

Overview and Scrutiny Commission Work Programme 2014/15

This table sets out the Overview and Scrutiny Commission's Work Programme for 2014/15 that was agreed by the Commission at its meeting on 8 July 2014. This work programme will be considered at every meeting of the Commission to enable it to respond to issues of concern and incorporate reviews or to comment upon pre-decision items ahead of their consideration by Cabinet/Council.

The work programme table shows items on a meeting by meeting basis, identifying the issue under review, the nature of the scrutiny (pre decision, policy development, issue specific, performance monitoring, partnership related) and the intended outcomes. The last page provides information on items on the Council's Forward Plan that relate to the portfolio of the Overview and Scrutiny Commission so that these can be added to the work programme should the Commission wish to.

The Commission is asked to identify any work programme items that would be suitable for the use of an informal preparatory session (or other format) to develop lines of questioning (as recommended by the 2009 review of the scrutiny function).

The Overview and Scrutiny Commission has specific responsibilities regarding budget and financial performance scrutiny and performance monitoring which it has delegated to the financial monitoring task group – agendas and minutes are published on the Council's website.
