2.00 New Enforcement Actions

2.01 Land and premises known as 336 Lynmouth Avenue, Morden SM4. An enforcement notice was issued on 1st September 2014 against the unauthorised change of use of the land to a mixed use comprising a dwellinghouse and hostel accommodation involving the use of an outbuilding to the rear of the land as student accommodation. The notice would come into effect on 6th October 2014 unless there is an appeal prior to that date and the compliance period would be 2 calendar months. The requirements are for the unauthorised use to cease and the removal of the wooden decking and banister at the front of the outbuilding.

2.02 Burn Bullock, 315 London Road, Mitcham CR4 A Listed Buildings Repair Notice (LBRN) was issued on 27th August 2014 to require a schedule of works to be carried out for the preservation of the Building which is listed. The notice came into effect immediately and as a first step requires the owner to submit an application for planning and listed building consent by 27th October 2014 for consideration. The schedule of works covering the roof and rainwater goods, masonry, chimney, render repairs, woodwork, glazing external and internal repairs, should be completed within five months of the approval date.

Some Recent enforcement actions

- 2.03 110 Nelson Road** An enforcement notice was issued on 23rd July 2014 against the breach of condition 3 forming part of a planning permission (Council ref. No. 04/P1366) granted on 26th August 2004 for the works to the property at 110 Nelson Road and its conversion from a house into two flats. Condition 3 prohibits the occupation of the Land unless a privacy screen has been formed on the first floor roof terrace to a design and with materials which shall first have been approved by the Council. The notice takes effect on 27th August 2014 unless an appeal is made prior to that date and the owners have 7 days to comply with the requirement of the notice.

There are currently on-going discussions on this with the relevant parties to resolve this.

- 2.04 Burn Bullock, 315 London Road, Mitcham CR4** An enforcement notice was issued on 9th July 2014 against the material change of use of the car park on the land for the sale of motor vehicles. The notice came into effect on 20th August 2014 as there was no appeal prior to that date and the compliance period would expire by 20th October 2014 (2 calendar months).

- 2.05 5 Brooklands Avenue Wimbledon Park SW19** A section 215 was issued on 1st July 2014 to require remedial works to the front and rear of the land involving clearing overgrown garden of weeds, carrying out repairs/painting to (or replacing) broken gutters and fenestration. The notice came into effect on 29th July 2014 as there was no appeal and given the owner's special circumstances, the Council is likely to make arrangements for the required works to be carried out.

Officers visited on 3rd September 2014 to inform the occupier of the proposed works to reinstate the rear of the property and the occupier agreed to move out of the property temporarily, so that the works can be done. A suitable accommodation is now being arranged to facilitate the move.

- 2.06 Rapid ReadyMix, Alpha Place, Garth Road** a Breach of Condition Notice (BCN) was issued on 23rd June 2014 against the business for breaching a planning condition relating to the hours of working which states the use of the site for receiving deliveries, the loading and unloading of vehicles and the use of mechanized equipment and vehicles shall only operate between the hours of 09.00 and 18.00 Monday to Friday and 09.00 to 15.00 on Saturdays and at no time on Sundays, Bank Holidays and Public Holidays.

This is the second notice and it came into effect immediately as there is no right of appeal and the business has 28 days to comply and operate within the approved hours or face prosecution. Officers have been monitoring the development by carrying out early morning random visits and also checking the company's on-site CCTV recordings. Until recently, a contractor was carrying out some works to install a canopy required by planning condition. The company

- 2.07 17 Homefield Gardens Mitcham.** A Breach of Condition Notice (BCN) was issued on 10th June 2014 to require an ice cream business operating from the property to comply with a planning condition that requires that no construction, conversion, repair or maintenance works to the ice cream vans shall be carried out on the premises. The notice came into effect immediately with a compliance period of 28 days.

Compliance checks have been carried out but this has been restricted to when Police presence was possible due to a previous incident during which an officer was threatened. Subsequent officer visits have been carried out in pairs. Irregular visits have been carried out to increase the pressure on the owner and this seems to have paid off as incidents of vehicle repairs seems to have stopped.

2.08 Land at 39 West Barnes Lane, Raynes Park SW20. An enforcement notice was issued against the erection of a metal shed type structure, capable of accommodating two vehicles for painting and drying, metal fencing panel and the placing of floodlights atop existing fence posts. The notice was issued on 3rd December 2013 and required the removal of the unauthorised structures, including the large metal shed and fencing with floodlights and would come into effect by 14th January 2014 with a month's compliance period unless there was an appeal before that date. The notice is now effective as the Council has not been notified that an appeal has been received. Compliance period expired on 14/2/14. A subsequent inspection has revealed the Enforcement Notice has not been complied with and a prosecution for the failure to comply with the Notice is being prepared. However, there has been some delay following the departure of the case officer.

A second enforcement notice was issued against a material change of use of the land to a hand car wash/repair and car breaking yard and paint shop. The notice was issued on 3rd December 2013 and requires the unauthorised use to cease within one month of the effective date. The notice came into effect on 14th January 2014 as there was no appeal.

A subsequent inspection has revealed the Enforcement Notice has not been complied with and a prosecution for the failure to comply with the Notice was being prepared when the officer dealing with the case left the Council. The case has been assigned to a new officer to progress.
