hearing was:

1. Fine for the outbuilding EN: £6,000, reduced by 10% so £5,400
2. Fine for the dormer EN: £12,000, reduced by 10% so £10,800
3. Surcharge: £181
4. Costs: £14,580
5. Total being £30,961. To be paid over a period of three years in monthly instalments.

The defendant was fined for the outbuilding and the dormer extensions due to non-compliance with two enforcement notices.

### **Latest**

Enforcement officers have written to the landowner to state that The Council is minded to take direct action to undertake the works to secure compliance with the enforcement notices, pursuant to section 178, Town and Country Planning Act 1990 (as amended). This would result in further costs that would be recoverable from them directly.

To date the notice still has not been complied with, in October 2022, a meeting was taken place with a contractor to get quotes for the removal of both outbuilding and roof extension and rebuilding of the roof.

Quotes were received in November 2022 and discussions were had internally in view to accept one of the tasks involved to do it in stages due to budget reasons (removal of outbuilding first and then dormer and rebuild later), it is understood that any agreement of such works needs approval by the council.

The council warned about direct action to the owner and responded back in February that they have not complied with the notice yet and not able to, the council are looking into going ahead with direct action having obtained quotes form a suitable contractor.

An appeal has come in for the refused certificate of lawfulness for the outbuilding to be permitted development, a site was conducted by officers and the inspectors, we are now awaiting the planning inspectorates decision on this.
