H. Independence

We confirm that no trustee of the Scheme is connected with, or is an associate of, Ernst & Young LLP which would render Ernst & Young LLP ineligible to act as auditor to the Scheme.

I. Derivative Financial Instruments

We confirm that all investments in derivative financial instruments have been made after due consideration by the Pension Fund Committee of the limitations in their use imposed by The Occupational Pension Schemes (Investment) Regulations 2005; namely that they contribute to a reduction in scheme risk, facilitate efficient portfolio management, and that any such investment has been made so as to avoid excessive risk exposure to a single counterparty and to other derivative operations. The Pension Fund's statement of investment principles has been duly reviewed to ensure that such investments comply with any limitations imposed by its provisions.

The financial statements disclose all transactions in derivative financial instruments that have been entered into during the period, those still held by the trustees at the scheme year end and the terms and conditions relating thereto.

The trustees have duly considered and deemed as appropriate the assumptions and methodologies used in the valuation of 'over the counter' derivative financial instruments which the Pension Fund is holding, and these have been communicated to you.
