

# Community & Housing

## Departmental Priorities

# Merton Adult Education

- 2015/16 – Last year as a provider and commitment to deliver a good quality service and complete contractual commitments.
- Manage the process towards establishing a commissioning function and the staffing changes.
- Commission Adult Education providers ready for 2016/17 academic year and ensure that an efficient and good quality service is provided.

# Library & Heritage Service

- Manage the development of new libraries at Colliers Wood and West Barnes.
- Continue to increase community involvement in the delivery of library services.
- Continue to enhance our e-services offer.
- Review governance model.

# Housing Needs & Enabling Service

- Continue to find solutions for people in housing need within current context of increasing need and falling supply.
- Hold CHMP to account regarding 2010 commitments to residents.
- Maximise opportunities for households with more affordable and private sector tenancies.
- Continue to minimise numbers of households in temporary accommodation.
