Insert drawing PO3 rev A after page 49.

Recommendation (page 41-43).
Condition 7 C3 (Obscure glazed) Condition to be amended to require windows to be both obscure glazed and fixed shut.

Item 7 – Land rear of 318-324 Cannon Hill Lane, Raynes Park SW20
No modifications.

Item 8 – Shree Ganapathy Temple, 125-133 Effra Road, Wimbledon SW19

Consultation (page 79)
Paragraph. 5.1, amend to 'and 63 are in objection'

Recommendation (Page 90).
Remove condition 8 (Obscure glazed windows, first floor (rear) side elevation of proposed extension)

There are two existing windows in this location and the two proposed windows would be of the same size. The windows are also located 11m from the rear boundaries of the properties facing them and 35m from the properties themselves.

Amend condition 12 (Opening Hours) to '0800 – 2200, Monday – Thursday, 0800 – 2300 Friday and Saturday, and 0800 – 2200, Sunday and Bank Holidays and no staff shall be present at the premises one hour after the closing time'

The applicant has advised that the current operating hours are 08:00 - 22:30, Sunday Thursday, and 0800 - 2300pm, Fridays and Festival days, and that the opening hours originally proposed by Officers do not provide sufficient availability of the Temple to receive worshippers. Officers consider that whilst a small increase in operating hours is acceptable, the existing hours of operation of the Temple would be excessive at evenings given the potential increase in activity resulting from the proposed development.

Condition 25 – Amend final sentence to 'The ground floor side windows of the approved extension (adjoining 135/145 Effra Road) shall be fixed shut and permanently retained thereafter'.

The ground floor side windows adjoining 135/145 Effra Road are indicated on the proposed plans as being fixed shut and the opening of other windows would allow more natural ventilation of the building.

Add the following conditions:

‘Condition 28: No more than 5 overnight events shall be held at the site within any calendar year (1st January – 31st December).

Reason: To safeguard the amenities of surrounding area and to ensure compliance with the following Development Plan policies for Merton: policy 7.15 of the London Plan 2011 and policy DM EP2 of Merton's Sites and Polices Plan 2014.’

No occupation of the development shall be permitted until the Plan is approved in writing by the Local Planning Authority and implemented in accordance with the approved plan. Reason: To safeguard the amenities of surrounding area and to ensure compliance with the following Development Plan policies for Merton: policy 7.15 of the London Plan 2011 and policy DM EP2 of Merton's Sites and Polices Plan 2014.’
